

Band Of Brothers E Company 506th Regiment 101st Airborne From Normandy To Hitlers Eagles Nest Stephen Ambrose

A chronicle of World War II includes accounts of major events and personal anecdotes from soldiers in the field.

Major Dick Winters of the 101st Airborne gained international acclaim when the tale of he and his men were depicted in the celebrated book and miniseries *Band of Brothers*. Hoisted as a modest hero who spurned adulation, Winters epitomized the notion of dignified leadership. His iconic World War II exploits have since been depicted in art and commemorated with monuments. Beneath this marble image of a reserved officer is the story of a common Pennsylvanian tested by the daily trials and tribulations of military duty. His wartime correspondence with pen pal and naval reservist, DeEtta Almon, paints an endearing portrait of life on both the home front and battlefield—capturing the humor, horror, and humility that defined a generation. Interwoven with previously unpublished diary entries, military reports, postwar reminiscences, private photos, personal artifacts, and rich historical context, Winters's letters offer compelling insights on the individual costs and motivations of World War II service members. Winters's heartfelt prose reveals his mindset of the moment. From stateside training to the hedgerows of Normandy, his correspondence immerses readers in the dramatic experiences of the 1940s. Via the lost art of letter writing, the immediacy and honesty of Winters's observations takes us beyond the traditional accounts of the fabled 506th Parachute Infantry Regiment's Easy Company. This engaging narrative offers a unique blend of personal wit, leadership ethics, and broader observations of a world at war. *Hang Tough* is a deeply intimate, timely reflection on a rising officer and the philosophies that molded him into a hero among heroes. *Hang Tough* "will help people better understand the man I knew and respected so much. Folks should know what we all went through during the war." —Bradford Freeman, Foreword

Alistair Cooke was the greatest of all twentieth century reporters of life in America to the rest of the world. This book presents the cream of his writings on the events that shaped modern American history, from the end of the Second World War through to the assassination of John Kennedy and Bobby Kennedy (Cooke was actually present), the moon landings and the Monica Lewinsky scandal. Almost all the material will be new to Cooke fans - transcripts of his legendary *Letters from America*, long-forgotten reports in the *Guardian* (whose correspondent in New York he was for 25 years) and other freshly discovered writings.

On the hellish battlefields of World War II Europe, Major Dick Winters led his Easy Company—the now-legendary *Band of Brothers*—from the confusion and chaos of the D-Day invasion to the final capture of Hitler's Eagle's Nest. Winters was a quiet, reluctant hero whose modesty and strength drew the admiration of not only his men, but millions worldwide. Now comes the story of his last years as witnessed and experienced by his good friend Cole C. Kingseed. Kingseed shares the formative experiences that made Winters such an effective leader. He addresses Winters's experiences and leadership during the war, his intense, unbreakable devotion to his men, his search for peace both without and within after the war, and how fame forced him to make adjustments to an international audience of well-wishers and admirers, even as he attempted to leave a lasting legacy before joining his fallen comrades. Following Winters's death on January 2, 2011, the outpouring of grief and adulation for one of this nation's preeminent leaders of character, courage, and competence showed just how much of an impact Dick Winters left on the world. **INCLUDES PHOTOS**

The *New York Times* bestseller that tells the true story of the life of Major Dick Winters, the man who led the *Band of Brothers* in World War II. In every band of brothers, there is always one who looks out for the others. They were Easy Company, 101st Army Airborne—the World War II fighting unit legendary for their bravery against nearly insurmountable odds and their loyalty to one another in the face of death. Every soldier in this band of brothers looked to one man for leadership, devotion to duty, and the embodiment of courage: Major Dick Winters. This is the riveting story of an ordinary man who became an extraordinary hero. After he enlisted in the army's arduous new Airborne division, Winters's natural combat leadership helped him rise through the ranks, but he was never far from his men. Decades later, Stephen E. Ambrose's *Band of Brothers* made him famous around the world. Full of never-before-published photographs, interviews, and Winters's candid insights, *Biggest Brother* is the fascinating, inspirational story of a man who became a soldier, a leader, and a living testament to the valor of the human spirit—and of America.

Elite paratrooper Sgt. Don Malarkey takes us not only into the World War II battles fought from Normandy to Germany, but into the heart and mind of a soldier who lost his best friend during the nightmarish engagement at Bastogne. Drafted in 1942, Malarkey arrived at Camp Toccoa in Georgia and was one of the one in six soldiers who earned their Eagle wings. He went to England in 1943 to provide cover on the ground for the largest amphibious military attack in history: Operation Overlord. In the darkness of D-day morning, Malarkey parachuted into France and within days was awarded a Bronze Star for his heroism in battle. He fought for twenty-three days in Normandy, nearly eighty in Holland, thirty-nine in Bastogne, and nearly thirty more in and near Haugenau, France, and the Ruhr pocket in Germany. *Easy Company Soldier* is his dramatic tale of those bloody days fighting his way from the shores of France to the heartland of Germany, and the epic story of how an adventurous kid from Oregon became a leader of men.

From Stephen E. Ambrose, bestselling author of *Band of Brothers* and *D-Day*, the inspiring story of the ordinary men of the U.S. army in northwest Europe from the day after D-Day until the end of the bitterest days of World War II. In this riveting account, historian Stephen E. Ambrose continues where he left off in his #1 bestseller *D-Day*. *Citizen Soldiers* opens at 0001 hours, June 7, 1944, on the Normandy beaches, and ends at 0245 hours, May 7, 1945, with the allied victory. It is biography of the US Army in the European Theater of Operations, and Ambrose again follows the individual characters of this noble, brutal, and tragic war. From the high command down to the ordinary soldier, Ambrose draws on hundreds of interviews to re-create the war experience with startling clarity and immediacy. From the hedgerows of Normandy to the overrunning of Germany, Ambrose tells the real story of World War II from the perspective of the men and women who fought it.

This volume tells the story of the men of the remarkable Easy Company, 506th Airborne Division, US Army. It tells how they fought, went hungry, froze, and died, took 150 percent casualties and considered the Purple Heart a badge of office.

The *New York Times* bestselling official companion book to the Emmy® Award-winning HBO® miniseries. Between America's retreat from China in late November 1941 and the moment General MacArthur's airplane touched down on the Japanese mainland in August of 1945, five men connected by happenstance fought the key battles of the war against Japan. From the debacle in Bataan, to the miracle at Midway and the relentless vortex of Guadalcanal, their solemn oaths to their country later led one to the Great Marianas Turkey Shoot and the others to the coral strongholds of Peleliu, the black terraces of Iwo Jima and the killing fields of Okinawa, until at last the survivors enjoyed a triumphant, yet uneasy, return home. In *The Pacific*, Hugh Ambrose focuses on the real-life stories of five men who put their lives on the line for our country. To deepen the story revealed in the HBO® miniseries and go beyond it, the book dares to chart a great ocean of enmity known as the Pacific and the brave men who fought.

Band Of Brothers Simon and Schuster

A tribute to World War II heroism from the national bestselling author of *Biggest Brother*. The paratroopers of Easy Company, 101st Airborne Division, have come to symbolize the incredible bravery and heroism shown by the greatest generation in World War II. On the eve of the 65th anniversary of the Allies' victory in Europe, author Larry Alexander crosses an ocean and a continent to discover just what made the Band of Brothers special. Accompanied by his friend Forrest Guth, an Easy Company veteran on his final tour in Europe, Alexander explores the living history of the places where American soldiers went into action, and reveals what makes this story so meaningful for us today. Part travelogue, part historical perspective, *In the Footsteps of the Band of Brothers* is an unforgettable memorial to the men who fell in action, and a tribute to the veterans who are still with us.

A "Band of Brothers" soldier and elite paratrooper describes his role in providing defense during 1943's Operation Overlord, his receipt of a Bronze Star and numerous other honors, and the loss of his best friend during the engagement at Bastogne. 100,000 first printing.

Comrades is a celebration of male friendships. Acclaimed historian Stephen Ambrose begins his examination with a glance inward -- he starts this book with his brothers, his first and forever friends, and the shared experiences that join them for a lifetime, overcoming distance and misunderstandings. He next writes of Dwight D. Eisenhower, who had a golden gift for friendship and who shared a perfect trust with his younger brother Milton in spite of their apparently unequal stations. With great emotion, Ambrose describes the relationships of the young soldiers of Easy Company who fought and died together from Normandy to Germany, and he recalls with admiration three unlikely friends who fought in different armies in that war. He recounts the friendships of Lewis and Clark and of Crazy Horse and He Dog, and he tells the story of the Custer brothers who died together at the Little Big Horn. Ambrose remembers and celebrates the friends he has made and kept throughout his life. *Comrades* concludes with the author's recollection of his own friendship with his father. "He was my first and always most important friend," Ambrose writes. "I didn't learn that until the end, when he taught me the most important thing, that the love of father-son-father-son is a continuum, just as love and friendship are expansive."

Paratrooper David Kenyon Webster jumped into the chaos of occupied Europe on D-Day, fighting his way through Holland and finally capturing Hitler's Eagle's Nest. He was the only member of Easy Company to write down his experiences as soon as he came home from war. Webster records with visceral and sometimes brutal detail what it is like to take a bullet in the leg, to fight pitched battles capturing enemy towns, and to endure long periods of boredom punctuated by sudden moments of terror. But most of all, *Parachute Infantry* shows how a group of comrades entered the furnace of war and came out brothers.

Stephen E. Ambrose's *D-Day* is the definitive history of World War II's most pivotal battle, a day that changed the course of history. *D-Day* is the epic story of men at the most demanding moment of their lives, when the horrors, complexities, and triumphs of life are laid bare. Distinguished historian Stephen E. Ambrose portrays the faces of courage and heroism, fear and determination—what Eisenhower called “the fury of an aroused democracy”—that shaped the victory of the citizen soldiers whom Hitler had disparaged. Drawing on more than 1,400 interviews with American, British, Canadian, French, and German veterans, Ambrose reveals how the original plans for the invasion had to be abandoned, and how enlisted men and junior officers acted on their own initiative when they realized that nothing was as they were told it would be. The action begins at midnight, June 5/6, when the first British and American airborne troops jumped into France. It ends at midnight June 6/7. Focusing on those pivotal twenty-four hours, it moves from the level of Supreme Commander to that of a French child, from General Omar Bradley to an American paratrooper, from Field Marshal Montgomery to a German sergeant. Ambrose's *D-Day* is the finest account of one of our history's most important days.

One of WWII's most daring Allied D-Day missions and the hunt for Hitler's war criminals is brought to breathtaking life by award-winning, bestselling war reporter Damien Lewis. Award-winning, bestselling author Damien Lewis explores one of WWII's most remarkable Special Forces missions during the Normandy landings on D-Day—and the extraordinary hunt that followed to take down a cadre of fugitive SS and Gestapo war criminals. On the night of June 13th, 1944, a twelve-man SAS unit parachuted into occupied France. Their objective: hit German forces deep behind the lines, cutting the rail-tracks linking Central France to the northern coastline. In a country crawling with enemy troops, their mission was to prevent Hitler from rushing his Panzer divisions to the D-Day beaches and driving the Allied troops back into the sea. It was a Herculean task, but no risk was deemed too great to stop the Nazi assault. In daring to win it all, the SAS patrol were ultimately betrayed, captured, and tortured by the Gestapo before facing execution in a dark French woodland on Hitler's personal orders. Miraculously, two of the condemned men managed to escape, triggering one of the most-secretive Nazi-hunting operations ever, as the SAS vowed to track down every one of the war criminals who had murdered their brothers in arms . . . all with Churchill's covert backing. With Nazi Germany's lightning seizure of much of Western Europe, British Prime Minister Winston Churchill had called for the formation of specially trained troops of the “hunter class.” Their purpose was to incite a reign of terror across enemy-occupied Europe. Churchill's warriors were to shatter all known rules of warfare, taking the fight to the enemy with no holds barred. In doing so, the Special Air Service would be tested as never before during the pivotal D-Day landings, and the quest for vengeance that followed. Breathtaking and exhaustively researched, Churchill's *Band of Brothers* is based upon a raft of new and unseen material provided by the families of those who were there. It reveals the untold story of one of the most daring missions of WWII, that not only had ramifications for the war itself, but led to the most extraordinary and gripping of aftermaths.

****THE INTERNATIONAL BESTSELLER**** The book that inspired Steven Spielberg's acclaimed TV series, produced by Tom Hanks and starring Damian Lewis. In *Band of Brothers*, Stephen E. Ambrose pays tribute to the men of Easy Company, a crack rifle company in the US Army. From their rigorous training in Georgia in 1942 to the dangerous parachute landings on D-Day and their triumphant capture of Hitler's 'Eagle's Nest' in Berchtesgaden. Ambrose tells the story of this remarkable company. Repeatedly sent on the toughest missions, these brave men fought, went hungry, froze and died in the service of their country. A tale of heroic adventures and soul-shattering confrontations, *Band of Brothers* brings back to life, as only Stephen E. Ambrose can, the profound ties of brotherhood forged in the barracks and on the battlefields. 'History boldly told and elegantly written . . . Gripping' *Wall Street Journal* 'Ambrose proves once again he is a masterful historian . . . spellbinding' *People* Through soldiers' journals and letters, describes Easy Company's contributions to the campaigns in western Europe and recounts their stories of survival.

The story of two inseparable friends and soldiers portrayed in the HBO miniseries *Band of Brothers*. William "Wild Bill" Guarnere and Edward "Babe" Heffron were among the first paratroopers of the U.S. Army--members of an elite unit of the 101st Airborne D

Examines the lives of the pilots, bombardiers, navigators, and gunners chosen by the Air Force to embark on the most dangerous missions during World War II.

THE "MUST-READ" BOOK THAT INSPIRED THE EXTRAORDINARY DOCUMENTARY FOR PUBLIC TELEVISION After the *Band of Brothers* went home, they never forgot the lessons of war . . . After chronicling the personal stories of the *Band of Brothers* in *We Who Are Alive and Remain*, author Marcus Brotherton presents a collection of remembrances from the families of the soldiers of Easy Company—and how their wartime experiences shaped their lives off the battlefield. *A Company of Heroes* is an intimate, revealing portrait of the lives of the men who fought for our freedom during some of the darkest days the world has ever known—men who returned home with a newfound wisdom and honor that they passed onto their families, and that continue to inspire new generations of Americans. *Jake Powers, Official E/506th Historian

The popular historian shares his views of his own life and on the history of America, in a series of reflections on the Founding Fathers, Native Americans, Theodore Roosevelt, World War II, civil rights, Vietnam, and the writing of history.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A chronicle of World War II from D-Day to the war's end

From Marcus Brotherton, co-author of *Call of Duty*, comes a new collection of untold stories from the Band of Brothers. They were the men of the now-legendary Easy Company. After almost two years of hard training, they parachuted into Normandy on D-Day and, later, Operation Market Garden. They fought their way through Belgium, France, and Germany, survived overwhelming odds, liberated concentration camps, and drank a victory toast in April 1945 at Hitler's hideout in the Alps. Here, revealed for the first time, are stories of war, sacrifice, and courage as experienced by one of the most revered combat units in military history. In *We Who Are Alive and Remain*, twenty men who were there and are alive today—and the families of three deceased others—recount the horrors and the victories, the bonds they made, the tears and blood they shed...and the brothers they lost.

Recounts the initial airborne mission that paved the way for the Normandy landings, detailing the mission's preparations, hand-to-hand fighting, heroics, and importance

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Band of Brothers: E Company, 506th Regiment, 101st Airborne from Normandy to Hitler's Eagle's Nest." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

#1 NEW YORK TIMES BESTSELLER From the YouTube superstars and creators of *Good Mythical Morning* comes the ultimate guide to living a "Mythical" life, featuring stories and photos from their lifelong friendship, as well as awesomely illustrated guides, charts, and activities aimed at laughing more, learning more, and never taking yourself too seriously. Thanks for reading this description. You're obviously a curious person, which means you've already taken your first step towards achieving Mythicality. Lucky for you, opening this book is even more rewarding than reading about it online. Within its pages, you'll discover twenty ways to fill your life with curiosity, creativity, and tomfoolery, including *Eat Something That Scares You*, *Make a Bold Hair Choice*, *Say "I Love You" Like It's Never Been Said*, and more. Along the way, you'll also find: • Embarrassing stories and photos we'll probably regret sharing • Character Building: The Board Game • An important message from the year 2075 • A quiz to help you determine if you should get a dog • A eulogy you can read at any funeral • Grownup merit badges to earn • Contributions from Mythical Beasts, and much more If you decide to read this book, be warned—there is a high likelihood of increased Mythicality in your life, which means you may soon find yourself laughing more, learning more, and not taking yourself too seriously. This mentality has been known to spread easily to friends and loved ones.

Easy Company of the 506th Parachute Infantry Regiment, 101st Airborne was one of many cohesive units which served with distinction during World War II. This book will immerse students in the stories of ordinary men who courageously volunteered to join the elite paratroopers.

Paratrooper David Kenyon Webster jumped into the chaos of occupied Europe on D-Day, fighting his way through Holland and finally capturing Hitler's Eagle's Nest. He was the only member of Easy Company to write down his experiences as soon as he came home from war. Webster records with visceral and sometimes brutal detail what it is like to take a bullet in the leg, to fight pitched battles capturing enemy towns, and to endure long periods of boredom punctuated by sudden moments of terror. But most of all, Parachute Infantry shows how a group of comrades entered the furnace of war and came out brothers.

The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

"Tells the tales left untold by Stephen Ambrose, whose *Band of Brothers* was the inspiration for the HBO miniseries...laced with Winters's soldierly exaltations of pride in his comrades' bravery."—*Publishers Weekly* They were called Easy Company—but their mission was never easy. Immortalized as the Band of Brothers, they suffered 150% casualties while liberating Europe—an unparalleled record of bravery under fire. Winner of the Distinguished Service Cross, Dick Winters was their legendary commander. This is his story—told in his own words for the first time. On D-Day, Winters assumed leadership of the Band of Brothers when its commander was killed and led them through the Battle of the Bulge and into Germany—by which time each member had been wounded. Based on Winters's wartime diary, *Beyond Band of Brothers* also includes his comrades' untold stories. Virtually none of this material appeared in Stephen Ambrose's *Band of Brothers*. Neither a protest against nor a glamorization of war, this is a moving memoir by the man who earned the love and respect of the men of Easy Company—and who

is a hero to new generations worldwide. Includes photos

“Intense . . . anyone familiar with the Band of Brothers story will want to read this book” (Military Review). Easy Company of the 506th Parachute Infantry Regiment of the 101st Airborne Division has become one of the most famous small units in US history. But fewer people are aware of Fox Company of that same regiment—the men who fought alongside Easy Company through every step of the war in Europe, and who had their own stories to tell. WWII vet Bill Brown decided to research the fate of a childhood friend who had served in Fox Company. Along the way, he met Terry Poyser, who was on a similar mission to research the combat death of a Fox Company man from his hometown. Together, the two authors proceeded to locate and interview every surviving Fox Company vet they could find. The ultimate result was this book, a decade in the making, offering a wealth of fascinating firsthand accounts of WWII combat as well as new perspectives on Dick Winters and others of the “Band.” Told primarily through the words of participants, Fighting Fox Company takes us through some of the most horrific close-in fighting of the war, beginning with the chaotic nocturnal paratrooper drop on D-Day. After fighting through Normandy, the drop into Holland saw prolonged, ferocious combat and even more casualties; and then during the Battle of the Bulge, Fox Company took its place in line at Bastogne during one of the most heroic against-all-odds stands in US history. As always in combat, each man’s experience is different, and the nature of the German enemy is seen here in its equally various aspects. From ruthless SS fighters to meek Volkssturm to simply expert modern fighters, the Screaming Eagles encountered the full gamut of the Wehrmacht. The work is also accompanied by rare photos and useful appendices, including rosters and lists of casualties, to give the full look at Fox Company that has long been overdue.

In this account of an unprecedented feat of engineering, vision, and courage, Stephen E. Ambrose offers a historical successor to his universally acclaimed *Undaunted Courage*, which recounted the explorations of the West by Lewis and Clark. *Nothing Like It in the World* is the story of the men who built the transcontinental railroad -- the investors who risked their businesses and money; the enlightened politicians who understood its importance; the engineers and surveyors who risked, and lost, their lives; and the Irish and Chinese immigrants, the defeated Confederate soldiers, and the other laborers who did the backbreaking and dangerous work on the tracks. The Union had won the Civil War and slavery had been abolished, but Abraham Lincoln, who was an early and constant champion of railroads, would not live to see the great achievement. In Ambrose's hands, this enterprise, with its huge expenditure of brainpower, muscle, and sweat, comes to life. The U.S. government pitted two companies -- the Union Pacific and the Central Pacific Railroads -- against each other in a race for funding, encouraging speed over caution. Locomotives, rails, and spikes were shipped from the East through Panama or around South America to the West or lugged across the country to the Plains. This was the last great building project to be done mostly by hand: excavating dirt, cutting through ridges, filling gorges, blasting tunnels through mountains. At its peak, the workforce -- primarily Chinese on the Central Pacific, Irish on the Union Pacific -- approached the size of Civil War armies, with as many as fifteen thousand workers on each line. The Union Pacific was led by Thomas "Doc" Durant, Oakes Ames, and Oliver Ames, with Grenville Dodge -- America's greatest railroad builder -- as chief engineer. The Central Pacific was led by California's "Big Four": Leland Stanford, Collis Huntington, Charles Crocker, and Mark Hopkins. The surveyors, the men who picked the route, were latter-day Lewis and Clark types who led the way through the wilderness, living off buffalo, deer, elk, and antelope. In building a railroad, there is only one decisive spot -- the end of the track. Nothing like this great work had been seen in the world when the last spike, a golden one, was driven in at Promontory Summit, Utah, in 1869, as the Central Pacific and the Union Pacific tracks were joined. Ambrose writes with power and eloquence about the brave men -- the famous and the unheralded, ordinary men doing the extraordinary -- who accomplished the spectacular feat that made the continent into a nation.

In the early morning hours of June 6, 1944, a small detachment of British airborne troops stormed the German defense forces and paved the way for the Allied invasion of Europe. Pegasus Bridge was the first engagement of D-Day, the turning point of World War II. This gripping account of it by acclaimed author Stephen Ambrose brings to life a daring mission so crucial that, had it been unsuccessful, the entire Normandy invasion might have failed. Ambrose traces each step of the preparations over many months to the minute-by-minute excitement of the hand-to-hand confrontations on the bridge. This is a story of heroism and cowardice, kindness and brutality -- the stuff of all great adventures. A look at the men of E Company of World War II, this gripping book describes how they parachuted into France early D-Day morning, parachuted into Holland in the Arnhem campaign, and captured Hitler's Bavarian outpost.
