Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then has a familiar spirit. Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits...to be defiled by them: I am the Lord your God." Lev. 19:31

- What we know about demons from history, Scripture, and Church teaching
- How to tell whether personal problems come from mental illnesses or demonic attacks

The Hour of Revival is a time of crisis and few go through it without deception by the enemy. Bluntly, the Revival Hour is the occasion for evil spirits to fool the most spiritual believers into becoming deceived & possessed by evil spirits in their outer being through unwittingly accepting Satan's counterfeits. The aftermath of the Revival in Wales, which was a true work of God, revealed many 'honest souls' swept off their feet by evil supernatural powers, which weren't discerned as not being the true working of God. This is a glimpse into the mixed 'manifestations' which have come upon the Church, as almost without exception, in every land where revival has broken forth, within a very brief period of time the counterfeit stream has mingled with the true; and almost without exception, true and false have been accepted together. Evil spirit possession has followed, and checked every similar revival throughout the centuries since Pentecost and these things must now be understood, and dealt with, if the Church is to advance to maturity.

how to receive and minister deliverance.

PRAISE is a powerful weapon in deliverance and spiritual warfare. As you praise the Lord, things begin to happen in the unseen realm. In the Old Testament, the people of God didn't have the name of Jesus as a weapon, but they did have praise. When Saul was troubled by an evil spirit, the only thing they knew to help him was to call David. What happened when David began to play on his harp and sing praise to his God? The evil spirit departed from King Saul. You can see why praise was so important to those Old Testament saints. You can see why they developed such a lifestyle of praise. We are told to resist the devil and make him flee, and praise is an often overlooked and underused weapon to accomplish this. I want you to understand what your praise does in the spirit realm. A demon cannot exist in that atmosphere - he simply cannot function. Evil spirits have tormented us enough; through praise we get to turn the tables and torment them
