A practical guide to trading around the commitments of career and family. Making Money in Forex will help aspiring traders successfully enter this field while maintaining a job. With this book, author Ryan O'Keefe explains his own personal journey to becoming a trader and shows you how to follow a similar path. O'Keefe describes his approach to trading and reveals his bargain hunting trading style, which is designed to capitalize on market trends. Throughout the book, O'Keefe pays a great deal of attention to trading psychology, learning to read price instead of indicators, and emphasizes that.

Trading Forex like a Wall Street Bank for Beginners will be an incredible read for someone who is just starting out and is brand new to Forex. Trading Forex like a Wall Street Bank for Beginners tells you what NOT to do that causes new traders to lose money right away, the traits that make a winning day trader, a method that the market is based on and so much more. If you are brand new and just starting out in trading the information in this book will be some of the most important you read in your life. The beauty of the information in Trading Forex like a Wall Street Bank for Beginners is that it is given to you all in one place at one time. It would take someone who is new years to find out all of this information and put it all together enough to be able to trade and make money right away in the live markets. It is all right here for you so you can begin to make money right away. The method of trading in this book is actually how the markets work in real life in real time. Isn't that the type of method you would want to use for yourself to make an unlimited amount of money for yourself? If you want to get on the fast track to making money in the financial markets Trading Forex like a Wall Street Bank for Beginners can help you to do it. Everyone has to start somewhere when it comes to working in the financial markets and making money with money. There are zero shortcuts to getting to the

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

proficiency level of being able to make money with money consistently on a daily basis. Unfortunately, no one tells new traders in the beginning that most of the information they need is basic and is mostly common sense. Trading Forex like a Wall Street Bank for Beginners tells you what to study first that can make you money right away. There are a lot of pre-education and pre-trading decisions you will need to make before you spend any money on trading or capitalizing an account to trade live with. Trading Forex like a Wall Street Bank for Beginners delivers a set of basic tips to get the proper tools and resources needed to help give you the best information to make some of those hardest decisions.

50 Pips A Day Forex Strategy Start making consistent profits in the forex market. This is a very clear and simple to follow forex trading strategy to get you started achieving consistent profits day after day trading the forex market. It will make you 50 pips per day or more every day. It is ideal for beginner traders but it will give a great deal of help to more experienced traders that have not found a clear strategy to make profits consistently. Components Support and Resistance Candlesticks Moving Average Time frame - 4 hours chart It is easy to understand and to put in practice. It has very well defined entry, stop loss and exit levels. Apart from the strategy, this book also contains a very useful guide that teaches you how to construct a profitable forex trading system for yourself and how to avoid trading and money management mistakes. How to Build a Solid Trading System Are you new to forex trading or just started to trade on a live account but with not much success ? You need a solid forex trading system based on sound principles of the forex market, that has clear trading and money management rules. Do you have a forex trading system and you have been trading with it for a period of time but still you don't have the success you hoped for ? This can only mean that your trading

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

system does not take into account the basic trading rules and principles that any powerful forex trading system incorporates. This book teaches you how to construct your own powerful forex trading system, what are the most important forex trading tools that you must include in it, what not to include in your forex trading system, how to apply solid money management rules and equally important, how to avoid making trading mistakes that will cost you when you start to trade with your newly developed forex system.

Q: Ladies, Do YOU Have What It Takes To Become A Forex Diva? A: Yes, You Do. With this incredible new step-by-step guide, investing pro and TV personality Kiana Danial shows you exactly how to understand and take advantage of foreign currency trading. Years ago, the author discovered that women in Japan were making a fortune trading currencies on the foreign exchange (forex) market. These ladies were not investment professionals or financial wizards; they were ordinary individuals who simply learned how the online currency exchange market works--and mastered it. Now you can do the same. In fact, you're about to see just how easy it can be to trade on the largest and most liquid financial market in the world. Kiana Danial spent years studying the habits of investors and discovered that women frequently make smarter, wiser, and less-risky investment choices than their male counterparts. This is precisely why she founded InvestDiva.com--the woman's guide to smart, safe, and profitable trading. By tapping into women's intuitive knack for multitasking and risk management, the author demonstrates why a woman's natural skill sets make her uniquely equipped to reap the enormous rewards of this extremely lucrative field. Invest Diva will show you: How the global currency market works Why social, political, and cultural events shape trading The smartest short- and long-term strategies Best practices for navigating the economic calendar Plus, you'll

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

learn how to identify investment opportunities and spot trends using the five points of the Invest Diva Diamond: * Technical Analysis * Fundamental Analysis * Sentimental Analysis * Capital Analysis * Overall Analysis From her popular blog to her worldwide TV and web presence, Danial has become famous for making complex topics fun and easy to understand via simple, everyday analogies. With Invest Diva, she shows women everywhere the stress-free way to trade currencies--without ever leaving home. What the Boys of Wall Street don't want you to know . . . After years of studying the principles of the foreign currency exchange market, financial expert and financial correspondent Kiana Danial gets to the bottom of today's most curious investment phenomenon: Why are women suddenly making a fortune trading currencies? The answer is inside this book, along with a roadmap designed to show you how and why forex can work for you. "Kiana Danial breaks down a sophisticated foreign exchange market with memorable analogies that can help the most financially illiterate person understand and gain passion in following the markets the way Ms. Danial does." -- FAN YANG, CMT, CEO, FXTimes.com "A must-read if you're considering trading any market or need to know more about trading the forex market. Kiana is an experienced market analyst and a gifted communicator whose book confirms what a lot of men are coming to realize--that women have an edge in trading because they understand the value of analyzing and planning before they risk their time and money." -- JAY NORRIS, founder, Trading University, and author of Mastering the Currency Market and Mastering Trade Selection and Management Forex trading for beginners can be especially tough. This is mostly due to unrealistic expectations that are common among newcomers. What you need to know is that currency trading is by no means a get-rich-quick scheme. On this page, you will receive an introduction

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

to the Forex market, how it works, and key terminology, along with the benefits of trading different currencies.

Whether you're a full-time trader looking to make a living or a part-time trader looking to make some extra money, the foreign exchange (forex) market has what you desire--the potential to make sizeable profits and 24/7 accessibility. But to make it in today's forex market, you need more than a firm understanding of the tools and techniques of this discipline. You need the guidance of someone who has participated, and prevailed, in this type of fast-paced environment. Raghee Horner has successfully traded in the forex market for over a decade, and now, in *Thirty Days of Forex Trading*, she shares her experiences in this field by chronicling one full month of trading real money. First, Horner introduces you to the tools of the forex trade, and then she moves on to show you exactly what she does, day after day, to find potentially profitable opportunities in the forex market. Part instructional guide, part trading journal, *Thirty Days of Forex Trading* will show you--through Horner's firsthand examples--how to enter the forex market with confidence and exit with profits.

This is the book the author wished he had been able to find when he started trading the foreign exchange market. A clear, easy to follow, and complete blueprint on how to start trading the Forex profitably and while minimizing risks. Bypassing the hype present in today's multi-thousand dollar courses that over promise, under deliver, and have led many to frustration and loss of funds, this book takes you by the hand to guide you safely past the minefields. Forex Trading doesn't have to be complicated. All it takes is an understanding of how

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

the Forex Market works and its history, how to perform technical and fundamental analysis, and most important, equity and risk management. Where others give bits and pieces, this book holds nothing back. Every bit of information needed to get started and profit is provided. - History of the Forex Market - The Necessary Psychology a Trader HAS to have - How to set up charts - How to set up an account - Understanding Candlestick Patterns - Technical Analysis - Fundamental Analysis - Trading Strategies - Equity Management - Risk Control - Managing Open Trades - Budgeting for Profits - Avoiding Black Swans - What NOT to do - What to do after success - Recommended Reading There are companies charging thousands of dollars for half the information in this book. Read this book before spending your hard earned cash on such products. Start trading with that money instead. Access the companion website and the author for further tips and assistance. Use this book to successfully trade in the world's largest market, which trades in excess of \$5 trillion dollars every day, 24 hours day, except weekends. Understand what works and what doesn't work, in easy to understand language, without the need for a financial dictionary or any math skills more advanced than middle school math. Stop depending solely on a job or on temperamental clients. Trading the Forex Market requires no interaction with any other people in order to profit. Perfect for those looking for a second income

An accessible guide to trading the fast-moving foreign exchange market The foreign exchange market, or forex, was once dominated by global banks, hedge funds, and multinational corporations, but that has all changed with Internet technology and the advent of online forex brokers. Now, hundreds of thousands of traders and investors around the world can participate in this profitable field. Written by forex expert Kathy Lien, *The Little Book of Currency Trading* will show you how to effectively invest and trade in today's biggest market. Page by page, she describes the multitude of opportunities possible in the forex market, from short-term price swings to long-term trends, and details practical products that can help you achieve success, such as currency-based ETFs. Explains the forces that drive currencies and provides strategies to profit from them Reveals how you can use various currencies to reduce risk and take advantage of global trends Examines financial vehicles that can help you make money without having to monitor the market every day *The Little Book of Currency Trading* opens the world of currency trading and investing to anyone interested in entering this dynamic arena.

Can you answer the following two questions? * Why do currencies move in the manner that they do?* How can you make a profit off those movements?It's okay that you may have a partial answer or feel that you may be incorrect in your thoughts. You are a beginner in the forex market. You are trying to find a forex trading guide that will help answer your questions and turn your investment desires into profit. You should read

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

this book if:1. You have time to study the forex market conditions and learn about currency movements.2. You have the energy to keep up with your chosen investment strategy.3. You are able to turn your emotions off and realize that not all trades are profitable.4. You know there are no magic solutions and one-size-fits-all strategies.This book is going to teach you many concepts about forex trading, including three strategies you can employ, as well as the best choice strategy. The topics you will learn include:1. The definition of forex trading.2. The players and when to trade.3. What to trade.4. What pips are and the pip spread.5. Common mistakes.6. The fundamental strategy.7. The technical strategy.8. The best trading strategy.At the end of this book, you will know:* Your risk aversion.* How to enter and exit a trade position with less risk.* How to avoid the mistakes other beginners and some long term traders make. You owe it to yourself to understand the market, how it moves, why it moves, and who the players are, so you can make a profit most of the time. No one wins each time, but you can have a profit at the end of the year, with fewer losses if you take the suggestions in this book to heart. You have what it takes to be a forex trader. You do not need to fear what others say about the market being complicated and too risky because you are starting out right. You know that you need information before you jump in with your hard earned capital. Start now. Don't delay. You can be earning money within the month with forex (based on your learning rate). You can also take a year to learn the concepts, study the market, and start making money. No one is going to

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

shame you because you raced to finish the book or took your time. You will know when you are ready to invest and make a profit. Forex is waiting for you along with the piece of profit you can gain with the \$4 trillion traded each day in the market.

Let me get past all the technical stuff, and just say this... Our MISSION is to help the AVERAGE PERSON who's trading FOREX to make MASSIVE PROFITS using our system. We designed it to be EASY-TO-USE, so you know exactly when to trade for the biggest possible profits in the shortest possible time. And, because we give you a REAL STRATEGY that will help you make REAL PROFITS - and ONLY real profits - you won't make the mistakes like you would if you used some of the other systems out there. Plus, here's a little secret we'll let you in on... We're the ones who CREATED many of the Indicators and Alerts for some of your favorite traders, if you're following anyone. We're the "white label" guys who sell our systems to the big marketers. BUT...we've reserved our very BEST stuff for ourselves. AND NOW...we're making it available to you...in this book. It's your time to dominate the Markets with what is on these pages.

Solid Forex strategies for capturing profits in today's volatile markets How to Make a Living Trading Foreign Exchange puts the world of Forex at your fingertips. Author Courtney Smith begins with an introduction to the Forex market-what it is and how it works. He then delves into six moneymaking techniques for trading Forex, including his unique Rejection Rule that doubles the profit of basic channel breakout systems. In

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

addition to two specific methods for exiting positions at critical levels, Smith also discusses powerful risk management techniques and successful trading psychology strategies that will keep you one step ahead of the game. Reveals the secrets of the Forex market and how to create a lifetime of income trading it Offers advice on maximizing profits during the volatile swings that have increasingly become the norm Other titles by Smith: Option Strategies, Third Edition, Seasonal Charts For Futures Traders, Commodity Spreads, and Profits Through Seasonal Trading Make more from today's Forex market with How to Make a Living Trading Foreign Exchange.

Forex Made Simple is the essential guide for anyone who wants to make money trading foreign exchange, without all the fuss. You don't need to be a financial wizard or spend all day glued to a computer screen to trade forex profitably. Including the information you need to know (and nothing more), this book provides straightforward strategies anyone can use--no expensive broker required! Inside you'll find information on: currencies and economies types of forex markets retail forex dealers and market makers placing trades economic indicators and events that affect exchange rates money and risk management. If you're ready to take the plunge into the forex market and maximize your success without all the stress, this is the book for you.

The first plain-English introduction to foreign currency exchange trading--one of today's hottest profit opportunities. The foreign currency market is the largest financial market in the world, and foreign exchange trading is quickly becoming one of today's most high-profile, potentially lucrative markets. One problem is that books on the topic are complex, technically dense, and difficult for Forex novices to grasp. FOREX Made Easy is the first book to approach the topic in a detailed yet accessible style, gradually and deliberately moving from simple to complex in easy and natural language. Author James Dicks--founder of the popular trading software 4X Made Easy--draws upon his trading knowledge to give readers only the information they need, from setting up a workstation to trading electronically.

This Forex guidebook provides traders with: An easy-to-follow, six-step process for FOREX trading Methods for gaining an advantage using technical analysis Dozens of examples to illustrate key points

Trading forex is completely different from trading other markets. With low entry costs, 24-hour accessibility, global players and high degrees of leverage, there are enormous opportunities but also very real potential hazards along the way if you don't know what you're doing. Leverage can work both ways you control large positions, but small moves in your favor can mean big returns on your investment. For these reasons, forex trading deserves its own volume, devoted entirely to SFO (Stocks, Futures, Options) Magazine articles explaining the ins and outs of currency trading. Forex traders don't need to follow hundreds of stocks or commodities to get a flavor for the market just the movements of eight major currencies: the U.S. dollar, Japanese yen, European Union euro, British pound, Canadian dollar, Australian dollar, New Zealand dollar and Swiss franc. Trading a country's currency is like trading the outlook for the country, so it helps to have a bit of fundamental knowledge. But it's also a highly technical form of trading. This book helps you assess how to best synthesize your forex strategies to make the most of market movements. Learn from the top forex trading experts in the world. The key to trading currencies is figuring out what central banks will

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

do before they actually make their moves.

Your plain-English guide to currency trading *Currency Trading For Dummies* is a hands-on, user-friendly guide that explains how the foreign exchange (Forex) market works and how you can become a part of it. Currency trading has many benefits, but it also has fast-changing financial-trading avenues. Forex markets are always moving. So how do you keep up? With this new edition of *Currency Trading For Dummies*, you'll get the expert guidance you've come to know and expect from the trusted For Dummies brand—now updated with the latest information on the topic. Inside, you'll find an easy-to-follow introduction to the global/Forex market that explains its size, scope, and players; a look at the major economic drivers that influence currency values; and the lowdown on how to interpret data and events like a pro. Plus, you'll discover different types of trading styles and make a concrete strategy and game plan before you act on anything. Covers currency trading conventions and tools Provides an insider's look at key characteristics of successful currency traders Explains why it's important to be organized and prepared Offers guidance on trading pitfalls to avoid and risk management rules to live by Whether you're just getting started out in the foreign exchange market or an experienced trader looking to diversify your portfolio, *Currency Trading For Dummies* sets you up for trading success.

A leading educator makes Forex investing as easy as driving a car In The Forex Trading Manual, Javier Paz provides easy-to-understand examples of long- and short-term strategies, best practices for navigating the economic calendar, and applications for trading a variety of currencies. To make this complex subject simple, he draws analogies between the different steps of trading in this market to the steps of turning on and driving a car. You'll learn: Need-to-know facts about the Forex market Effective trading strategies Ways to build a coherent Trading Plan Everything you need to know about return on investment and risk Javier Paz founded formed FXBriefing, a boutique research firm serving institutional investors, corporate finance officials, and members of governments. In 2007, he launched ForexDatasource.com, which helps Forex traders make better choices. Paz is the creator of the FX Hound and mktNus fx technology, the broker dealer ranking methodology, and of forecasting models such as the Fundamental Market Value (FMV) of currencies.

A streamlined and highly effective approach to trading without indicators Most forex traders rely on technical analysis books written for stock, futures, and option traders. However, long before computers and calculators, traders were trading naked. Naked trading is the simplest (and oldest) trading method. It's simply trading without technical indicators, and that is exactly what this book is

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

about. Traders who use standard technical indicators focus on the indicators. Traders using naked trading techniques focus on the price chart. Naked trading is a simple and superior way to trade and is suited to those traders looking to quickly achieve expertise with a trading method. Offers a simpler way for traders to make effective decisions using the price chart Based on coauthor Walter Peters method of trading and managing money almost exclusively without indicators Coauthor Alexander Nekritin is the CEO and President of TradersChoiceFX, one of the largest Forex introducing brokers in the world Naked Forex teaches traders how to profit the simple naked way! The purpose of this book is to show you how to make money trading Forex. Thousands of people, all over the world, are trading Forex and making tons of money. Why not you? All you need to start trading Forex is a computer and an Internet connection. You can do it from the comfort of your home, in your spare time without leaving your day job. And you don't need a large sum of money to start, you can trade initially with a minimal sum, or better off, you can start practicing with a demo account without the need to deposit any money. Forex Trading is very simple and straightforward, we only deal with a pair of currencies, and it has quite a high profit potential. Forex allows even beginners the opportunity to succeed with financial trading. Actually people that have minimum

the currency market, Forex trading system, Forex for dummies, foreign currency trading.

"Backed by a comprehensive list of studies, this book is a brilliant contribution on the connections between exchange rates and economics."—Francesc Riverola, CEO and Founder of FXstreet.com "Adam Kritzer has been covering the forex market for years as a prominent but accessible industry expert. In a market sector full of pitfalls for the novice, this book will help many new traders avoid costly mistakes and get started on the path to success."—Andy Hagens, Co-founder of ETF Database "Adam Kritzer is not only one of my favorite forex writers but also one of the best ... This book will likely become required reading for those getting into the forex market."—Zachary Storella, Founder of CountingPips.com Forex for Beginners: A Comprehensive Guide to Profiting from the Global Currency Markets is a guide for those who want to earn extra income trading currencies without committing large amounts of time or money. This book will introduce global investors to the basics of forex (foreign exchange) trading and provide them with a solid framework for analyzing currencies and profiting from their fluctuations. Topics covered include the forces that cause exchange rates to fluctuate, an overview of the mechanics of trading, analytical and forecasting tools, how to profit from pricing trends, and common pitfalls that often

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

ensnare traders. While most books make grandiose promises of instant success and large profits, *Forex for Beginners* represents an alternative approach to investing in forex. The forex market is dominated by institutional capital and algorithmic trading, making it unrealistic to think that day traders can beat the market by relying on charts and technical indicators alone. Thus, the emphasis here is on fundamental analysis—using economic concepts to spot currency misalignments—and staking out positions to profit from them over a period of weeks and months. If you're eager to tap into the world's largest financial market on a part-time basis, this is the book for you. You will gain an understanding of how currency markets work and use this knowledge to generate income.

The foreign-exchange market is often referred to as the Slaughterhouse where novice traders go to get 'chopped up'. It is one of egos and money, where millions of dollars are won and lost every day and phones are routinely thrown across hectic trading desks. This palpable excitement has led to the explosion of the retail FX market, which has unfortunately spawned a new breed of authors and gurus more than happy to provide misleading and often downright fraudulent information by promising traders riches while making forex trading 'easy'. Well I'll let you in on a little secret: there is nothing easy about trading currencies. If you

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

don't believe me then stop by Warren Buffet's office and ask him how he could lose \$850m betting on the dollar or ask George Soros why his short yen bets cost him \$600m not once but twice in 1994. What's wrong with these guys, don't they read FX books? In reality, the average client's trading approach combined with the unscrupulous practices of some brokers make spot FX trading more akin to the games found on the Vegas strip than to anything seen on Wall St. The FX market is littered with the remains of day traders and genius 'systems,' and to survive in the long-run traders have to realize that they are playing a game where the cards are clearly stacked against them. Have you ever had your stop hit at a price that turned out to be the low/high for the day? Bad luck perhaps? Maybe. What if it happens more than once? Do you ever feel like the market is out to get you? Well guess what, in this Zero Sum game it absolutely is. Covering the day-to-day mechanics of the FX market and the unsavoury dealings going on, *Beat the Forex Dealer* offers traders the market-proven trading techniques needed to side-step dealer traps and develop winning trading methods. Learn from an industry insider the truth behind dirty dealer practices including: stop-hunting, price shading, trading against clients and 'no dealing desk' realities. Detailing the dealer-inspired trading techniques developed by MIGFX Inc, consistently ranked among the world's leading currency trading firms, the book helps turn average

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

traders into winning traders; and in a market with a 90% loss rate winning traders are in fact quite rare! More than just a simple manual, *Beat the Forex Dealer* brings to life the excitement of the FX market by delivering insights into some of the greatest trading triumphs and highlighting legendary disasters; all written in an easy to read style. Make no mistake about it there is a lot of money to be made in currency trading, you just have to know where to look. Sidestepping simple dealer traps is one way of improving your daily p&l, but it is surely not the only one. Successful trading comes down to taking care of the details, which means skipping the theoretical stuff and providing only up-to-date, real-life examples while sharing the FX trading tips that have proved so profitable over the years. By stripping away the theory and getting down to the core of trading, you too will find yourself on the way to beating the forex dealer!

Forex For Beginners is the prequel to my first two books, *A Three Dimensional Approach to Forex Trading*, and *A Complete Guide to Volume Price Analysis*. It is your primer to the world of forex. It has been written to lay the foundations and provide the framework for getting started in the world of forex, in what I believe is the correct way. My other books then build on what you will learn here, to further develop your trading skills and knowledge. What I try to do in all my books, is to show you how to apply that knowledge to help you become a more confident trader. After all, learning is all well and good, but if we are not taught how to apply that knowledge in a practical way, then it is of little use. It is the application of knowledge that

Download File PDF Making It In The Forex Market From Zero To 5 000 Per Month Special Fx Academy Book 1

empowers, and this is what I have tried to do here, and in my online training rooms, and all my books. There are of course many books about forex trading. What is different about this book, is the focus on those aspects of trading which I believe are fundamental. After all, there are only two questions we need to answer when considering a position in the market:- What is the risk on this trade - high, medium or low? What is the financial risk on this trade? The first is the hardest question to answer, and the book will explain in detail the analysis and approach to use, in order to answer this question with confidence. The second question is more straightforward and is answered provided you have an understanding of risk, money management and position sizing in relation to your trading capital. Again, this is covered in detail in the book. As the tag line on the front cover says 'What you need to know to get started, and everything in between' which really sums up what you will learn. The book explains everything, from the pure mechanics to the trading methodology that I advocate, and which I have used in all my own trading and investing for over 17 years. Forex For Beginners is also dedicated to all those traders who have asked me to write such an introduction, based on my knowledge and my methodology. This book is for you.

Do you want to learn how to trade Forex profitably? Have you been trading before without any result? Worry not! In this book I will teach you the step by step procedure of making money from the Forex market without spending more than 30mins per day. control of your financial future and achieve your trading success. Download your Copy of The Black Book of Forex Trading NOW and change your trading forever P.S. You'll be able to notice a difference within 24 hours

Win big and win often in the world's greatest financial market With \$5 trillion traded every day, FX dwarfs all other markets. It's a tough market to master—but not as tough as people think. Currency Kings provides the keys anyone can use to unlock the enormous potential of FX. FX guru Ben Robson walks you through the process of 1) developing a sound strategy, 2) creating a competitive edge, 3) scaling your efforts, and 4) managing risk. It's a simple, commonsense approach. And it works incredibly well. Robson has been using it to drive major profitability from FX for years. Throughout, he analyzes the strategies of the world's greatest FX traders, including: • George Soros—perhaps the greatest FX trader ever • John Henry—the brilliant technical trader and risk manager • Urs Schwarzenbach—veritable king of options • Peter Cruddas—a pioneer of retail fx trading • Jim Simons—who made billions with computers and arbitrage • Renat Fatkhullin -- mastermind behind Metaquotes trading software Each of these investors have drawn untold profits through FX trading—and none of their styles is the same. Which goes to show that there is always room for innovation. Currency Kings provides the foundation, you build on it with the right combination of discipline, original thinking, and a powerful will to win. The behemoth called the FX market awaits. Use this unparalleled investing guide to profit beyond your wildest dreams.

Proven Forex Money Making Strategy shows you step-by-step, how to make money trading the Forex markets like the PROS, spending just 15 minutes a day, while avoiding the mistakes that beginning and struggling traders make. Do you want to protect your capital while
