

## Delta Rescue A Mackenzie Family Novella

Cash is alive. But who knows how bad he's hurt. There was an explosion, and he won't wake up. It's the phone call the any Titan wife dreads, and the one that brings Nicola Garrison to her knees in tears. Crying and praying for Cash to wake up, she has one secret to tell him and now it might be too late. "I'm pregnant. You're going to be a daddy." Practicing the words a million times didn't matter if he wasn't coming home from his job. In her rush to save him, she lets down her guard. One slip. One tiny mistake. That is all it takes to let years of protecting her identity fall apart. Her time in witness protection, then at the CIA is called into question by someone who has the power to end her life—and the baby she's carrying. As the game of shadows and spooks, mobsters and goons comes back to hunt Nicola, survival takes on new meaning—protecting her baby, her husband, and her life—forcing her to make a choice that would kill her anyway in the end.

"Being one of the good guys is not my thing." Bianca Sutherland isn't at an exclusive Eyes-Wide-Shut style orgy for the orgasms. She's there because the only clue to her friend's disappearance is a photo of a painting hanging somewhere in Bisu Manor. Determined to find her missing friend when no one else will, she expects trouble when she cons her way into the party—but not in the form of a so-hot-he-turns-your-panties-to-ash former boxer. Taz Hazard's only concern is looking out for himself and he has no intention of changing his ways until he finds sexy-as-sin Bianca at the most notorious mansion in Ft. Worth. Now, he's tangled up in a missing person case tied into a powerful new drug about to flood the streets, if they can't find a way to stop it before its too late. Taking on a drug cartel isn't safe, but when passion ignites between them Taz and Bianca discover their hearts aren't bulletproof either.

She'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. GARRISON'S CREED Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a sniper's rifle, he has questions she can't answer. Why was she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. WESTIN'S CHASE Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for helping Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. Jared must risk his life to save her--the woman whose bravado and surprising sweetness has given him the one thing he never had. Love.

From Liliana Hart's New York Times bestselling MacKenzie family comes a new story by New York Times bestselling author Christopher Rice... Danny Patterson isn't a teenager anymore. He's the newest and youngest sheriff's deputy in Surrender, Montana. A chance encounter with his former schoolteacher on the eve of the biggest snowstorm to hit Surrender in years shows him that some schoolboy crushes never fade. Sometimes they mature into grown-up desire. It's been years since Eliza Brightwell set foot in Surrender. So why is she back now? And why does she seem like she's running from something? Outside of Titan Group, there are few people that Roman Hart would die for. He's a soldier, a protector, and he's haunted that one of the people he should've been able to protect didn't let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields, until one woman—one challenge—drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job partying with the rich and famous. It's a plush CIA cover, but she wants more. Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one

another, behind closed doors, and on the job. The only way they're making it out alive is if they find peace while waging a war. Elena Nayal has worked for MacKenzie Security for years. Quiet and unassuming, she stays in the shadows of the world's most elite clandestine agency. "I can't shake the feeling that somebody's watching me." One second Ella Leighton's life was normal—the next, not so much. A social media maven who made her living saving sea turtles, the decision to join a reality TV show was a good one for the cause. But for her... the adjustment wasn't easy. And then her stalker crossed the line, triggering the demand for security. Bishop O'Kane didn't expect to come face-to-face with his ex-girlfriend when Titan sent him on bodyguard duty. The woman he once loved, the same one he walked away from years ago, was now his responsibility. Opposites in every way, they couldn't be more different, but maybe they had never needed each other more. With the FBI falling short in their investigation, the Titan team must rally around the woman with millions of followers, protecting her from her own as Bishop and Ella forge a path of second chances and forgiveness, unburying the past in order to survive. Eva Gray has a secret. Eight years ago, her sister entered the Brothers of Sin Motorcycle Club and never came back. Seven years ago, she vowed revenge, even if she had to change everything about her life to do it—her look, her name, her face. Now she's stalking the Brothers and looking for weakness. She's close to achieving her goal, so close she can taste it. But a prominent federal judge is now in ICU, and Eva's the only one who can prove the club hired the hit. Jake Ryan was once a Brother, but he got his life together when a judge gave him a choice: prison or the military. He took the military and he's never looked back. Now, as a member of the lethal Hostile Operations Team, he's accustomed to working on the side of justice. So when Declan MacKenzie comes to Washington DC and asks him to infiltrate his old gang to protect a witness and get evidence, he doesn't hesitate to do his duty. But little does he suspect that Eva Gray is a girl he once knew or that she's on a mission of her own. A mission that could see them both dead before they're through. When the warrior meets the vengeful virgin, nothing and no one is safe...

CHAPTER SAMPLER of three bestselling military romance novels (WINTERS HEAT,

GARRISON'S CREED, WESTIN'S CHASE) and two bestselling novellas (GAMBLED and CHASED). The sampler includes the first few chapters of each book. It's an easy way to see if you like the series before you buy it. WINTERS HEAT After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. Uninterested in his white knight act, she'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret—he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. GARRISON'S CREED Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a sniper's rifle, he has questions she can't answer. Why was she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. They fight old wounds and re-ignite sparks while closing in on a double agent. When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. WESTIN'S CHASE Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for helping Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Distance and danger do nothing to change her feelings. When she's left on the side of a mountain to die, an unexpected ally comes forward, and might open her heart. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. When she becomes a pawn in a game of collateral damage, Jared must risk his life to save her—the woman whose bravado and surprising sweetness has given him the one thing he never had. Love. GAMBLED Brock Gamble's epic fall from the Titan Group labeled him a traitor, then his wife walks out the door. Can the couple survive if the only chance of redemption is a fall further into a world of guns and kidnappings? CHASED Jenny Chase and Asher McIntyre: can two hearts on opposite career paths survive while Asher's enemy seeks to take them out?

Seven is an enigma. A motorcycle club princess. The daughter of a notorious gangster. The best friend of the deputy mayor. A coffee shop owner. The single mom of two young, adopted children. She's colorful, in every way possible—from her attitude to her piercings and bright pink hair—and she's a woman on a mission with the power to help broker a clean break between a powerful motorcycle club and a South American drug cartel. But not all players are ready for the game to change, including the ones she can't see like the CIA. Jax Michaelson has a bad attitude and a good shot. The former Navy SEAL has been on Titan's problem list for running his mouth since the day he showed up for work, but he does a hell of a job, and they'd never let him go. Call him cocky, that's fine, because then you'd have to admit he's the best at anything and everything—except diplomacy. When Titan is forced into the seedy drug world filled with cartel glitz and Harley-riding MCs, Seven and her family become an unexpected bargaining chip right after she and Jax find a way to stand each other—in bed. Will friends become lovers? Or are they too far gone to be opposites that attract? Is Jax nothing but a bad boy who leaves her hoping for a military hero when the burden of living as Mayhem royalty backfires and her children disappear.

Running away was an easy escape until Brock shows up on her doorstep offering a trip to paradise and a promise to fix their marriage. Before the couple can search for answers, Brock is pulled back into the very world that Sarah is so scared

Secrets and Satin #4 - Sins and Scarlet Lace #5 - Sizzle #6 - Crave #7 - Scorch

When the past is impossible to ignore, love may be the only way to survive.

Caterina Cruz has no home. No loyalties. No objection to exacting torturous revenge. Her life's mission is to destroy the terrorist who murdered her family.

Then she steps into an elaborate game of charades alongside a Titan Group

operative posing as an arms dealer--and her newlywed husband. The sexy distraction may be more than she can handle. Attacked with a psychedelic drug

weeks before, Rocco Savage is plagued with hallucinations that threaten his new rank as Titan's second-in-command. No one knows and he wants to keep it that

way. Throwing him further off his game, he now has a wife with her own secrets he can't crack and an agenda he can't control. Their mission--an elaborate

deception of heated glances and passionate kisses--spins out of control. With

Rocco's mind already compromised, can he keep his secret and his distance?

And with Caterina's tragic past controlling her every move, can she keep the con up long enough to secure her revenge? Or will both go down in flames?
