The Unbelievable True Story of a Vietnamese Refugee Who Not Only Made the United States Her Home, But Learned the True Value of Hope, Love, and Religion Along the Way The soles of Nhi Aronheim's feet still bear the scars of her escape from Vietnam—trudging through the jungles of Cambodia as a twelve-year-old with a group of strangers seeking the land of opportunity: America. Her quest for survival through the Cambodian jungle eventually led her to a boat that took her to Thailand and an orphanage where Nhi lived for two years until she qualified for refugee status in the United States. Years later, she returned to Vietnam with a film producer to reunite with the family she never thought she'd see again. A second trip to Vietnam brought her two mothers, birth and adopted, face to face. Yet Soles of a Survivor isn't just another inspirational survival story. It's about the lessons Nhi learned about humanity, diversity, and unconditional love since arriving in the United States. She now has a deeper appreciation for the parallels between the Jewish and Vietnamese cultures, and others. After she met her Jewish beau, they got married. She eventually converted to Judaism, though the process was challenging for an Asian woman adopted into a Christian household. Her story shows it matters less what religion we're part of, as long as we radiate goodness to those we meet. Now she relishes being a Vietnamese Jew. Having come full circle from prosperity to poverty and back, Nhi hopes to encourage others to believe that in spite of overwhelming odds, all things are possible if one has an intense desire, focused energy, and the audacity to grasp presented opportunities.

"An insightful and . . . amusing look at the inner workings of pro football" (The New York Times) from the bestselling author of Word Freak In Word Freak, Stefan Fatsis invaded the insular world of competitive Scrabble players, ultimately achieving an expert-level ranking. Now, in his new book, he infiltrates a strikingly different subculture-pro football. After more than a year of preparation, Fatsis molded his fortyish body into one that could stand up-barely-to the rigors of NFL training. And for three months he became a placekicker for the Denver Broncos. Making the most of unprecedented access to an NFL team and its players, and drawing on his own personal experience, Fatsis with wry candor and hard-won empathy unveils the mind of the modern pro athlete and the workings of a storied sports franchise as no writer has before.

"Chris Diamond's career spanned the ski industry's seminal events. This is his candid, behind-the-scenes account of the good times and bad.--cover

Political satire as deeper truth: Donald Trump's presidential memoir, as recorded by two world-renowned Trump scholars, and experts on greatness generally "I have the best words, beautiful words, as everybody has been talking and talking about for a long time. Also? The best sentences and, what do you call them, paragraphs. My previous books were great and sold extremely, unbelievably well--even the ones by dishonest, disgusting so-called journalists. But those writers didn't understand Trump, because quite frankly they were major losers. People say if you want it done right you have to do it yourself, even when 'it' is a 'memoir.' So every word of this book was written by me, using a special advanced word processing system during the many, many nights I've been forced to stay alone in the White House--only me, just me, trust me, nobody helped. And it's all 100% true, so true--people are already saying it may be the truest book ever published. Enjoy." Until Donald Trump publishes the ultimate account of his

entire four or eight or one-and-a-half years in the White House, the definitive chronicle will be *You Can't Spell America Without Me: The Really Tremendous Inside Story of My Fantastic First Year As President*. Trump was elected because he was the most frank presidential candidate in history, a man eager to tell the unvarnished truth about others' flaws and tout his own amazing excellence. Now he levels his refreshingly compulsive, un-PC candor at his landslide election victory as well as his role as commander-in-chief and leader of the free world. There are intimate, powerful, mind-boggling revelations on every page. You are there with him during his private encounters with world leaders, a few of whom he does not insult. You are there at the genius Oval Office strategy sessions with his advisers. You are there in his White House bedroom as he crafts the pre-dawn Twitter pronouncements that rock the world. And, of course, you are there on the golf course as Trump attempts to manage the burdens of his office. President Trump explains each of the historic decisions that have already made America great again, and how he always triumphs over the fake news media. You'll learn what he really thinks of his cabinet members and top aides not related to him, of the First Lady and the First Daughter and the additional three or four Trump children. Included at no extra charge is a lavish and exclusive portfolio of spectacular, historic and intimate color photographs of President Trump in private – inside the White House, inside Mar-a-Lago, at Trump Tower, and more. *You Can't Spell America Without Me* is presented by America's foremost Trump scholar Kurt Andersen as well as America's foremost mediocre Trump impersonator, Alec Baldwin. *You Can't Spell America Without Me* is the perfect holiday gift!

Navajo Textiles provides a nuanced account the Navajo weavings in the Crane Collection at the Denver Museum of Nature & Science—one of the largest collections of Navajo textiles in the world. Bringing together the work of anthropologists and indigenous artists, the book explores the Navajo rug trade in the mid-nineteenth century and changes in the Navajo textile market while highlighting the museum's important, though still relatively unknown, collection of Navajo textiles. In this unique collaboration among anthropologists, museums, and Navajo weavers, the authors provide a narrative of the acquisition of the Crane Collection and a history of Navajo weaving. Personal reflections and insights from foremost Navajo weavers D. Y. Begay and Lynda Teller Pete are also featured, and more than one hundred stunning full-color photographs of the textiles in the collection are accompanied by technical information about the materials and techniques used in their creation. An introduction by Ann Lane Hedlund documents the growing collaboration between Navajo weavers and museums in Navajo textile research. The legacy of Navajo weaving is complex and intertwined with the history of the Diné themselves. *Navajo Textiles* makes the history and practice of Navajo weaving accessible to an audience of scholars and laypeople both within and outside the Diné community.

The 1950s and 60s was a golden age for professional football. It was perhaps the toughest and roughest era for the sport, before rules were created to better protect the players, but it was also a time when legends were born. To many football fans this era remains the Glory Years of the NFL, when the stars that roamed the gridiron included the likes of Johnny Unitas, Bart Starr, Jim Brown, and Raymond Berry. In *Remembering the Stars of the NFL Glory Years: An Inside Look at the Golden Age of Football*, Wayne Stewart tells the story of professional football in the '50s and '60s

through the words of the players themselves. Chapters cover Hall of Famers on both sides of the ball, players who made a lasting impression on the game, and the toughest players on the gridiron. Stewart intertwines profiles of these iconic players with the athletes' own memories, observations, and anecdotes, including their impressions of teammates and opponents. Two additional chapters consist of humorous quotes and the players' thoughts on how the game has changed since their heyday. Featuring exclusive interviews with players from the 1950s and '60s, Remembering the Stars of the NFL Glory Years provides an inside look at this distinct time in professional football. With a wide range of topics and insights included throughout, this book will both entertain and inform football fans and historians alike.

Over the course of eleven decades, The Denver Dry Goods and its predecessor, McNamara Dry Goods, proudly served Coloradoans, who knew they could "shop with confidence" for the best quality at the fairest prices. Much more than the goods it sold, the store was a major institution that touched the lives of nearly every Denverite. Comforting culinary traditions like Chicken ala King in the vast fifth-floor tearoom and breakfast with Santa delighted locals. Festive chandeliers adorned the four-hundred-foot-long main aisle during the holidays, and longtime salesclerks knew customers by name. Devoted patrons dearly missed all that charm after the doors closed in 1987. Mark Barnhouse explores the fascinating history and cherished memories of Denver's most beloved department store.

The unauthorized biography of John Elway, Hall of Fame Quarterback, two-time Super Bowl Champion, now President of Football Operations and General Manager of the Denver Broncos. John Elway's historic moments are known by two-word phrases. He was at the center of the wildest play in college football history, simply known as "The Play." Before he signed a pro contract, there was "The Trade." His NFL career included "The Drive" and "The Fumble," and, of course, "The Helicopter," one of the most iconic highlights in Super Bowl lore. There are so many memorable comeback victories and heroic plays that people have to make lists rather than consider Elway in the context of any singular event. Yet Elway's story is filled with one challenge after another. At Stanford, he never played in a Bowl game. He was ripped for being petulant after refusing to sign with the Baltimore Colts when he was drafted No. 1 overall, and later for his failure to get along with coach Dan Reeves. Over the first 10 years of his career, Elway led Denver to three Super Bowls, but lost in progressively worse fashion each time. Finally, after fifteen years of perseverance, Elway led the Broncos to back-to-back championships, including the biggest upset in Super Bowl history. Elway won the MVP award in his final Super Bowl and then walked away from the game. Within four years, Elway's father and twin sister both died, and he went through a difficult divorce. Reeling in his post-retirement, he returned to football . . . at the bottom, running the Colorado Crush of the Arena Football League. He waited more than a decade to return to his beloved Broncos. While many people doubted him initially, Elway navigated the Broncos through massive changes and to victory in Super Bowl 50, making Elway the rare Hall of Famer to win a title both on and off the field. Elway has put his passion for competition on display in a way that only a handful of other NFL greats have ever done, and Elway is the most complete look at one of the most accomplished legends in the history of American sports.

Meet Tim Tebow: He grew up playing every sport imaginable, but football was his true

passion. Even from an early age, Tim has always had the drive to be the best player and person that he could be. Through his hard work and determination, he established himself as one of the greatest quarterbacks in the history of college football and as a top prospect in the NFL. Now, in *Through My Eyes: A Quarterback's Journey*, he shares the behind-the-scenes details of his life, on and off the football field. Tim writes about his life as he chooses to live it, revealing how his Christian faith, his family values, and his relentless will to succeed have molded him into the person and the athlete he is today.

An astonishing memoir of redemption—the moving story of a former top NBA player who miraculously rebounded from a monumental fall thanks to hard work and his deep, transformative faith. Sixteen years ago, Vin Baker was an NBA All-Star, an Olympic Gold medalist, and a multimillionaire. While he excelled on the court, Vin harbored a dark secret: a dependency on drugs and alcohol that began after the clean-cut preacher's son turned pro. Eventually becoming a full-blown yet functional alcoholic, Vin convinced himself he played better under the influence—until his addiction cost him his basketball career, his fortune, and his health. But Vin's story isn't a tragic fall from grace. It is a joyous tale of salvation. For Vin, hitting rock bottom was a difficult yet transformative experience that led him to renew his relationship with God and embrace life in a rich and fulfilling new way. Today the manager of a Starbucks and a youth minister, Vin has found more security and happiness in his ordinary working life than in all his years in the glamorous world of professional basketball. *God and Starbucks* is a wise and unflinching look at the real dangers of addiction and the importance of taking charge of your life with meaning and purpose. It's a powerful memoir about reaching the top and beginning again from the bottom—an inspiring personal tale of humility and grace that reminds us what is truly important in our lives.

Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. *SON OF BUM* is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family."—Peyton Manning In his memoir *Son of Bum*, decorated NFL coach Wade Phillips shows that the roots of his knowledge come from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't bitching," as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. *Son of Bum* is more than one man's memoir—it's a story of family and football and a father who inspired his son.

Traces the lives of twenty-two immigrant teens throughout the course of a year at Denver's South High School who attended a specially created English Language Acquisition class and who were helped to adapt through strategic introductions to American culture.

Bright, clean, and hip recipes to enchant vegans, vegetarians, and omnivores alike, from plant-based haven Café Gratitude. Before it was a fixture on the L.A. dining scene and a magnet for celebrity diners, Café Gratitude was founded in the Bay Area with the simple ethos that joy derives from loving and being grateful for food, health, and good company. The dishes are named to double as affirmations of self. "I Am Fearless," "I Am Humble," and "I Am Open-Hearted" nod to the restaurant's core belief that food is just as much about spirit as it is about appetite. Since then, the café has evolved quite a bit. It's changed locations, expanded, and been the backdrop for more paparazzi shots than one can count. But the founding principles have remained the same, and the food continues to celebrate the flavors of plants with organic, from-scratch, and healthful ingredients free of animal products, processed soy, and, in almost all cases, refined sweeteners. Now, with *Love is Served*, Seizan Dreux Ellis, executive chef at Café Gratitude, brings Gratitude-quality meals to your table and the soul and mission of the restaurant to your home. Indulge in café favorites "I Am Awakening" (Raw Key Lime Pie) and "I Am Passionate" (Black Lava Cake) while cooking up hearty, nourishing dishes like Grilled Polenta with Mushroom Ragout ("I Am Warm-Hearted") and Radicchio, Roasted Butternut Squash, and Sundried Tomato Pesto Grain Salad ("I Am Gracious"). With unfussy methods and easy-to-access ingredients, this cookbook makes the wholesome satisfaction of the restaurant as accessible as ever for the home cook as it charms and inspires readers to change the way they look at food.

New York Times bestseller *Who are you when life is steady? Who are you when storms come?* Most of us have been on the receiving end of rejection, a broken dream, or heartbreak. And while this is not an easy space to go through, when we are grounded in the truth, we can endure the tough times. In this powerful book, Heisman Trophy winner Tim Tebow passionately shares glimpses of his journey staying grounded in the face of disappointment, criticism, and intense media scrutiny. Following an exceptional college football career with the Florida Gators and a promising playoff run with the Denver Broncos, Tebow was traded to the New York Jets. He was released after one season. In *Shaken*, named the 2017 Christian Book of the Year, Tebow talks about what he's learned along the way, building confidence in his identity in God, not the world. This moving book also features practical wisdom from Scripture and insights gained from others who have impacted Tebow in life-changing ways. Though traveling hard roads is not easy, it's always worth it *Your Circumstances do not Define You, Your Identity Does*. What do you do when life takes an unplanned detour? When the unexpected happens? When doubt or negativity tries to rise above your faith? Most of us can relate to these questions. Through a dynamic lens of story and insight, Heisman trophy winner Tim Tebow tells what he's learned during the highs and the lows of his journey in the NFL. *Shaken* also features practical wisdom from the pages of Scripture and moving narratives of individuals--from celebrities to cancer patients--who have impacted Tebow's life. Their inspiring stories will encourage you also to tackle fear, overcome bitterness, and take on the obstacles life throws at you.

what is bound to be a much-discussed book among the team's broad fan base. Kings & Queens in Their Castles has been called the most ambitious photo series ever conducted of the LGBTQ experience in the U.S. Over a span of 15 years, Atwood photographed more than 350 subjects at home nationwide (with over 160 in the book), including nearly 100 celebrities (with about 60 in the book). With individuals from 30 states, Atwood offers a window into the lives and homes of some of America's most intriguing and eccentric personalities. Among those depicted are Meredith Baxter, Alan Cumming, Don Lemon, John Waters, George Takei, Alison Bechdel, Barney Frank, Don Bachardy, Billy Porter, Ari Shapiro, Arthur Tress, Michael Urie, Greg Louganis, Tommy Tune, Jonathan Adler and Terrence McNally. Modern day tableaux vivants, the images portray whimsical, intimate moments of daily life that shift between the pictorial and the theatrical. Rich in beauty and clarity, these personal landscapes are both a witness and a celebration

Everybody knows your typical dragon breathes fire. But when Crispin tries to breathe fire on his seventh birthday, fire doesn't come out—only whipped cream! Each time Crispin tries to breathe fire, he ends up with Band-Aids marshmallows teddy bears? Crispin wonders if he'll ever find his inner fire. But when a family emergency breaks out, it takes a little dragon with not-so-typical abilities to save the day. With wry humor and whimsical illustrations, Not Your Typical Dragon is the perfect story for any child who can't help feeling a little bit different.

A fascinating and unprecedented ethnography of animal sanctuaries in the United States In the past three decades, animal rights advocates have established everything from elephant sanctuaries in Africa to shelters that rehabilitate animals used in medical testing, to homes for farmed animals, abandoned pets, and entertainment animals that have outlived their "usefulness." Saving Animals is the first major ethnography to focus on the ethical issues animating the establishment of such places, where animals who have been mistreated or destined for slaughter are allowed to live out their lives simply being animals. Based on fieldwork at animal rescue facilities across the United States, Elan Abrell asks what "saving," "caring for," and "sanctuary" actually mean. He considers sanctuaries as laboratories where caregivers conceive and implement new models of caring for and relating to animals. He explores the ethical decision making around sanctuary efforts to unmake property-based human–animal relations by creating spaces in which humans interact with animals as autonomous subjects. Saving Animals illustrates how caregivers and animals respond by cocreating new human–animal ecologies adapted to the material and social conditions of the Anthropocene. Bridging anthropology with animal studies and political philosophy, Saving Animals asks us to imagine less harmful modes of existence in a troubled world where both animals and humans seek sanctuary.

Surviving a pandemic disease that has killed everyone he knows, a pilot establishes a shelter in an abandoned airport hangar before hearing a random radio transmission that compels him to risk his life to seek out other survivors. A first novel by the author of The Whale Warriors. Reprint.

Super Bowl champion and literacy crusader Malcolm Mitchell presents the story of a magician who reveals an awe-inspiring treasure from his bag of tricks -- books that make every kid's dream come true! This is not your typical afternoon at the library -- a magician invites kids to reach into his hat to pull out whatever they find when they dig down deep. Soon -- poof! -- each child comes away with something better than they could've imagined -- a book that helps them become whatever they want to be, and makes their dreams come true through pages and words, and the adventures that follow. But each child can't help but wonder, What's really making the magic happen? "Malcolm Mitchell is changing the world through the power of reading." -- Dav Pilkey, bestselling creator of the Dog Man and Captain Underpants series "The Magician's Hat will cast its spell on you!" -- Jeff Kinney, bestselling author of the Diary of a Wimpy Kid series

A critique of the self-help movement assesses the pervasive damage that it has done to every aspect of American society, explaining how the notion of victimization has blurred the concept of personal responsibility and right and wrong, and how the idea of empowerment teaches that the belief that we can do something is more important than developing the skills to accomplish the task. Reprint. 20,000 first printing.

The second novel by Don DeLillo, author of *White Noise* (winner of the National Book Award) and *The Silence At Logos College in West Texas*, huge young men, vacuum-packed into shoulder pads and shiny helmets, play football with intense passion. During an uncharacteristic winning season, the perplexed and distracted running back Gary Harkness has periodic fits of nuclear glee; he is fueled and shielded by his fear of and fascination with nuclear conflict. Among oddly afflicted and recognizable players, the terminologies of football and nuclear war--the language of end zones--become interchangeable, and their meaning deteriorates as the collegiate year runs its course. In this triumphantly funny, deeply searching novel, Don DeLillo explores the metaphor of football as war with rich, original zeal.

From a multiple New York Times best-selling author, the rollicking, outrageous story of the United States Football League, a bona fide professional sports phenomenon full of larger-than-life characters and you-can't-make-this-up stories featuring some of the biggest celebrities and buffoons in the game.

On the football field, Sean Taylor was feared by opposing teams. Off the field, he was loved by those who knew him best, as well as his many fans. Tragically, Sean was killed in a home invasion gone wrong. However, "Going Full Speed, the Sean Taylor Stories" is not just about being at the wrong place at the wrong time. It's Sean's father, Pedro "Pete" Taylor's recollection of raising, training, then losing his superstar son. But Sean Taylor was no saint. And in the words of his father, he wants to give readers "the good, the bad and the ugly." Sean Taylor touched many lives. In "Going Full Speed" you'll be touched by stories from family, friends, teammates, coaches, and the owner of the Washington Redskins and more. Thirty-three people in all share their favorite personal stories of the fallen superstar. You'll "hear" from names such as University of Miami coaches Larry Coker, Curtis Johnson, Don Soldinger and teammates Buck Ortega and Jon Vilma. From the Washington Redskins, coaches Gregg Williams and Steve Jackson, teammates Santana Moss, Clinton Portis, Renaldo Wynn and team owner Daniel Snyder share their favorite anecdotes. Some stories are hilarious, some

heartwarming, and some are heartbreaking. So you may want to read this book with a box of tissues close by. Highlights of the book include: - revelations, Sean stories never before told; - life lessons, talks that would serve Sean -- or frankly anyone -- well in life; and, - training tips, things Pete Taylor taught Sean in order to get his body and mind ready for school and competition. This book is a must have for football fans, Sean's fans, student athletes, and parents of athletes.

"This book will be one of the most, if not the most, pivotal leadership books you'll ever read." - Andy Stanley "If you're ready to lead right where you are, this book can show you how to start." - Dave Ramsey "Read this book! The marketplace is full of leadership messages, but this one is a stand out." - Louie Giglio Are you letting your lack of authority paralyze you? One of the greatest myths of leadership is that you must be in charge in order to lead. Great leaders don't buy it. Great leaders lead with or without the authority and learn to unleash their influence wherever they are. With practical wisdom and humor, Clay Scroggins will help you nurture your vision and cultivate influence, even when you lack authority in your organization. And he will free you to become the great leader you want to be so you can make a difference right where you are. Even when you're not in charge. X

During his nearly 50 years of sportswriting, including 28 at Sports Illustrated, readers of Dr. Z came to expect a certain alchemical, trademark blend: words which were caustic and wry, at times self-deprecating or even puzzling, but always devilishly smart with arresting honesty. In 2008, Zimmerman had nearly completed work on his personal memoirs when a series of strokes left him largely unable to speak, read, or write. Compiled and edited by longtime SI colleague Peter King, these are the stories he still wants to see told. Dr. Z's memoir is a rich package of personalities, stories never shared about such characters as Vince Lombardi, Walter Payton, Lawrence Taylor, Joe Namath, Johnny Unitas, Donald Trump, Rupert Murdoch, and Hunter S. Thompson. No Barriers is about my journey since coming down from Mt. Everest in 2001, and the path to where I am today. It is the story of my own life, the personal and professional struggles in the pursuit of growth, learning, and family, as well as a dream to kayak one of the world's great rivers as a blind athlete. It is also about the many people I've encountered along the way who possess what I call a "No Barriers" mindset, who live a No Barriers life. It highlights these pioneers who give those around them the courage to do great things. People who have risked failure, transcended their personal barriers, and shown others a way forward: scientists and innovators, artists and musicians, climbers and adventurers, activists and soldiers. No Barriers is a way of living, and it exists in all of us, like a deep internal light. But sometimes through trauma, loss, isolation, and disillusionment, people get shoved into a dark place, and that light is almost extinguished. Making hard choices is what feeds that light, and becomes the energy we need to propel us forward. This book is about making the hard choices to fuel that flickering light, so that we can ignite with purpose and become our very best selves.

Tired of the sporadic and outdated food holidays that were quietly celebrated each year—most of which were created by food companies to market their products—blogger John-Bryan Hopkins decided to revamp food celebrations and spice them up with his own favorite foods. Creating a food holiday for every day of the year, Hopkins launched Foodimentary.com, which became an immediate overnight success with Google

adopting his bespoke calendar. With thousands of fans across multiple platforms, Foodimentary.com is the number-one go-to resource cited by numerous magazines, newspapers, and websites to definitively know which food is being celebrated and when. Mixing Hopkins' online success with fun food facts, forgotten histories, and classic recipes, while folding in scrumptious illustrations and rare photographs, Foodimentary is a festive jubilee of America's culinary roots and inventions, from today's more recent novelties, such as Ranch Dressing Day (celebrated on March 10), to popular dishes of yesteryear such as National Thermidor Day (celebrated on January 24). Whether enjoyed à la carte or consumed in one sitting, get ready to be swept into a twelve-month course created exclusively by Foodimentary.com!

From the former executive director of the Pro Football Hall of Fame comes a sweeping and lively history of the National Football League, timed to coincide with the NFL's 100th anniversary season. "I can think of no one better qualified—or more enthusiastic—to chronicle the National Football League's century-long history than Joe Horrigan."—Marv Levy, Hall of Fame NFL coach The NFL has come a long way from its founding in Canton, Ohio, in 1920. In the hundred years since that fateful day, football has become America's most popular and lucrative professional sport. The former scrappy upstart league that struggled to stay afloat has survived a host of challenges—the Great Depression and World War II, controversies and scandals, battles over labor rights and competition from rival leagues—to produce American icons like Vince Lombardi, Joe Montana, and Tom Brady. It is an extraordinary and entertaining history that could be told only by Joe Horrigan, former executive director of the Pro Football Hall of Fame and perhaps the greatest living historian of the NFL, by drawing upon decades of NFL archives. Compelling, eye-opening, and authoritative, NFL Century is a must-read for NFL fans and anyone who loves the game of football.

Advance praise for NFL Century "Joe Horrigan takes the reader on a delightful tour of the seminal moments of the NFL in the past one hundred years—the players, owners, coaches, executives, and historical events that made the game of football the most popular in America. It's a wonderful walk down memory lane for any football fan, young or old."—Michael Lombardi, author of Gridiron Genius "There is no one—and I mean no one—who knows more about the history of the NFL than Joe Horrigan, the heart and soul of the Pro Football Hall of Fame. As the gold standard of sports leagues celebrates its one hundredth season, it's appropriate that the gold standard of sports historians has written NFL Century, an entertaining and educational journey."—Gary Myers, New York Times bestselling author of Brady vs Manning

Chuck Pagano, head coach of the Indianapolis Colts, has become one of the most inspiring, intriguing personalities in the game of football. Only three games into his rookie season in 2012, Pagano was diagnosed with leukemia, sidelined by the side effects chemotherapy and months of recovery. Undeterred, Pagano didn't let the confines of his hospital bed keep him from coaching: texts, calls, and emails kept him in constant contact with players, staff, and assistants. Motivated to be just as strong and determined as their ailing coach the team started winning game after game, compiling an impressive 11-5 record. The players weren't the only ones touched by Pagano's hope and strength of character. Inspired by the tenacity and toughness of their beloved coach, a newcomer to town, thousands of fans united to form Chuckstrong, a movement that soon raised millions to help beat cancer. Pagano, fueled by his faith, his

family, and his love of football, returned to lead the Colts to another winning season and the divisional playoffs in 2013. With Pagano's practical lessons on living, loving, and leading, *Sidelined*, which includes an 8-page color photo section, inspires us all to stay in the game and never accept defeat.

A NEW YORK TIMES BESTSELLER • The enthralling true story of the rise and reign of O-Six, the celebrated Yellowstone wolf, and the people who loved or feared her. Before men ruled the earth, there were wolves. Once abundant in North America, these majestic creatures were hunted to near extinction in the lower 48 states by the 1920s. But in recent decades, conservationists have brought wolves back to the Rockies, igniting a battle over the very soul of the West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, O-Six, a charismatic alpha female named for the year of her birth. Uncommonly powerful, with gray fur and faint black ovals around each eye, O-Six is a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. She is beloved by wolf watchers, particularly renowned naturalist Rick McIntyre, and becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is challenged on all fronts: by hunters, who compete with wolves for the elk they both prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who are vying for control of the park's stunningly beautiful Lamar Valley. These forces collide in *American Wolf*, a riveting multigenerational saga of hardship and triumph that tells a larger story about the ongoing cultural clash in the West—between those fighting for a vanishing way of life and those committed to restoring one of the country's most iconic landscapes.

Case Keenum has traveled one of the most unique paths in the NFL. Recruited by just one college, undrafted, and released three times, Case has overcome every obstacle to become a successful starting quarterback. In 2017, Keenum captured America's imagination by leading the Minnesota Vikings to a 13-3 record and an NFC North title. His game-winning touchdown in the final seconds of their divisional playoff game against the Saints, the "Minneapolis Miracle," made Case part of NFL history. Keenum shares stories from every stage of his life, starting out as a ball boy for his father's college team in West Texas, going on to win a state title in high school, and rewriting the NCAA record book at the University of Houston. A devastating knee injury almost derailed his football career, but helped him get closer to the woman who would soon become his wife. Throughout his story, Case will explain how being a Christian helped him navigate the winding path to success. No matter what obstacle has been placed in front of him, Case believes God has a plan for him. That's why he plays football and that's why he's writing this book: To glorify God and to help others who face adversity in their everyday life. "Am I a football player who happens to be a Christian?" Case writes, "No, I'm a Christian who happens to be a football player. That's my calling. That's my defining characteristic. Once I realized that, everything else fell into place. I became a better football player and, more importantly, a better person."

In the tradition of Rich Cohen's *Sweet and Low* and Sean Wilsey's *Oh the Glory of it All*, a memoir of a city, an industry, and a dynasty in decline, and the story of a young artist's struggle to find her way out of the ruins. Frances Stroh's earliest memories are ones of great privilege: shopping trips to London and New York, lunches served by black-tied waiters at the Regency Hotel, and a house filled with precious antiques,

which she was forbidden to touch. Established in Detroit in 1850, by 1984 the Stroh Brewing Company had become the largest private beer fortune in America and a brand emblematic of the American dream itself; while Stroh was coming of age, the Stroh family fortune was estimated to be worth \$700 million. But behind the beautiful façade lay a crumbling foundation. Detroit's economy collapsed with the retreat of the automotive industry to the suburbs and abroad and likewise the Stroh family found their wealth and legacy disappearing. As their fortune dissolved in little over a decade, the family was torn apart internally by divorce and one family member's drug bust; disagreements over the management of the business; and disputes over the remaining money they possessed. Even as they turned against one another, looking for a scapegoat on whom to blame the unraveling of their family, they could not anticipate that even far greater tragedy lay in store. Featuring beautiful evocative photos throughout, Stroh's memoir is elegantly spare in structure and mercilessly clear-eyed in its self-appraisal—at once a universally relatable family drama and a great American story.

Traces the Denver Bronco's 1997-1998 season culminating in their victory over the Green Bay Packers in Superbowl XXXII.

Asserting that the 1977 AFC champion Denver Broncos were the tipping point for the transformation of Denver, Colorado from cowtown to today's sports and entertainment mecca, author Terry Frei provides an intimate look at the team and the city it brought together at a time of great change. Along with profiles of legendary players, Frei describes Denver's evolving politics and culture in the late 1970s as the Broncos make their way to their first Super Bowl.

"This book details the experiences of 18-year-old Frank Davis, a native of Mebane, North Carolina, who joined Civilian Conservation Corps. Davis was assigned to work in the mountains of western North Carolina building trails"--Provided by publisher.
