Its more or less what you compulsion currently. This A Witches 10 Commandments Magickal Guidelines For Everyday Life, as one of the most practicing sellers here will completely be in the midst of the best options to review.

The Holy Sabbath Arthur Pink 2014-08-11 Keeping the Lord's Day holy is obeying the 4th of the 10

commandments, which are commandments and not suggestions. And as Jesus states they are here until Heaven and Earth pass away (Matt 5:17-20). The church from the Book of Acts time gathered on the first day of the week, the day Jesus was resurrected, calling it the "Lord's Day" and set it aside as their sabbath – 1 Cor 16:1-2, Acts 20:7 & Rev 1:9, keeping it holy and wholly for God in worship, giving, Bible study, church, prayer, evangelising (and not for worldly things, sports, restaurants, shopping, TV etc). This is a most neglected command today, but it was not neglected in church history. Many of the greatest revivalists and reformers in Church history preached and kept the Lord's Day holy such as: John Wesley, DL Moody, Charles Spurgeon, David Livingstone, William Wilberforce, Hudson Taylor, Charles Finney, William Booth, George Whitfield and many others who have massively impacted the church. In fact during times of revival it is highly significant that revivals were always accompanied by a renewal and revival of keeping the sabbath day (the Lord's day) as well. Exodus 20:8-11 (The 4th Commandment) "Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy."

Exposing Harry Potter and Witchcraft Steve Wohlberg

2005-01-01 "Previously published as Hour of the witch"--
T.p. verso.

Black Magic and Witches Tamara L. Roleff 2003 Explores both sides of the question of whether or not witchcraft is destructive, looking at issues related to the Harry Potter books, wiccans serving in the military, and the validity of magic.

The Ten Commandments Vs Baal Worship Vilma Ramdhar 2017-03-13 Working in the hospital and prison ministry, I had the opportunity to meet the country's most feared criminal. He was a cult leader with forty churches all around the country. A group of us would go to the prison every Wednesday and were allowed to have church for one hour. God used me to witness to this black, Jewish person who did not believe in Jesus but knew the Old Testament very well. He proclaimed to be their King. With the help of God and my faithful pastor who provided me with scriptures and a book entitles "Concerning Spiritual Gifts" I was able to lead him to the Lord. When he went to the hospital time after time, I was there to visit and pray for him. He experienced God's healing many times even when he was dying from a stroke, enlarged heart, diabetes, and hypertension. He had a miracle and baffled the doctors and nurses. Instead of serving 20 years, he was released after 6 years. There were other prisoners whom god has used me to pray for and they were released too. They all went to church with me. He was baptized 6 months later by the Bishop of the country. We discussed the Ten Commandments and he told me that there is no one who can keep them all. Being a spirit filled Christian on fire for the Lord, I told him, "With

the help of the Holy Spirit we can keep them all." This is what inspired me to study and write this book. I come from a Muslim background, my husband from a Hindu background. I see the idols these religions worship which were made by man's hand. God made man in His image but these people made and continue to make their gods, which THEY turn back and worship (Read Isaiah 44). I tried for fifteen years to finish this book to expose the devil but I never did. I think this is the allotted time. Glory to God!

Craft of the Wild Witch Poppy Palin 2004 Read nature's language and develop a living relationship with the land from the wild witch perspective; find magic in the mundane; and review Sabbats, Esbats, spell-weaving, companion spirits, fairies, intuition development, and more. Original.

Beyond Energy Magic Katrina Rasbold 2013-09-04 After the tremendous success of the Energy Magic books, Rasbold Ink is now presenting the two part compilation of the entire Bio-Universal Energy series. Part one is Energy Magic Compleat which includes the original book that launched a movement, Energy Magic, plus CUSP, the book that moves the energy magic techniques through an entire year's practice. Together, these two books give you the absolute information starter package for short-term and long-term positive manifestation through the use of bio-universal energy (your own personal energy blended with that of the Divine). Now, for those who wish to delve deeper into the practice, the remaining five books of The Bio-universal Energy Series have been combined into Book 2. This volume contains the entire manuscripts for

Reuniting the Two Selves, Properties of Magical Energy, The Art of Ritual, Days and Times of Power, and Magical Ethics and Protection. With these two books, the reader has the sum total of the entire Bio-universal Energy Series. Again, please note that this is previously printed material published under the individual titles above. The text is not significantly changed. This powerful combination is for those who truly want to maximize the impact of the connection with God/Goddess/The Creator and who are ready to use that energy to change their life into the experience they wish it to be. Learn how to effectively and safely use bio-universal energies to create miracles and create real positive manifestation, both in the immediate future and in the long-term.

Smoke on the Mountain Joy Davidman 1954-01-01 The Christian reader is encouraged to obey the Commandments with a positive attitude rather than fearfulness

Modern Witchcraft and Magic for Beginners Lisa Chamberlain 2015-10-31 Everything You Need to Know to Start Practicing Magic and Witchcraft "Witchcraft" is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate people who practice Witchcraft with the dark arts-believing that Witches go around hexing people, or use other "black magic" to cause trouble for people they dislike. The truth is, Witchcraft is not fantasy, and is not inherently malicious. It's a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been

recording history. Nonetheless, due to the persistence of these misconceptions in mainstream society, some Wiccans do not consider themselves to be practitioners of Witchcraft, and don't identify as Witches. This is despite the fact that Gerald Gardner, the founder of what became known as Wicca, described the religious activities of his coven in exactly these terms-they were Witches practicing Witchcraft! Whether you choose to call yourself a Witch, a Wiccan, both, or neither, Witchcraft is an enormous topic that can be overwhelming for those who are just starting to explore it. There's so much to learn, and there are many differing perspectives on what is "correct" or "incorrect" in terms of knowledge and practice. Truly, it may be the one of the most confounding of all possible areas of spirituality! Modern Witchcraft and Magic for Beginners was created to provide a fact-based, neutrally-oriented context for launching you on your exploration. Whether you feel called to study Wicca with a practicing coven, learn as much as you can on your own about a branch of Traditional Witchcraft, or forge an eclectic practice that combines several approaches, this book will help you navigate the various opinions, definitions, and perspectives you'll find in the wide, wide world of the Craft. Foundations of Western Witchcraft Wicca has become the most well-known form of the Craft, but it emerged in tandem with other forms. Many of these other traditions were influenced by, and had influence on, what we now know as Wicca. A basic understanding of the wider realm of Witchcraft allows you to broaden your knowledge and enhance your practice. In these pages, you'll find: An overview of the historical and cultural

contexts in which contemporary Witchcraft has evolved A debunking of common misconceptions about Witchcraft as it is practiced today Core beliefs and practices found among a variety of forms of the Craft Clear distinctions between Wiccan, Traditional, and Eclectic paths Core concepts underlying the "why" and "how" of magic A brief look at a few common magical techniques-visualization, invocation, and candle magic Some example workings for you to try, if you feel so inclined Suggested references for further reading for those who want to explore these topics further Whether your curiosity about the Craft is intellectual, spiritual, or both, you'll find plenty of useful information in *Modern Witchcraft and Magic for Beginners*. After reading this book, you should have a better grounding in this fascinating field, and hopefully a clearer sense of where you'd like to go next! If you're ready to learn about Witchcraft and start practicing magic, scroll to the top of the page and select the buy button. Readers will also be treated to an exclusive free gift! *The Craft* Dorothy Morrison 2001 Beginning with the basics of the Wiccan religion and its practices, this book contains everything needed for successful witchery, including mental theory, magikal theory, and practical training exercises.

Mindset Magic Krysti Turznic 2017-11-02 There is a calling within you that wants you to do more, have more, and be more. It is the yearning to unlock your potential and experience a more profound connection to your authentic self. *Mindset Magic* is the perfect blend of education, insight, and practical application that will guide you to a deeper understanding of how to create a fulfilled

life with intention and purpose, and experience more peace, more power, and more passion. With the proper mindset, tools, and understanding of scientific and spiritual principles, your life can unfold with miracles and magic. Awaken to your true power and discover the key to creating your best life possible. "Krysti Turzник's Mindset Magic provides the key to unlock the inner treasures that are the divine inheritance of all beings, along with reminding us that it is we who must choose to discover, activate, and make wise use of them." - Michael Bernard Beckwith, author of Spiritual Liberation and Life Visioning

Blood of Sirens Bonnie Lamer 2015-03-06 Xandra believes Sirens are creatures of myth. At least, she does until they escape from the prison that has held them for centuries and they come seeking revenge. Now, their magic is unstoppable. Even a Witch Fairy's magic isn't strong enough to stop the Sirens from singing their death call. With only six nights to find a solution before all the males she loves are taken from her, Xandra must find a way to stop them.

A Wiccan Bible A.J. Drew 2003-08-15 "If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows; above the door of your house (or temple); and in every mind it is this: 'Wicca is not a place to go, it is a journey to take.'"—Spiral Nature For thousands of years, we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was more to religion than ancient rituals performed for reasons unknown, this book

will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. Drew makes no attempt to dictate religious dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: • Maiden and Master: Creation, Wiccaning, and Self-dedication. • Mother and Father: Initiation, Handfasting/Handparting, and the Wheel of the Year. • Crone and Sage: Community, the world, and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science, fusing both into a creation myth which satisfies not only mind, but soul as well. A Wiccan Bible not only shows a religious path filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected, including mixtures for incense, oils, and baths.

The Law Unsealed James Durham 1735

The Lion, the Witch, and the Wardrobe C.S. Lewis 2018-

04-10 C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. *The Lion, the Witch, and the Wardrobe* is the first book in *The Chronicles of Narnia*.

Modern Witchcraft Deborah Blake 2020-07-07 Deborah Blake's *Modern Witchcraft* is a guidebook to witchcraft as a female-empowering religion, including detailed instructions on how to practice self-care in today's society through goddess worship and magic. In a time when most formal religions are on the wane, Wicca is said to be the fastest growing religion in North America. What is it that draws people to Witchcraft, and how does a spiritual path with its roots in ancient beliefs and traditions transform itself into a practice that resonates so deeply with today's modern woman? There are a number of explanations for the phenomenon, such as Witchcraft's connection to the natural world, or acceptance of members regardless of lifestyle choices. For women, however, the greatest appeal may be the worship of a goddess (or goddesses). No stern patriarchal God here. Instead, Wicca and most other forms of modern Witchcraft embrace deity in both the feminine and the masculine. Suddenly, women can look at the divine and see themselves reflected back. In addition, many women are frustrated, frightened, triggered, and down-right furious with the current social and political environment, but feel powerless to create positive change. Witchcraft can give them a sense of personal empowerment. There are many different Witchcraft paths and a multitude of approaches to its practice. This book will guide the reader on the journey to connecting with the feminine divine both without and

within, and open the door to this magical religion that will enlighten, uplift, and energize their lives.

Witchcraft on a Shoestring Deborah Blake 2010-11-08

Practicing Witchcraft doesn't have to cost an arm, a leg, and a broomstick! From homemade tools to frugal feasts to thrifty home decoration, Deborah Blake offers economical tips and suggestions for stretching your dollar while enriching your practice. She gives clear, simple instructions for making your own magickal oils, runes, tarot cards, candles, jewelry, charms, and wands, all using inexpensive materials. Choose from over fifty ways to practice Witchcraft that cost little or no money, and try more than forty recipes for tasty sabbat dishes that cost ten dollars or less. With a sprinkling of imagination and a touch of magick, you can add to your inner wealth of spirituality. After all, the best parts of being a Witch are always free.

Witchcraft, Demonology and Magic Marina Montesano 2020-05-20

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical

witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.

The Complete Idiot's Guide to Wicca and Witchcraft
Denise Zimmermann 2006 Offers information on the theory, ritual, tradition, and history of Wicca, including advice on how to practice the magical art.

Wicca Scott Cunningham 2010-09-08 Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

The Ten Commandments Thomas Watson 2020-05-11
This Classic book - The Ten Commandment -- introduces

and orients the reader to critical biblical/theological thinking from the puritan perspective. All of Thomas Watson's writings and sermons are replete with sound doctrine, practical wisdom, and heart-searching application. Watson's presentation is written with a clarity that fosters biblical thought and facilitates Bible comprehension. His profound spirituality, gripping remarks, practical illustrations, and beauty of expression make him one of the most irresistible of the Puritans. You won't be disappointed. Thomas Watson is consistently one of the best Bible scholars and this one is at the top of his writing. He's bold in his writings but solid in Scripture. "It's impossible to measure the influence of Watson over four centuries. His works remain in print and are widely read, which shouldn't surprise us. J. I. Packer considers him "one of the most outstanding writer on practical and devotional themes." All of Thomas Watson's writings and sermons are replete with sound doctrine, practical wisdom, and heart-searching application. His profound spirituality, gripping remarks, practical illustrations, and beauty of expression make him one of the most irresistible of the Puritans.

Grimoires Owen Davies 2010-09-23 What is a grimoire? The word has a familiar ring to many people, particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed. But few people are sure exactly what it means. Put simply, grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia. At their most benign, they

contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil. But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and, worst of all, to call up and make a pact with the Devil. Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day. But the grimoire represents much more than just magic. To understand the history of grimoires is to understand the spread of Christianity, the development of early science, the cultural influence of the print revolution, the growth of literacy, the impact of colonialism, and the expansion of western cultures across the oceans. As this book richly demonstrates, the history of grimoires illuminates many of the most important developments in European history over the last two thousand years.

Wicca for Beginners Thea Sabin 2010-09-08 Due to the sheer number of Wicca 101 books on the market, many newcomers to the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques before

launching into more complicated rituals and spellwork. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)

Spirit of the Witch Raven Grimassi 2003 From the author of the "Encyclopedia of Wicca and Witchcraft" comes a study of religion and contemporary spirituality in witchcraft.

Understanding the Magickal Path Kiera BloodRose

Aimed at those new to the Craft and Solitary Practitioners.

A Witch's 10 Commandments Marian Singer 2006-05-30

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Bruxaria Moderna Deborah Blake 2021-06-14 Por que

razão é que a bruxaria atrai cada vez mais pessoas, principalmente mulheres? Como é que esse caminho, baseado em crenças e tradições provenientes dos primórdios dos tempos, tem tocado de forma tão profunda a mulher moderna? Para este despertar a que agora assistimos, em muito contribui o facto de a bruxaria ser sinónimo de prática, na qual, ao contrário do que se verifica noutras religiões, nada se intromete entre a praticante e a relação com a divindade. Mas há mais. Muito mais. Esta obra orienta-a na viagem em que o poder do feminino se revela em todo o seu esplendor.

Descubra mais sobre a wicca, a bruxaria e o paganismo; encontre o divino no feminino; aprenda a estar em comunhão com a natureza; e coloque toda a teoria em prática, criando mudanças positivas no seu cotidiano. Um livro dos dias de hoje, mas com toda a tradição e sabedoria acumuladas desde há séculos. Uma ponte perfeita entre o que foi e o que ainda virá a ser.

The Everything Birthday Personology Book Marian Singer 2006-12-10 What does your birth date say about you, your friends, or your family? Each daily guide is packed with fascinating information, including: Numerology On this Day in History Festivals and Holidays Notable Birthdays With advice on love, relationships, and career choices, The Everything Birthday Personology Book helps you apply practical spiritual guidance and psychological insight to your own unique place in the universe!

The Book of Witches Margaret Fisher 2015-06-05 Megan Conroy thinks she has problems; she's struggling to pass math and with only one year of high school left she still has no idea what she wants to do with her life. She certainly never thought she'd become a witch. A near miss from a speeding car triggers an inexplicable rush of power within her, leading to strange, recurring dreams and encounters with even stranger creatures. After being saved from a demon by her classmate Finn, she finally

starts getting some answers. Meg, he explains, is now an awakened witch; a person whose dormant magic has been brought out by trauma. Real witches, she learns, are nothing like the broomstick-riding figures she's used to from movies. The descendants of an ancient tribe who made an alliance with the Fae, Witani are born with magic and have the ability to see the spirits who oversee the natural world. She receives another shock looking through study abroad brochures when she finds a picture of the same standing stone from her dreams. This prompts her to choose Scotland as her destination, where the stone is located. As she's drawn ever deeper into the secret world of magic and Fae, she wrestles with the dilemma of whether or not to tell her parents about her new life. But it's not long before she has far more to worry about. Her arrival in Scotland sets a series of events in motion that will change her forever; bringing with it new friends, love, and danger.

The Law of God William Swan Plumer 1864

LSD, My Problem Child Albert Hofmann 2005 This is the story of LSD told by a concerned yet hopeful father,

organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

The Weiser Field Guide to Witches Judika Illes 2010-10-01 Witches peek from greeting cards and advertisements, and they dig twisted roots from the ground. Witches dance beneath the stars and lurk around cauldrons. Witches heal, witches scare, witches creep, and witches teach! A compendium of witches through the ages, from earliest prehistory to some of the most significant modern practitioners, The Weiser Field Guide to Witches explores who and what is a witch. From such famed historical legends as Aleister Crowley, Marie Laveau and Elizabeth Bathory to the popular literary and cinematic figures Harry Potter and The Wicked Witch of the West, Illes offers a complete range of the history of witches. Included also are the sacred—Isis, Hekate, Aradia—and the profane—the Salem Witch trials and The Burning Times.

The Weiser Field Guide to Witches is appropriate for readers of all ages and serves as an excellent and entertaining introduction for those fascinated by the topic. The Book of Dark and Light Shadows Dawn Flowers 2020-02-22 The Book of Dark and Light Shadows covers various aspects of Magic, Witchcraft, Wicca, Voodoo, Hoodoo, Santeria, and other modern Pagan religions, with easy to understand instructions, spells, and diagrams. It gives readers a full spectrum view of the Mystical world and proves to be enjoyable for new and seasoned practitioners alike. New practitioners can examine the basics of modern crafting and learn over 200 spells along the way, while seasoned practitioners can use it as a handy guide and refresher. All readers will find a treasure trove of information inside this delightful collection of spells. Below are a just a few of the subjects addressed within its pages, which will help provide a spiritual foundation for newcomers seeking growth and fulfillment through a Pagan path: The Wiccan Rede Amulets, Charms, and Talismans Poppets and Voodoo Dolls Herbs, Oils, Candles, Incense, Stones, and other components Ceremonial Magick Holidays and Moon Phases Basic Rune Divination (old school) Money Spells and Love Spells Healing Spells and Protection Spells Bindings and Banishings The Book of Dark and Light Shadows was originally published as a beginner's guide, for readers to create their own book of shadows. This paperback edition contains additional blank-lined pages for readers to insert their own Magical notations. Grab the Kindle edition for free with the Matchbook

program for spells on the go!

The Magical and Sacred Medical World Éva Pócs 2019-01-15 This collection of papers explores the sacred and magical aspects of ethno-medicine. The subject area is marked out by the points of connection between religious anthropology, ethno-medicine and medical anthropology, focusing on topics such as magical and religious concepts of health and disease, causes of disease, religious and magical averting and healing rites, healing gods, saints and, last but not least, the role that these play in the society, religion, mentality and everyday life of a community, as well as their various representations in folklore, literature or art. This volume includes, without restrictions of a methodological, temporal or geographical nature, works from the fields of folklore studies, anthropology, cultural history, comparative historical and textual philology, as well as research findings using the latest methods of analysis in textual folklore or based on archival research or fieldwork in or outside of Europe. This book will appeal to researchers and students of religion, folklore, and medical anthropology, as well as general readers interested in the humanities and cultural history.

How to Become a Wiccan Dayanara Blue Star 2016-09-22 Wicca is a legally recognized religion in the United States of America, but if you ask ten different Wiccans about it, you will be presented with different points of view. Thousands of people from all walks of life all around the world are practicing Wiccans. But Wicca is not just about witchcraft. And it definitely is not about doing spells and harming others because the main principle of

Wiccans is “An ye harm none, do what ye will”, that is, do whatever you want, as long as you never harm another human being. If you are interested in learning about Wicca, about its basic principles, and about the tools you will need to do magic spells, continue reading this guide and you will definitely find what it takes to become a good Wiccan.
