Girl, Edna O'Brien's hotly anticipated new novel, envisages the lives of the Boko Haram girls in a masterpiece of violence and tenderness. I was a girl once, but not anymore. So begins Girl, Edna O'Brien's harrowing portrayal of the young women abducted by Boko Haram. Set in the deep countryside of northeast Nigeria, this is a brutal story of incarceration, horror, and hunger; a hair-raising escape into the manifold terrors of the forest; and a descent into the labyrinthine bureaucracy and hostility awaiting a victim who returns home with a child blighted by enemy blood. From one of the century's greatest living authors, Girl is an unforgettable story of one victim's astonishing survival, and her unflinching faith in the redemption of the human heart. Brian Keenan went to Beirut in 1985 for a change of scene from his native Belfast. He became headline news when he was kidnapped by fundamentalist Shi'ite militiamen and held in the suburbs of Beirut for the next four and a half years. For much of that time he was shut off from all news and contact with anyone other than his jailers and, later, his fellow hostages, amongst them John McCarthy.

Known for her powerful female protagonists who refuse to back down in the face of evil, New York Times bestselling author Linda Davies somehow found herself in a situation that could have been ripped from the pages of one of her thrillers. In 2005, Linda was living happily with her family in Dubai. Ever the adventurer, she was on the maiden voyage of her new catamaran alongside her husband when the boat's captain unknowingly sailed into sharply contested waters in the Strait of Hormuz, off the coast of Iran. Soon the trio were surrounded by gun boats and boarded by armed Iranian marines. Over the next two weeks Linda was held hostage by one of the most feared regimes in the world, with no reason to expect anything but the worst. The story of her imprisonment and harrowing escape, which she has worked so hard in the past to forget, is told in candid and shocking detail. Crackling with tension, it is also laced through with black humor and insight. Iran is perhaps the most hated and the least understood country in modern society and Linda's account gives a rare, illuminating glimpse into the realities of the oppressive regime.

The powerful account of the remarkable peace activist kidnapped while leading a peace delegation and held for ransom by Iraqi insurgents until his paradoxical release by a crack unit of special forces commandos. In November 2005, James Loney and three other men — Canadian Harmeet Singh Sooden, British citizen Norman Kember and American Tom Fox — were taken hostage at gunpoint. The men were with Christian Peacemaker Teams (CPT), an organization that places teams trained in non-violent intervention into lethal conflict zones. The then unknown Swords of Righteousness Brigade released videos of the men, resulting in what is likely the most publicized kidnapping of the Iraq War. Tom Fox was murdered and dumped on a Baghdad street. The surviving men were held for 118 days before being rescued by Task Force Black, an elite counter-

kidnap unit led by the British SAS. Captivity is the story of what Jim described upon his return to Toronto and reunion with his partner Dan Hunt as "a terrifying, profound, transformative and excruciatingly boring experience." It presents an affecting portrait of how Jim came to be a pacifist and chronicles his work in Iraq before the kidnapping. It brings the reader immediately into the terror and banality, the frictions, the moral dilemmas of their captivity, their search to find their captors' humanity, and the imperative need to conceal Jim's sexual identity. It examines the paradoxes we face when our most cherished principles are tested in extraordinary circumstances and explores the universal truths contained in every captivity experience. At its heart, the book is a hope-filled plea for peace, human solidarity and forgiveness. From James Loney: Why I Wrote This Book I often wondered, during those excruciating days of handcuffs and chains, fear and boredom without end, would I ever get to tell anyone about the strange and bizarre things that happened during our captivity? Being transported in the trunk of a car. Sleeping with my left and right hands handcuffed to the person beside me. Explaining to the captors how to use "men's gel." Picking open our handcuffs after watching a Hollywood movie. It is a paradox. I went to Iraq as a pacifist on a mission of peace and was kidnapped, threatened with death and held hostage

with three other men until we were rescued in a military operation. It is an extraordinary privilege to be able to tell the story of this paradox, to explain why I remain committed to the principles of nonviolence despite the fact a member of our group was murdered and our freedom was secured by armed force. The crucible of captivity was a kind of school in which I was able to see the innermost workings of the universe, how we are all connected, how our liberation is inextricably tied together. I want to share this story in the hope of contributing to the emergence of a world without war, the single greatest challenge of the 21st century. Everything depends on this, for without peace nothing else is possible. From the Hardcover edition.

An award-winning journalist's extraordinary account of being kidnapped and tortured in Syria by al Qaeda for two years—a revelatory memoir about war, human nature, and endurance that's "the best of the genre, profound, poetic, and sorrowful" (The Atlantic). In 2012, American journalist Theo Padnos, fluent in Arabic, Russian, German, and French, traveled to a Turkish border town to write and report on the Syrian civil war. One afternoon in October, while walking through an olive grove, he met three young Syrians—who turned out to be al Qaeda operatives—and they captured him and kept him prisoner for nearly two years. On his first day, in the first of many prisons, Padnos was given a

blindfold—a grime-stained scrap of fabric—that was his only possession throughout his horrific ordeal. Now, Padnos recounts his time in captivity in Syria, where he was frequently tortured at the hands of the al Qaeda affiliate, Jebhat al Nusra. We learn not only about Padnos's harrowing experience, but we also get a firsthand account of life in a Syrian village, the nature of Islamic prisons, how captors interrogate someone suspected of being CIA, the ways that Islamic fighters shift identities and drift back and forth through the veil of Western civilization, and much more. No other journalist has lived among terrorists for as long as Theo has—and survived. As a resident of thirteen separate prisons in every part of rebel-occupied Syria, Theo witnessed a society adrift amid a steady stream of bombings, executions, torture, prayer, fasting, and exhibitions, all staged by the terrorists. Living within this tide of violence changed not only his personal identity but also profoundly altered his understanding of how to live. Offering fascinating, unprecedented insight into the state of Syria today, *Blindfold* is “a triumph of the human spirit” (The New York Times Book Review)—combining the emotional power of a captive's memoir with a journalist's account of a culture and a nation in conflict that is as urgent and important as ever.

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy

"Mixing bold journalism with bolder allegories, Mr. Szabowski teaches us with witty persistence that we must desire freedom rather than simply expect it." —Timothy Snyder, New York Times bestselling author of *On Tyranny* and *The Road to Unfreedom*

An incisive, humorous, and heartbreaking account of people in formerly Communist countries holding fast to their former lives, by the acclaimed author of *How to Feed a Dictator*

For hundreds of years, Bulgarian Gypsies trained bears to dance, welcoming them into their families and taking them on the road to perform. In the early 2000s, with the fall of Communism, they were forced to release the bears into a wildlife refuge. But even today, whenever the bears see a human, they still get up on their hind legs to dance. In the tradition of Ryszard Kapuściński, award-winning Polish journalist Witold Szabowski uncovers remarkable stories of people throughout Eastern Europe and in Cuba who, like Bulgaria's dancing bears, are now free but who seem nostalgic for the time when they were not. His on-the-ground reporting—of smuggling a car into Ukraine, hitchhiking through Kosovo as it declares independence, arguing with Stalin-adoring tour guides at the Stalin Museum, sleeping in London's Victoria Station alongside a homeless woman from

Poland, and giving taxi rides to Cubans fearing for the life of Fidel Castro—provides a fascinating portrait of social and economic upheaval and a lesson in the challenges of freedom and the seductions of authoritarian rule. From the Introduction: “Guys with wacky hair who promise a great deal have been springing up in our part of the world like mushrooms after rain. And people go running after them, like bears after their keepers. . . . Fear of a changing world, and longing for someone . . . who will promise that life will be the same as it was in the past, are not confined to Regime-Change Land. In half the West, empty promises are made, wrapped in shiny paper like candy. And for this candy, people are happy to get up on their hind legs and dance.”

Kidnapped at the age of 11 from his home in Benin, Africa, Olaudah Equiano spent the next 11 years as a slave in England, the U.S., and the West Indies, until he was able to buy his freedom. His autobiography, published in 1789, was a bestseller in its own time. Cameron has modernized and shortened it while remaining true to the spirit of the original. It's a gripping story of adventure, betrayal, cruelty, and courage. In searing scenes, Equiano describes the savagery of his capture, the appalling conditions on the slave ship, the auction, and the forced labor. . . . Kids will read this young man's story on their own; it will also enrich curriculum units on history and on writing.

The heart-stopping definitive account of the mission to rescue hundreds of Nigerian schoolgirls whose abduction ignited a global social media campaign and a dramatic worldwide intervention. In the spring of 2014, millions of Twitter users, including some of the world's most famous people, unwittingly helped turn a group of 276 schoolgirls abducted by a little-known Islamist sect into a central prize in the global War on Terror by retweeting a call for their release: #BringBackOurGirls. With just four words, their tweets launched an army of would-be liberators. Soldiers and drones, spies, mercenaries, and glory hunters descended into an obscure conflict that few understood, in a remote part of Nigeria that had barely begun to use the internet. When hostage talks and military intervention failed, the schoolgirls were forced to take survival into their own hands. As their days in captivity dragged into years, the young women learned to withstand hunger, disease, and torment, and became witnesses and victims of unspeakable brutality. Many of the girls were Christians who refused to take the one path offered them—converting to their captors' fundamentalist creed. In secret, they sang hymns, and kept a diary, relying on their faith and friendships to stay alive. *Bring Back Our Girls* unfolds across four

In this path-breaking book Linda Colley reappraises the rise of the biggest empire in global history.

Excavating the lives of some of the multitudes of Britons held captive in the lands their own rulers sought to conquer, Colley also offers an intimate understanding of the peoples and cultures of the Mediterranean, North America, India, and Afghanistan. Here are harrowing, sometimes poignant stories by soldiers and sailors and their womenfolk, by traders and con men and by white as well as black slaves. By exploring these forgotten captives – and their captors – Colley reveals how Britain's emerging empire was often tentative and subject to profound insecurities and limitations. She evokes how British empire was experienced by the mass of poor whites who created it. She shows how imperial racism coexisted with cross-cultural collaborations, and how the gulf between Protestantism and Islam, which some have viewed

as central to this empire, was often smaller than expected. Brilliantly written and richly illustrated, Captives is an invitation to think again about a piece of history too often viewed in the same old way. It is also a powerful contribution to current debates about the meanings, persistence, and drawbacks of empire.
