The Life & Death of Pretty Boy Floyd Jeffery S. King 1998 Charles Arthur Floyd, better known as Pretty Boy Floyd (1904-1934), was one of the last of the so-called Robin Hood outlaws in the tradition of Jesse James, Billy the Kid, and John Dillinger. He engaged in numerous bank-robbing exploits across the Mid-west until federal agents and local police shot him down near East Liverpool, Ohio, on October 22, 1934 - a feat that helped build the image of the modern FBI. This detailed account of his life, crimes, and death makes extensive use of FBI reports, government records, local newspapers, and contemporary journalistic accounts. Neither highly intelligent nor polished, Floyd relied on his cool demeanor, shrewd cunning, and expert gun-handling ability, but he was also considered by those who knew him to be generous and honest. During the depression, many people saw banks as enemies and Floyd as a hero and helped screen him from the police. In this biography, Jeffery S. King addresses many of the questions still surrounding Floyd, such as whether he had contact with other notorious outlaws of the period, including Dillinger, Alvin Karpis, and Bonnie and Clyde, and whether he was executed by the FBI. He also links Floyd to the infamous Kansas City Massacre. Particularly notable are King's assessments of the effectiveness of the FBI and of J. Edgar Hoover's talent for self-promotion.

The Miners' Showdown J.R. Roberts

The 48 Laws Of Power Robert Greene 2010-09-03 THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. \_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Seamen in Sweat Socks Hal Perry 2021-11-10 Keep looking at me, and maybe over time, I'll turn into what you see. What are we looking for when we want to be seen? What images appear through the haze? What are we doing here and who are we really? Sometimes after the dust has settled at coffee shops, in laundromats, and other places we often visit, our views of life and those around us can become distorted and confusing. In a collection of varied writings, Hal Perry shares short stories, poems, and prose with the intent of fulfilling the connection we all yearn for while on this crazy voyage called life, and to make sense of a journey that came without proper instructions. His writings explore diverse topics like the vastness of the sky, dreaming while awake, a bourbon-drinking cat, rain's beautiful symphony, a lonely beaver, and a woman with an extraordinary smile. Seamen in Sweat Socks is a volume of short tales, poems, and prose that lyrically travel through the voids of life to find a togetherness in a lonely world.
