A complete course on acrylic painting covering classic approaches and new innovations in this medium widely embraced by both beginners and experienced artists for its versatility, quick-drying properties, and non-toxicity. Noted artist and School of Visual Arts instructor James Van Patten shows how acrylics can provide all painters with a vast range of possibilities for producing highly expressive art. Readers will learn how to use acrylics to create a wide variety of effects--from watercolor-like transparency and the flatness of tempera and gouache, to the buttery quality of oil and collage adhesive and varnish--in everything from non-representational works to painterly realism to photorealism. Van Patten offers guidance on materials, processes, balance, and composition, and focuses on effectively using color in painting. Replete with detailed step-by-step technical demonstrations and a catalog of inspiring works by notable past and contemporary artists, as well as the author himself and his students, The Acrylic Painter provides a classic art instruction manual for painters of all abilities.

A vibrant and versatile medium, acrylic is ideal for beginning artists. Its quick drying time and intense, brilliant hues allow you to express a world of possibilities! In this book produced by Walter Foster Publishing and Reeves, two renowned acrylic artists guide you through five colorful step-by-step lessons, providing special tips and techniques along the way. This project book teaches you how to paint a variety of inspiring subjects, including florals, landscapes, seascapes, and still lifes. Plus you'll learn about the materials and techniques needed to get started right away. Soon you will be on your way to creating your own brilliant works of art!

Now is the time to pursue creative fulfillment! Annie O'Brien Gonzales felt a passion for art from an early age. But not until 30 years later--after raising a family and working "a real job"--did she get serious about painting. Along the way, she experienced the pleasures and the pitfalls of learning to paint. In these pages, she channels it all to help others discover (or re-discover) The Joy of Acrylic Painting. This guide offers an engaging, streamlined approach for any beginner, but especially those who--due to life detours or lack of time--had previously postponed their artistic aspirations. In a fun, instantly gratifying style, Gonzales combines the forgiveness of acrylics with the approachability of expressive painting. With special emphasis on the elements of color, pattern and texture, these lessons give you a jump-start on painting with feeling. If now is your time to pursue creative fulfillment, then this is the book to ease your way. • Strategies for gathering resonant ideas and inspiration • Practical advice, such as when to splurge and where to save on painting supplies • Mixed-media techniques for creating character in your paintings • Inspiration from Expressionist masters, including ways to use their work as a jumping-off point for your own original paintings • PLUS 8 fabulous start-to-finish painting projects--landscapes, still life, figures and abstracts

A guide to acrylic painting introduces the basic techniques of the medium and provides step-by-step instructions for twelve acrylic projects.

A fun and accessible guide to acrylics, featuring step-by-step exercises and advice on technique to help your paintings flourish. Leading painter, teacher and writer Soraya French has distilled her art teaching into the things that matter most and can be digested in a short period of time – in just one afternoon you can start acrylic painting. Learning to paint is one of the life-long aspirations of many of us, and painting with today's acrylics paints has never been easier or more accessible. Acrylics are becoming increasingly popular, especially for beginners because of their versatility and strength of colour. Acrylics can be used thickly like oils, but they dry much more quickly, or they can be watered down to look like watercolour. The author, known for her own vibrant and colourful acrylic paintings, covers equipment and the best colours to buy and shows the different ways of using acrylic to create a range of effects with simple instruction and easy-to-follow exercises. She shows how to use acrylics to paint a range of subjects: flowers and trees, landscapes, cityscapes and people.

Acrylic is used by many well-known professional artists, but is rather less popular with amateurs. This is surprising, because acrylic is not only the most versatile of all the painting media, but is also highly forgiving. You can paint out mistakes as you work, even making major changes to the color scheme and composition, so that each new painting can become a springboard for ideas. And the range of different effects you can achieve is vast - if you try out some of the exciting techniques and projects in this book you may find yourself falling in love with the medium.

of many contemporary artists. As colors are being developed, their chemical components are also enhanced for better texture and handling. Art-supplies vendors now offer acrylic mediums for thinning, thickening, glazing, molding, pouring, texturing, and dozens of other uses. Even experienced acrylic painters can be confused—even intimidated—by this staggering diversity of products. Painter and art materials expert Rhéni Tauchid simplifies this daunting subject, clearly explaining each type of medium and suggesting ways it can enhance your painting practice. Over twenty step-by-step demonstrations teach you how to apply mediums to create vibrant colors, sensuous surfaces, and striking visual effects. Hundreds of beautiful photos illustrate mediums' almost limitless potential and show you how other artists—both abstract and realist—are employing mediums to push their art in new creative directions. The first book of its kind, this essential reference belongs on every acrylic painter's shelf. Includes the Work of Contemporary Masters: Nick Bantock, Diane Black, Bruno Capolongo, Pauline Conley, Marc Courtemanche, Marie-Claude Delcourt, Claire Desjardins, Marion Fischer, Heather Haynes, Lorena Kloosterboer, Suzy Lamont, Marie Lannoo, Connie Morris, Barry Oretsky, Lori Richards, Hester Simpson, Ksenia Sizaya, Rhéni Tauchid, Alice Teichert, Beth ten Hove, Sharlena Wood, and Heather Midori Yamada.

For beginning painters, this resource guide provides a series of lessons including an introduction to line, paint consistency, and color; creating dimension with drawing and painting values; and the essentials for painting still lifes, landscapes, and face and figures. Original.
