Narcissus, an ascetic instructor at a cloister school, has devoted himself solely to scholarly and spiritual pursuits. One of his students is the sensual, restless Goldmund, who is immediately drawn to his teacher's fierce intellect and sense of discipline. When Narcissus persuades the young student that he is not meant for a life of self-denial, Goldmund sets off in pursuit of aesthetic and physical pleasures, a path that leads him to a final, unexpected reunion with Narcissus.

A fable for children and adults: a story of life, death, and terrorism—in the grand tradition of Exupe?ry's The Little Prince When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari's Lamberto, Lamberto, Lamberto has become one of Italy's most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that "there are things that only happen in fairytales."

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

A little blue spot and a little yellow spot are best friends, and when they hug each other they become green.

"The early settlers dubbed California The Golden State, and The Land of Milk and Honey. Today there are the obvious ironies -- sprawl, spaghetti junctions and skid row--but the place is not so easily distilled or visualized, either as a clichéd paradise or as its demise. There's a strange kind of harmony when it's all seen together--the sublime, the psychedelic, the self-destructive. Like all places, it's unpredictable and contradictory, but to greater extremes. Cultures and histories coexist, the beautiful sits next to the ugly, the redemptive next to the despairing, and all under a strange and singular light, as transcendent as it is harsh. The pictures in this book begin in the desert east of Los Angeles and move west through the city, ending at the Pacific. This general westward movement alludes to a thirst for water, as well as the original expansion of America, which was born in the East and which hungrily

drove itself West until reaching the Pacific, thereby fulfilling its "manifest" destiny." -- Publisher's description

The familiars Aldwyn the cat, Skyler the blue jay, and Gilbert the tree frog are off on an all-new adventure in the series that Michael Buckley, bestselling author of The Sisters Grimm and NERDS series, says "combines the magic of Harry Potter and the adventure of Warriors." With inventive magic, laugh-out-loud humor, and a mysterious conspiracy that will take all the familiars' wits to unravel, Palace of Dreams is the familiars' most extraordinary adventure yet. Peace has returned to the queendom of Vastia. Paksahara has been defeated, and the three familiars Aldwyn, Skyler, and Gilbert are the heroes to thank. Nelle vene di Pietro Landi scorre sangue e genuinità, quella stessa genuinità che ha riversato in questo libro; con gran semplicità, tra le pagine talvolta infarcite di malinconia, ci racconta aneddoti e pezzi della sua esistenza dipingendo, con le parole, scorci di maremma e momenti di vita comune. I brevi racconti, scivolano l'uno dopo l'altro rievocando i giorni trascorsi tra la campagna di Scansano e la città di Grosseto; non mancano il ricordo di parenti, amici e dei personaggi stravaganti che nel corso del tempo si sono fatti notare per la loro bizzarria e che certamente potranno suscitare un sorriso in chi avrà il piacere di sfogliare queste pagine.

In un posto sperduto, tra mare e montagna, sorgeva una deliziosa isoletta; l'isoletta di Lemuria, ormai da millenni e oltre dimenticata. Un'isoletta che nessuno aveva mai più avuto il coraggio di visitare anche e solo per una semplice vacanza al mare, a causa di leggende che, nel corso della sua storia, avevano terrorizzato uomini e donne. Qui ci abitava un bambino di nome Oscar con la sua famiglia e i suoi amici. Fra tutti Karin e suo fratello Leodor erano i suoi amichetti preferiti. Il piccolo Oscar passava la maggior parte del tempo con i suoi due amichetti e con la sua sorellina alla quale voleva un mondo di bene e dalla quale non si sarebbe staccato mai, Hea, una bambina di soli quattordici anni ma la più grande del gruppetto. Con questi condivideva sogni e desideri, giochi e passioni; andava alla ricerca di posti inesplorati. Molto distante da Lemuria sorgeva il vasto continente di Linde dove in una piccola cittadina, ad Aleran, abitava il piccolo Shingen, con la madre, Hania e il padre, Isak. Quando Isak decise di partire per Iyron, Shingen, aveva solo tre anni. Hania non poteva restare a Aleran; lì per lei e il suo piccolino non ci sarebbe stato futuro. Era solo una piccola cittadina dove, del resto, mancavano provviste di cibo e, inoltre, la partenza di Isak scatenò dissensi nella sua famiglia d'origine. Isak, quindi, decise di separare Shingen anche dai suoi nonni paterni, così, Hania, a malincuore, dovette seguirlo. Si incamminarono alla ricerca di un posto sicuro dove vivere e si fermarono a Talaum-

Brich. All'inizio fu dura. Non trovarono molti amici ma grazie a Runa, Hania, trovò finalmente ciò che cercava.

Aldwyn, a street-smart alley cat, pretended he had telekinetic powers so young wizard Jack would chose him as a familiar. Aldwyn then learned that he and two other familiars—Skylar the blue jay and Gilbert the tree frog—were destined to undertake a perilous quest to defeat Paksahara, an evil hare who'd been familiar to the queen. In Circle of Heroes, the third book of The Familiars series for middle-grade readers, Paksahara and her undead animal army control the Shifting Fortress. Aldwyn and his friends have to recapture it to return magic to the queendom of Vastia. Fans of The Guardians of Ga'hoole series and Erin Hunter's Warriors books will love the mix of humor, magic, and animal adventure story in Circle of Heroes by Adam Jay Epstein and Andrew Jacobson.

Antonio Lanzano è uno scrittore nel senso più puro del termine: è colui che scrive. Antonio racconta la sua storia, l'amore dei suoi cari e le difficoltà della loro umile quotidianità, scrive di come un terribile incidente sul lavoro gli abbia molto limitato la possibilità di camminare e di come una piccola radio ricetrasmittente e un sincero legame di amicizia gli abbiano salvato la vita, trascinandolo dalla sofferenza più buia in un turbinio di meravigliose emozioni. Antonio racconta la rabbia e la paura ma non è arrabbiato e non è più spaventato: la vita avanti e non tutto il dolore è un dolore inutile e, a ben vedere, anche lui ha potuto imparare qualcosa dalla sua esperienza. Quella di Antonio è una storia in cui la malinconia più profonda si mescola con una dolce tenerezza per riportare il lettore a quelle che sono le vere ricchezze di ogni giorno: la vita e l'amicizia.

What happens when cuisine blends with haute couture. Can you describe an item of clothing in terms of its flavor, its odor? Or the taste of a fabric, that desire which makes your mouth water? Sampling a dish of the latest creative cuisine, can you be surprised by its fanciful texture, enchanted by its masterly form? In short, can the language of the contemporary world, so accustomed to collusions, mixtures, contrasts and allusions, come up with new recipes that bring together two such apparently incompatible worlds as designer clothing and signature cuisine? Let's try to combine, for once, fashion and food in their most up-to-date interpretations. The collection of haute couture dishes invented by Matias Perdomo, one of the most inventive of the latest generation of chefs, holds a dialogue with the creations of a dozen contemporary designers. Ennio Capasa, Angela Missoni, Agatha Ruiz de la Prada, Dean and Dan Caten, Prada, Giorgio Armani, Anna Molinari, Donatella Versace, Marni, Dolce and Gabbana, and Antonio Marras have given Matias the cues for his unexpected creations.

Combines theme and genre analysis in a study of the Italian author, from her first literary writings in the 1930s to her novels in the 1990s.

Combining close textual readings with a broad theoretical perspective, *Gender, Narrative, and Dissonance in the Modern Italian Novel* is a study of the ways in which gender shapes the principal characters and narratives of seven important Italian novels of the nineteenth and twentieth centuries, from Alessandro Manzoni’s *I promessi sposi* (1827) to Elsa Morante’s *Aracoeli* (1982). Silvia Valisa’s innovative approach focuses on the tensions between the characters and the gender ideologies that surround them, and the ways in which this dissonance exposes the ideological and epistemological structures of the modern novel. A provocative account of the intersection between gender, narrative, and epistemology that draws on the work of Georg Lukács, Barbara Spackman, and Teresa de Lauretis, this volume offers an

intriguing new approach to investigating the nature of fiction.
