Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder

case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

From Newbery Honor and National Book Award–winning author Polly Horvath is this magical middle-grade novel about a garden that grants wishes. It is World War II, and Franny and her parents, Sina and Old Tom, enjoy a quiet life on a farm on Vancouver Island. Franny writes, Sina sculpts, and Old Tom tends to their many gardens—including the ancient, mysterious night garden. Their peaceful life is interrupted when their neighbor, Crying Alice, begs Sina to watch her children while she goes to visit her husband at the military base because she suspects he's up to no good. Soon after the children move in, letters arrive from their father that suggest he's about to do something to change their lives; and appearances from a stubborn young cook, UFOs, hermits, and ghosts only make life stranger. Can the forbidden night garden that supposedly grants everyone one wish help them all out of trouble? And if so, at what cost? *The Night Garden* is a poignant and hilarious story from acclaimed children's author Polly Horvath.

banshee, nightmare, monster-I sleep deep and dreamless.
Until the day I'm rescued from the sea by a forbidden boy.
Until the night we break all the magical rules and the kiss that
changes...everything. Until the moment I realize Mother's the
one who's been spinning lies. Now I must choose-between
love and duty. Between life and something worth living for.
Between the boy who owns my heart and a legacy as wicked
as a witch's curse.
