Who has gone to the trouble of committing suicide? And could Flynn's beautiful companion be a spy? The hazy, murky world of counter espionage leaves no room for errors of judgement and Flynn knows he's finished if he makes one false move.

In the mode of her bestseller *A Natural History of the Senses*, Diane Ackerman celebrates the sensory pleasures of her garden through the seasons. Whether she is deadheading flowers or glorying in the profusion of roses, offering sugar water to a hummingbird or studying the slug, she welcomes the unexpected drama and extravagance as well as the sanctuary her garden offers. For years, the evangelical church and its members have debated whether the Bible should be interpreted literally or symbolically in regards to the age of the earth. In their groundbreaking new book, *In the Beginning . . . We Misunderstood*, authors Johnny V. Miller and John M. Soden say that all these arguments have missed the point. Rather, what Christians really need to know is how to interpret the Bible in its original context. Exposing the fallacies of trying to make the biblical text fit a specific scientific presupposition, Miller and Soden offer a new approach to interpreting Genesis 1 that explores the creation account based on how the original audience would have understood its teaching. First, the authors present a clear explanation of the past and present issues in interpreting the first chapter of the Bible. Second, Miller and Soden break down the creation account according to its historical and cultural context by comparing and distinguishing both the Egyptian and Mesopotamian settings. Finally, they explore common objections to help readers understand the significance that the creation account has for theology today. Christians need not look any further than Genesis 1 to find clues to its meaning. Both irenic and bathed in Scripture, *In the Beginning . . . We Misunderstood* will equip every believer to navigate the creation wars, armed with biblically sound explanations.

Jeanne-Marie Bouvier de la Motte-Guyon (commonly known as Madame Guyon) was a French mystic and one of the key advocates of Quietism. Quietism was considered heretical by the Roman Catholic Church, and she was imprisoned from 1695 to 1703 after publishing a book on the topic, 'A Short and Easy Method of Prayer.' Guyon believed that one should pray all the time, and that in whatever one does, one should be spending time with God.

*The Love Diary of a Zulu Boy* is by turns erotic, romantic, tragic and comic. Inspired by the real-life drama of a romance between a Zulu boy and an Englishwoman, the book consists of various interrelated short stories on interracial relationships in modern-day South Africa. A unique book for the South African market, *The Love Diary of a Zulu Boy* is written with an honesty rarely encountered in autobiographical writing.

With over a million copies sold, this classic work is essential reading for all who ask, "Where has my struggle led me?" A chance encounter with a reproduction of Rembrandt's *The Return of the Prodigal Son* catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell. As Nouwen reflects on Rembrandt's painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the parable: the younger son's return, the father's restoration of sonship, the elder son's resentfulness, and the father's compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God's beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

*Kasinomi* is a book as eclectic, mysterious and colourful as the places and people it explores. eKasi, the lokasie, the South African township, once an apartheid ghetto, is today an amazingly transformed place. This township today is an eclectic mix of mansions, shacks, spaza shops, rocking taverns, hawkers, taxis and hot wheels. In this kasi there are vibrant businesses, energetic people, a tightly networked social community and abundant hope. That is not to say there isn't extreme poverty, suffering and dissatisfaction, particularly on the peripheries in the huge shack settlements, but to paint the place as a slum is a massive mistake. *Kasinomi* attempts to cast a light on the invisible matrix at the heart of South Africa's informal economies and the people who live in them. Living and doing business in African marketplaces requires an ethos uniquely suited to the informal, to the invisible, to the intangible. *Kasinomi* will take you down those rural pathways, weave between claustrophobic mazes of shacks, browse a muti market, visit a spirit returning ceremony and save money with gogo in a stokvel among many more people and places. After almost twenty years of focusing on marketing to the informal sector, GG Alcock, CEO of specialist marketing company Minanawe, showcases a number of groundbreaking and very successful case studies in this invisible informal world. His vivid anecdotes and life experiences and how they link to understanding and inspiration for business ideas will make you gasp, laugh and shake your head in wonder.

A Xhosa prince reluctantly leaves the University College of Fort Hare and goes back to the land of his ancestors to take his place as king of the Mpondomise. The clash of his modern ideas and the traditional beliefs of his people mirrors the dash of the western way of life with African custom and tradition -- church-people versus traditionalists, school people versus 'red-ochre people', boarding school activities versus the inkundla or assembly at the royal place. The conclusion, that disaster can be averted only by the willingness of opposing forces to work together for mutual comprehension of the legitimate claims of tradition and modernity, gives a foretaste of the spirit that governed modern South Africa's political transformation. *Ingqumbo Yeminyanya -- The Wrath of the Ancestors --* is a classic of Xhosa literature. A C Jordan has a keen eye for detail, a delightful sense of humour and a dramatic style. Literal translations of Xhosa images, idioms and proverbs transport readers to the Tsolo district and conjure up the memorable speeches of the Mpondomise counsellors.
