Steps to Personal Revival

The Incredible Book of Vatican Facts and Papal Curiosities

This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite preaching filled the asylums, and so forth.

Righteousness by Faith

To Be Like Jesus

The Bantam New College Latin & English Dictionary

LaRondelle allows the Bible to act as its own expositor by pointing to the New Testament as the basis for prophetic interpretation. Attention is given to the Old Testament prophecies concerning Israel and how the New Testament prophecies do not support the dispensationalist view.

The Midnight Cry

Personal Names in the Bible

The "Saturday or Sunday" question has been one of Christendom's most contested issues, sparking great controversy and terrible violence through the centuries. Theologians and ministers of every background have offered their opinion regarding the Christian Sabbath, with the assumption that traditional, orthodox Christianity is the place to begin the discussion. This book clearly explains which day should be observed-straight from the pages of the Bible!-breaking through every false assumption: the premise that the weekly cycle has been lost; that the Sabbath command is only part of the law of Moses; that the Catholic Church has authority to "change times"; that Sunday is the "Lord's Day"; and that keeping the Sabbath is a burden. After proving the Sabbath's validity, there still remains a host of related questions pertaining to how to correctly observe the seventh day. Since it is God who established the Sabbath, we must look in His Word for guidelines revealing how to keep it in a way pleasing to Him. Also, you will learn the simple-to-understand-and easily verifiable-explanation of the "mark of the beast," and how it relates to the day you choose to worship the Creator God. "Saturday or Sunday - Which is the Sabbath?" is the strongest book ever written proving which day is the true Sabbath, why and how we must keep it today, and how it is directly connected to the very purpose of your existence!

Romanized School Dictionary, English And Urdu

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

The Brooklyn Museum Aramaic Papyri

Testimonies for the Church

Christians who refused to bow the knee to the state church have always been persecuted by state churches. We who call ourselves Baptist need to know what we believe and why. History is an important window into what God used to form His people. This book is intended to provide a look back into the history of the Baptists, both in England and the USA. We read of persecution by state church rulers who fled the persecution of the state church in Europe. John Clarke's Ill News From New England recounts the tribulations faced by Baptists in the New World during the 17th century. It's not always been peaceful in this country for people who value peace with God over peace with men.

Messages to Young People

Pathfinders

In this age, when the study of nature is receiving so much attention, the teachings of Christ from the things of nature form an interesting addition to the bibliography. Both young and old will find pleasure and profit in reading this comment upon Christ's Parable's. Among the lessons are: Chapter 1—Teaching in Parables Chapter 2—"The Sower Went Forth to Sow" Chapter 3—"First the Blade, Then the Ear" Chapter 4—Tares Chapter 5—"Like a Grain of Mustard Seed" Chapter 6—Other Lessons from Seed-Sowing Chapter 7—Like Unto Leaven Chapter 8—Hidden Treasure Chapter 9—The Pearl Chapter 10—The Net Chapter 11—Things New and Old and many more

BENCHMARK SERIES

Why do Protestants keep Sunday? From the Catholic Mirror, the official organ of Cardinal Gibbons, Baltimore, Maryland.

My Life Today

Sabbath Laws and Sabbath Duties

Saturday Or Sunday

The Desire of Ages

The Doctrine of Baptism

Which pope was a speed demon? What is the pope's salary? Here is a non-sacred treasure trove of fascinating, surprising, and little-known tidbits about the Vatican and the popes, not only for the 700 million Catholics in the world but also for people of other faiths. Includes a time-line of significant dates in Church history, and a glossary of Vatican terms.

Daniel and the Revelation

Exceptional Needs Standards (for Teachers of Students Ages Birth-21+)

For use in schools and libraries only. Members of the Young Tribulation Force encounter danger as they are threatened by a meteor and they are at odds about their next move, which threatens to divide them as they face a new adventure.

Fire from Heaven

The Acts of the Apostles in the Proclamation of the Gospel of Jesus Christ

Presents the history of gospel music in the United States. This book traces the development of gospel from its earliest beginnings through the Golden Age (1945-55) and into the 1960s when gospel entered the concert hall. It introduces dozens of the genre's gifted contributors, from Thomas A Dorsey and Mahalia Jackson to the Soul Stirrers.

Catholic Belief

The problems connected with the dating of Artaxerxes I of Persia have long intrigued Biblical historians, because the 7th and 20th regnal years of that king are mentioned in the Bible in connection with important events in the history of Israel, yet these events have been given differing B.C. dates in different works. The discovery of the Brooklyn Museum Aramaic papyri (published by Draeling in 1953)--an additional group of double-dated fifth-century papyri from Elephantine--led to the writing of the present work. This book is now being republished in the hope that it will continue to clarify the subject and bring a solution of a somewhat difficult problem in Biblical chronology.

The Hope of Christ's Second Coming

Too Close to Heaven

Grundzüge Der Phonologie. English

Explores God's activity in Baptism.

Happiness Homemade

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

10 Days in the Upper Room

Since this classic work in phonology was published in 1968, there has been no other book that gives as broad a view of the subject, combining generally applicable theoretical contributions with analysis of the details of a single language. The theoretical issues raised in *The Sound Pattern of English* continue to be critical to current phonology, and in many instances the solutions proposed by Chomsky and Halle have yet to be improved upon. Noam Chomsky and Morris Halle are Institute Professors of Linguistics and Philosophy at MIT.

The Coming of the Comforter

Emphasizing a different theme each month, this daily devotional calls us into a deeper fellowship with God and equips us for the journey. Each reading is a moment with the master--another step in an ever-sweeter journey with Jesus.

The Power of the Decree

The Golden Age of Gospel

The spiritual exercise of making decrees finds its precedent in both Old and New Testaments--the practice means simply

quoting God's promises back to him, "reminding" him of what he has said. This kind of prayer is one of the most vital forms of intercession. In fact, the practice of decreeing God's Word not only builds our faith but transforms our lives. In this powerful and enlightening book, bestselling author and entrepreneur Patricia King helps readers grasp the power of inspired and finely tuned prayer. King explains how to · find specific texts of Scripture for your need · counter problems with God's Word · speak truth into reality · understand the difference between confessing the Word, proclaiming the Word, and decreeing the Word · and more Join countless believers who love the Word of God and honor its authority through their prayers. Accept the challenge to pray the words of Scripture boldly--in God's timing, for his will and purposes.

The Chronology of Ezra 7

Expanded edition of the classic Latin-English dictionary features more than seventy thousand words and phrases, a classical and ecclesiastical pronunciation guide, and a listing of mythological, geographical, and historical names.
