

Drink Cultura Chicanismo

An Aztec princess describes the Spanish conquest of Mexico. She is Huitzitzlin, 82, of the court of Montezuma and she tells her tale to a priest so history will know who the Aztecs really were. By the author of The Memories of Ana Calderon.

"Creating Aztlân interrogates the important role of Aztlân in Chicano and Indigenous art and culture. Using the idea that lowriding is an Indigenous way of being, author Dylan A. T. Miner (Mâetis) discusses the multiple roles that Aztlân has played at various moments in time, engaging pre-colonial indigenities, alongside colonial, modern, and contemporary Xicano responses to colonization"--

Presents the Chicano experience of living within, between, and sometimes outside two cultures, exploring the damnation, salvation, and celebration of it all.

Gathers stories about a writer visiting Mexico, an hermaphrodite, conversations at the barbershop, a woman's exhibitionist son, a girl's search for her natural father, and a series of suicide attempts

The author of Drink Cultura gathered this generous bilingual compilation of Latino folk sayings--dichos. Arranged by theme, these dichos express Latino wit and wisdom about subjects from Ability, Adversity, and Advice to Work, Writing, and Youth. José Antonio Burciaga was born in El Paso and taught at Stanford. His previous books include Drink Cultura: Chicanismo, Spilling the Beans: Lotería Chicano , and Undocumented Love . He was a Literature winner of the Hispanic Heritage Awards. He died in 1996 as this book was going to press. "José Antonio Burciaga has done it again! His book of Latino folk sayings is a mesmerizing goldmine of the wisdom and wit of a people who can laugh off any hardships. As a true poet, Burciaga has come out with real jewels. Some can make us laugh; others can make us cry; all come from the deepest realm of our collective soul and heart."--Francisco X. Alarcón "Our young people need to hear his voice and the older generation needs to remember the causes for our uproar."--Gary Soto

Anthropologist-historian James Diego Vigil distills an enormous amount of information to provide a perceptive ethnohistorical introduction to the Mexican-American experience in the United States. He uses brief, clear outlines of each stage of Mexican-American history, charting the culture change sequences in the Pre-Columbian, Spanish Colonial, Mexican Independence and Nationalism, and Anglo-American and Mexicanization periods. In a very understandable fashion, he analyzes events and the underlying conditions that affect them. Readers become fully engaged with the historical developments and the specific socioeconomic, sociocultural, and sociopsychological forces involved in the dynamics that shaped contemporary Chicano life. Considered a pioneering achievement when first published, From Indians to Chicanos continues to offer readers an informed and penetrating approach to the history of Chicano development. The richly illustrated Third Edition incorporates data from the latest literature. Moreover, a new chapter updates discussions of immigration, institutional discrimination, the Mexicanization of the Chicano population, and issues of gender, labor, and education.

Growing up on his parents' ranch in North San Diego County, Victor Villaseñor's teenage years were marked by a painful quest to find a place for himself in a world he did not fit into. Discriminated due to his Mexican heritage, Victor questions the tenets of his faith and the restrictions it places on his own spirituality and sexuality. Ultimately, his search for identity takes him to Mexico to learn of his family's roots, where he soon discovers that his heritage doesn't determine his intelligence or success. Through this often humorous and poignant tale, Victor deftly undermines the macho stereotype so often associated with Latinos, while exposing the tender vulnerability and naïveté of a young man grappling with the roles foisted on him by the church and society. Victor's youthful misadventures elicit sympathy, laughter, and tears as he attempts to divine the mysteries of the opposite sex in this powerful, revealing memoir. "The clarity that comes from Villaseñor's personal and cultural experience is not matched in any of Steinbeck's major works" (Los Angeles Times).

The author of Drink Cultura: Chicanismo presents nearly two dozen short pieces including essays on the Mambo dance of el Diablo, the 1943 Los Angeles Zoot Suit riots, NAFTA, and the defense of the jalapeno. Original. IP.

When one "Walks the Red Road, that person is living their life under the native worldview of the Americas, distinct from Christianity or any other religion, and an America where all natives from Alaska to Chile are members of the Red Nation. This book chronicles the practical and philosophical Chicano/Mexican version of this Red Road, as taught by a Mexica master via oral tradition. Also included are three Chicano theater identity plays and an appendix by a Mayan philosopher on the calendar wheel.

Rewriting the Chicano Movement is an insightful new history of the Chicano Movement that expands the meaning and understanding of this seminal historical period in Chicano history. The essays introduce new individuals and struggles previously omitted from Chicano Movement history.

"Francisco X. Alarcón's poetic response to the body of work by Catholic priest and historian Hernando Ruiz de Alarcón, in a special edition with poems translated in Spanish and Nahuatl"--Provided by publisher.

Features the writing of Sandra Cisneros, Oscar Hijuelos, Rudolfo Anaya, Julia Alvarez, and others

Recounts the history of a Chicano rights group in 1960s Denver

EL LIBRO COMPLEMENTARIO DE LA CONOCIDA SERIE DOCUMENTAL DE PBS Latino americanos relata la rica y variada historia de los Latinos que han contribuido a darle forma a nuestra nación, y quienes se han convertido --con más de 50 millones de personas-- en la minoría más numerosa de los Estados Unidos. Este complemento de la conocida miniserie de PBS relata, de manera vívida y franca, cómo la historia de los latinoamericanos es la historia de nuestro país. El aclamado periodista y autor Ray Suarez explora las vidas de hombres y mujeres latinoamericanos en un periodo de quinientos años, e incluye una gama épica de experiencias que abarca desde los primeros asentamientos europeos al Destino Manifiesto; del Salvaje Oeste a la Guerra Fría; de la Gran Depresión a la globalización; de la Guerra Hispano-Estadounidense al movimiento de los derechos civiles. Latino americanos comparte las luchas personales y los éxitos de inmigrantes, poetas, soldados y muchos otros: individuos que han causado un impacto en la historia y aquellos cuyas extraordinarias vidas iluminan la época en

que vivieron, así como el legado de estos sensacionales estadounidenses.

The creator of the popular Chicano Eats blog and winner of the Savor Best New Voice People's Choice Award takes us on a delicious tour through the diverse flavors and foods of Chicano cuisine—Mexican food with an immigrant sensibility that weaves seamlessly between Mexican and American genres and cultures. Esteban Castillo grew up in Santa Ana, California, where more than three-quarters of the population is Latino. Because Mexican food was the foundation of his childhood, he was surprised to see recipes for dishes on popular food blogs that were anything but the traditional meals he grew up eating. He was inspired to create the blog, Chicano Eats, to showcase his love for design, cooking, and culture and provide a space for authentic Latino voices, recipes, and stories to be heard. Building on his blog, Chicano Eats is a bicultural and bilingual cookbook that includes 85 traditional and fusion Mexican recipes as gorgeous to look at as they are sublime to eat. Chicano cuisine is Mexican food made by Chicanos (Mexican Americans) that has been shaped by the communities in the U.S. where they grew up. It is Mexican food that bisects borders and uses a group of traditional ingredients—chiles, beans, tortillas, corn, and tomatillos—and techniques while boldly incorporating many exciting new twists, local ingredients, and influences from other cultures and regions in the United States. Chicano Eats is packed with easy, flavorful recipes such as: Chicken con Chochoyotes (Chicken and Corn Masa Dumplings) Mac and Queso Fundido Birria (Beef Stew with a Guajillo Chile Broth) Toasted Coconut Horchata Chorizo-Spiced Squash Tacos Champurrado Chocolate Birthday Cake (Inspired by the Mexican drink made with milk and chocolate and thickened with corn masa) Cherry Lime Chia Agua Fresca Accompanied by more than 100 bright, modern photographs, Chicano Eats is a melting pot of delicious and nostalgic recipes, a literal blending of cultures through food that offer a taste of home for Latinos and introduces familiar flavors and ingredients in a completely different and original way for Americans of all ethnic heritages.

Widely considered one of the most important voices in the Chicano literary canon, José Antonio Burciaga was a pioneer who exposed inequities and cultural difficulties through humor, art, and deceptively simple prose. In this anthology and tribute, Mimi Gladstein and Daniel Chacón bring together dozens of remarkable examples of Burciaga's work. His work never demonstrates machismo or sexism, as he believed strongly that all Chicano voices are equally valuable. Best known for his books Weede Peepo, Drink Cultura, and Undocumented Love, Burciaga was also a poet, cartoonist, founding member of the comedy troupe Cultura Clash, and a talented muralist whose well-known work "The Last Supper of Chicano Heroes" became almost more famous than the man. This first and only collection of Burciaga's work features thirty-eight illustrations and incorporates previously unpublished essays and drawings, including selections from his manuscript "The Temple Gang," a memoir he was writing at the time of his death. In addition, Gladstein and Chacón address Burciaga's importance to Chicano letters. A joy to read, this rich compendium is an important contribution not only to Chicano literature but also to the preservation of the creative, spiritual, and political voice of a talented and passionate man. Shares the author's story of his brushes with the law and addictions to heroin and alcohol, tracing his complicated journey toward a recovery marked by a run for political office and his rise to an internationally respected gang interventionist.

Soundless Cries Don't Lead to Healing: A Critical Thinking Guide to Cultural Consciousness pushes the reader to be honest with who they are and how their personal experiences have shaped their perceptions of others. It is a resource for analyzing current events related to social justice, race, equity, and other provocative topics that one may find themselves in too much of a perplexed state of silence to discuss. It includes tools for self-reflection, inquiry, and engaging in productive discourse. These tools will prepare the reader to speak out on today's issues in an informed way, based on their own experiences, while still conveying an unbiased stance. With the artistic development of Siobhan Vicens, Soundless Cries Don't Lead to Healing has been designed to be used anywhere from the classroom to a coffee shop. This book is a first edition, in the style of a zine, completed and formatted by the hands and heart of the author.

Ultima, a curandera, one who cures with herbs and magic, comes to Antonio Marez's New Mexico family when he is six years old, and she helps him discover himself in the magical secrets of the pagan past.

Popol Vuh, the Quiché Mayan book of creation is not only the most important text in the native language of the Americas, it is also an extraordinary document of the human imagination. It begins with the deeds of Mayan Gods in the darkness of a primeval sea and ends with the radiant splendor of the Mayan Lords who founded the Quiché Kingdom in the Guatemalan highlands. Originally written in Mayan hieroglyphs, it was translated into the Roman alphabet in the 16th century. The new edition of Dennis Tedlock's unabridged, widely praised translation

includes new notes and commentary, newly translated passages, newly deciphered hieroglyphs, and over 40 new illustrations.

The stories and poems in my book tell of my life growing up in a small Mexican barrio, or neighborhood, in Modesto, California, during the 1940s, 1950s, and 1960s and how that led me on the incredible path my life would take in becoming an artist, writer, musician and a teacher.

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

The eight essays included in this volume examine the dominant narrative of Texas history and seek to establish a record that includes both Mexican men and women, groups whose voices have been notably absent from the history books. Finding documents that reflect the experiences of those outside of the mainstream culture is difficult, since historical archives tend to contain materials produced by the privileged and governing classes of society. The contributing scholars make a case for expanding the notion of archives to include alternative sources. By utilizing oral histories, Spanish-language writings and periodicals, folklore, photographs, and other personal materials, it becomes possible to recreate a history that includes a significant part of the state's population, the Mexican community that lived in the area long before its absorption into the United States. These articles primarily explore themes within the field of Chicano/a Studies. Divided into three sections, Creating Social Landscapes, Racialized Identities, and Unearthing Voices, the pieces cover issues as diverse as the Mexican-American Presbyterian community, the female voice in the history of the Texas borderlands, and Tejano roots on the Louisiana-Texas border in the 18th and 19th centuries. In their introduction, editors Monica Perales and Raúl A. Ramos write that the scholars, in their exploration of the state's history, go beyond the standard categories of immigration, assimilation, and the nation state. Instead, they forge new paths into historical territories by exploring gender and sexuality, migration, transnationalism, and globalization.

"An updated and expanded edition of Tatum's Chicano Popular Culture (2001), touching upon major developments in popular culture since the book's original publication"--Provided by publisher.

A Study Guide for Rodolfo "Corky" Gonzales's "I Am Joaquin", excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

From the white boy who transforms himself into a full-fledged Chicano, to the self-assured woman who effortlessly terrorizes her Anglo boss, to the junior-high friend who berated her "sloppy Spanish" and accused her of being a "Chicana Falsa," the people and places that Michele Serros brings to vivid life in this collection of poems and stories introduce a unique new viewpoint to the American literary landscape. Witty, tender, irreverent, and emotionally honest, her words speak to the painful and hilarious identity crises particular to the coming of age of an adolescent caught between two cultures.

Share the wintry wishes and dreams of Cinderella, Ariel, and all the Disney Princesses in this sweet step 2, Step into Reading. For the first time, the Princesses come together in a seasonal story that is bound to have young readers learning to read while making their very own winter wish!

In this new edition of a book that's been a go-to guide for young Latinas for years, award-winning journalist Sandra Guzman tackles the real-world complications facing Latinas today. With warmth, humor, and wisdom, The New Latina's Bible explores a wide range of issues, touching on everything from family to dating to the workplace. Guzman offers helpful tips on improving self-esteem, and provides simple, easy-to-follow women's health advice. New chapters take on important topics like sexual abuse, domestic violence, interracial relationships, and LGBTQ issues. In The New Latina's Bible, Guzman shows other Latinas that they are not alone in the day-to-day dilemmas that they encounter, and that understanding these challenges can strengthen and empower them as women. A must-read for any Latina who faces the trials of living, loving, and dreaming in two worlds—the old world of their mamá, tías, and abuelitas, and the new world in which they are immersed—this comprehensive book helps to bridge the gap between the dual realities that shape and define the nueva Latina.

"This is the first book solely dedicated to the history, development, and present-day flowering of Chicana and Chicano visual arts. It offers readers an opportunity to understand and appreciate Chicana/o art from its beginnings in the 1960s, its relationship to the Chicana/o Movement, and its leading artists, themes, current directions, and cultural impact." "The visual arts have both reflected and created Chicano culture in the United States. For college students - and for all readers who want to learn more about this subject - this book is an ideal introduction to an art movement with a social conscience." --Book Jacket.

A sweeping history of the Latino experience in the United States- thoroughly revised and updated. The first new edition in ten years of this important study of Latinos in U.S. history, Harvest of Empire spans five centuries-from the first New World colonies to the first decade of the new millennium. Latinos are now the largest minority group in the United States, and their impact on American popular culture-from food to entertainment to literature-is greater than ever. Featuring family portraits of real- life immigrant Latino pioneers, as well as accounts of the events and conditions that compelled them to leave their homelands, Harvest of Empire is required reading for anyone wishing to understand the history and legacy of this increasingly influential group.

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

As the heyday of the Chicano Movement of the late 1960s to early 70s fades further into history and as more and more of its important figures pass on, so too does knowledge of its significance. Thus, Chicano Movement For Beginners is an important attempt to stave off historical amnesia. It seeks to shed light on the multifaceted civil rights struggle known as "El Movimiento" that galvanized the Mexican American community, from laborers to student activists, giving them not only a political voice to combat prejudice and inequality, but also a new sense of cultural awareness and ethnic pride. Beyond commemorating the past, Chicano Movement For Beginners seeks to reaffirm the goals and spirit of the Chicano Movement for the simple reason that many of the critical issues Mexican American activists first brought to the nation's attention then—educational disadvantage, endemic poverty, political exclusion, and social bias—remain as pervasive as ever almost half a century later.
