It's the First Day of School and I Know It's Going to Be Epic!! My name is Z, Z the zombie. I'm starting middle school this September, and I have no idea what the next few weeks will have in store for me. I have a funny feeling that my older brother, R, will try to cause some problems for me, but I'm going to try not to let it get me down. After all, I have my skeleton friend, Bonnie, and my zombie pigman friend, Trevor, to help me out of any hard spots that I might land myself into. Who knows? I might even make another friend. This school year will be my new start. I'll try to make new friends, join a club, and annoy my older brother a little bit, too. I hope this school year is ready for me because I'm ready for it! Join Ember the Ender Dragon on her unexpected sightseeing adventure to the Overworld in this humorous, illustrated, chapter-book diary based on the Minecraft video game series. Ember the Ender Dragon is very bored with her life in the End and dreams of adventure. When Dirk arrives from the Overworld, instead of trying to defeat Ember like other humans have, he offers to take her sightseeing in his world. Ember can't resist what sounds like the trip of a lifetime! From snow-covered mountains to the steamy jungle, Dirk shows Ember everything the Overworld has to offer. But something starts to seem fishier than the meal Dirk catches for them. Was Ember too quick to trust her tour guide? With illustrations throughout and humor meant to appeal to Minecraft fans, this fourth book in the Unofficial Minecraft Diary series continues the adventure of exploration.

A unique book combo of 3 different Minecraft stories. Story 1: Meet Gabe, a boy with a high intelligence and a moral conscience. In his chemistry class, the teacher challenges all the gifted students to find a formula that can change the world. After heading to the school library, Gabe finds a dusty book with ancient spells and potions recipes, with which the possibilities are almost endless. He succeeds but wonders about the consequences of these potions. Read this intriguing children's story in which a boy struggles with a moral decision and acts according to his values and principles Story 2: Billy the Bunny is a smart one. He is inventive, which shows after trying to use his sister's doll for a slingshot. His brother Mart and he are innocently playing in the fields, until they

How much do you know about Minecraft? This is the ultimate book of fun facts about the block world. Test your knowledge and learn more now! We are not associated or supported by Minecraft of Mojang. This is an unofficial book. Minecraft ®/TM & © 2009-2013 Mojang / Notch Just a few years ago, Markus Persson was a bored IT-developer in Stockholm. In the evenings, he toiled away on a labour of love: a game with a tiny but dedicated online following. It was called Minecraft and Markus released it to the world in early 2009. The game itself looks deceptively simple. It resembles a digital version of Lego "bricks stacked on top of each other, giving players a world where they build whatever structures their mind can conjure. A breath of fresh air compared to the industry giants' shooter games. In the space of a few years, Minecraft has become one of the most astonishing success stories of the internet age, attracting millions of players and proving how a single great idea can topple empires in the digital, post-industrial world. This is the story of the man behind the game. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school, the first computer his father brought home one day and also about growing up in a family marked by drug abuse and conflict. But above all it is the story of the fine line between seeming misfit and creative madman, and the birth of a tech visionary.

This time Zombie is up against some of the meanest and scariest mob bullies at school. Will he be able to stop the mob bullies from terrorizing him and his friends, and make it back in one piece? Jump into this Minecraft adventure and find out!

Two weeks ago, thirteen year-old Ally Walker would have laughed at the thought of running around in the middle of the night, waving bundles of herbs at imaginary ghosts. But the new girl in town, Hanna Primble, is into that sort of thing. When the two girls become unlikely friends, Hanna's world of witchery invades Ally's own and turns decidedly dangerous. Flocks of crows descend on the streets, shadow-men stalk Ally's front yard, and a ghoul nests like a spider in the local library's basement. Together, the girls set out to quickly uncover the sinister culprit

What if the Minecraft characters that you know and love popped into your house?! "This is the story of how I accidentally broke Minecraft (it wasn't really my fault) and the Minecraft characters came into the world, our world, ma-freakin' planet Earth! You heard me right. Minecraft came into real life! Let me put that another way: Minecraft came into MY ROOM! When Minecraft first decided to appear in my room, things were horrible. You'd expect things to be good, but if you think about it, how do you explain to your parents your new pet pig and your new best friend, Steve? How do you explain to your parents that the reason your room is half-missing is because Steve needed to chop it down block by block so he could make a crafting table. How do you explain these things???" "Minecraft In Real Life" is an action-packed, charming novel featuring a nine-year-old girl and her friend Henry as they embark on real life adventures with Steve, from the Minecraft game. It's a fantastic story with a strong

A New York Times Best Seller! The world of Minecraft comes to life in this thrilling adventure for boys and girls! Gameknight999 loved Minecraft, but above all else, he loved to grief—to intentionally ruin the gaming experience for other users. When one of his father's inventions teleports him into the game, Gameknight is forced to live out a real-life adventure inside a digital world. What will happen if he's killed? Will he respawn? Die in real life? Stuck in the game, Gameknight discovers Minecraft's best-kept secret, something not even the game's programmers realize: the creatures within the game are alive! He will have to stay one step ahead of the sharp claws of zombies and pointed fangs of spiders, but he'll also have to learn to make friends and work as a team if he has any chance of surviving the Minecraft war his arrival has started. This action-packed tribute to the worldwide computer game phenomenon is a runaway publishing smash and the perfect companion for Minecraft fans of all ages.
