The Magic of the Sword of Moses Harold Roth 2022-08-01 A practical guide to the famed medieval book of pre-kabbalistic Jewish magic, freshly interpreted and revealed for the first time with instructions on how to use the spells. The Sword of Moses is one of the earliest Jewish magic books, which describes a rite for adjuring angels to assist in controlling and wielding the "Sword of Moses" for magical purposes. The rite involves a short period of purification and then the adjuring of four sets of angels, each higher than the last. These angels in turn give the magician the power to control the Sword through a series of divine names that work as magical spells. The spells, 137 in all, have a wide variety of uses, including healing, harm, love, sex, exorcising demons, divination, and more. This work was first translated by Moses Gaster in 1896, but he removed many of the spells, making the text unusable for magic. The Magic of the Sword of Moses is the first book to show in detail, exactly how a magician can use the Sword—how to do the purification ritual, adjure the angels, and pronounce and use the divine names for each spell.

Angels and Demons of Love Giuliano Kremmerz 2019-03-08 Giuliano Kremmerz (1861-1930) was the most important Italian esoterist and his works have been translated into French, Portuguese and Spanish. Kremmerz was initiated by Pasquale De Servis (1818-1893) who introduced him into the milieu of Neapolitan and Egyptian magic, whose leading exponent was the Attorney and Freemason Giustiniano Lebrano (1832-1910). Kremmerz soon departed from the latter, to found the Fratellanza terapeutico-magica di Miriam. It was a Brotherhood that dealt with occult medicine. Its members tried to cure the sick through individual and collective magic rituals. The Brotherhood had an occult organism that governed it. It was the Egyptian Osirid Order, in which high ceremonial magic and sexual magic were practiced as instruments of asceticism to the so-called One Infinite. Angels and Demons of Love is a first attempt by the Kremmerz to bring the attention of readers of the end of the XIX century, on the subject of the evolution of man,

passing through the so-called internal alchemy.

Introduction to Magic Julius Evola 2018-07-13 The rites, practices, and texts collected by the mysterious UR group for the use of aspiring mages. • Rare Hermetic texts published in English for the first time. • Includes instructions for developing psychic and magical powers. In 1927 Julius Evola and other leading Italian intellectuals formed the mysterious UR group. Their goal: to bring their individual egos into a state of superhuman power and awareness in which they could act "magically" on the world. Their methods: the practice of ancient Tantric and Buddhist rituals and the study of rare Hermetic texts. So successful were they that rumors spread throughout Italy of the group's power, and Mussolini himself became quite fearful of them. Now for the first time in English Introduction to Magic collects the rites, practices, and knowledge of the UR group for the use of aspiring mages. Included in Introduction to Magic are instructions for creating an etheric double, speaking words of power, using fragrances, interacting with entities, and creating a "magical chain." Among the arcane texts translated are the Tibetan teachings of the Thunderbolt Diamond Path, the Mithraic mystery cult's "Grand Papyrus of Paris," and the Greco-Egyptian magical text De Mysteriis. Anyone who has exhausted the possibilities of the mundane world and is ready to take the steps necessary to purify the soul in the light of knowledge and the fire of dedication will find a number of expert mentors here.

Angels of Wrath Gordon Winterfield 2017-06-20 This is not a book of casual curses, but a book of peace and justice. Angels are powerful beings that can be called to work great and wrathful wonders. If your sincere intent is to cause harm, confusion or disruption, the angels will comply. Should you have any fear that this work is evil or an abuse of angelic contact, then read no further. This book is for those who have sensed the might of angels and wish to turn their power to deeds that many would believe to be dark. Far from being the delightful creatures of peace found in New Age artwork, angels are spiritual beings of immense strength, and this strength can manifest as wrath. Whether you are new to magick or quite experienced, this book will introduce you to a lesser-known group of angels. When called in combination, these angels have the power to cause devastation to your enemies. Such workings are as powerful as a curse, and often more targeted and cunning. There are twenty-nine powers to be revealed: The angels can bind, destroy defenses, remove wealth and destroy a business, while rendering your victim too weak to respond and unable to see what you are doing. You will have the power to silence and confuse, bringing illness and insomnia to those who trouble your life. For more severe enemies, you can bring the wrath of judgment upon them, and remove their ability to find spiritual sanctuary. You can produce hatred between those you name, while causing anxiety, dark moods and memory loss, with confusion of the heart and mind. There is a ritual to prevent your enemies from working magick. This angelic magick will only work if you are sincere in your intentions. It cannot be used to instigate casual cruelty. This is not a book of evil to delight the wicked, but a book of harmony. If you have been wronged, this book gives you the power to restore your personal peace.

Practical Jinn Magick Corwin Hargrove 2018-07-18 Jinn Magick is simple to execute, and the results can be some of the best you will find in all occultism. Much has been written about The Fire Spirits, known as the Jinn (or Djinn), but books of practical Jinn Magick are rare. Hardly any exist, and those that do are often a disappointment. This book reveals a practical method for calling on the Jinn and receiving a response. There are forty-two rituals, and the magick can help with influence and passion or destruction and transformation. The rituals deal with reputation and the souring of love. Some rituals affect competition, uncover flaws, weaken others, improve your discipline or make somebody else burn out. Where you feel stuck, you can find release, and there are ways to create more abundance or make somebody else lose what they have. Rituals can create obsessive thoughts in others and make people see the best in you or the worst in another. They can help you seduce or cause somebody to be sexually disgusted by another person. Financial magick works to increase what you have and can make people appreciate your work or make others lose what money they have. There's great potential if you use your imagination. The magick can be subtle and delicate or life-changing and devastating, according to your wish. Most of the rituals can be modified and are directed at clear, practical results. The Jinn are neither angels or demons, but fire spirits, and they execute your magickal wishes with immense power. The magick may only work half the time, but when it does, it works with alarming intensity. The book is expensive, but that's because there's

decades of research in here and these secrets should not be given to those who don't value them. Pay a fair price, do the work well, and you will get what you want.
