(Music Sales America). The handy and compact layout of this convenient chord book allows you to quickly and easily find the chord you are looking for. Its layout of the almost innumerable harmonic variations of each piano chord, as well as the great reference system for substitutions and related chords, makes this book invaluable for any pianist looking to expand their harmonic horizons. It is not only a reference guide, though. The lengthy introduction explores what jazz harmony is, how chord variations and voicings contribute to it, and how knowing them can enhance your playing incomparably. With sections for chords built from every root note, divided into major, minor, dominant, diminished and augmented, this book is not comprehensive but is as close to that as you can get. The infinite different ways of voicing each chord are condensed into the most popular and musically interesting, so you'll be able to use The Jazz Piano Chord Book to help you improvise with other musicians in an inventive way, or just to comp with other players competently. Spiral bound.

Introduces jazz guitar techniques, providing exercises on chords, Blues patterns, and building around a melody.

Learn jazz guitar harmony in a logical, step-by-step way that is always focused on gig-ready applications. Harmony-melody relationship is explored in detail via "hands on" examples that start with simple voicings over common chord changes (ii-V-I, I-vi-ii-V and others) and moves on to comping over well-known jazz standards and blues. The standards are fully notated with beautiful and lush passing chords in the style of the great guitarists. Finally, learn about the basics of jazz harmony.

One of America's top jazz guitar educators and authors, and a respected jazz chord-melody performer, Jody Fisher clarifies and simplifies the art of creating an arrangement and improvising as a solo guitarist. In his easy-to-understand and enjoyable style, this master of solo guitar teaches all of theory, technique, and arranging skills you need to start a lifelong journey as a solo guitarist. As the author says, "Becoming a solo guitarist is an ongoing learning experience that will reward you with a highly personal form of expression. As a solo guitarist, you will be completely self-reliant; your skills will free you from dependency on anyone else. Also, these skills will transfer directly to group playing, so you can't really lose." Jody Fisher's Jazz Guitar Chord/Melody Course is a must-have for any serious jazz guitarist.
