Today's job seekers need to "lose the resume" in order to land the right job. In this guide, Burnison shares the new rules of engagement in which seekers must learn to tell a story about themselves that speaks to their competencies, purpose, passion, and values.

The Situational Judgement Test at a Glance provides a sound introduction to the SJT and details ways you can prepare before the assessment. It includes worked case examples based on real-life scenarios which have been reviewed by experienced clinicians and examiners. The book draws out key aspects of professional practice relevant to the role of a junior doctor. This is based on the nine domains as outlined by the ISFP (Improving Selection to Foundation Programme), who detailed the behaviours necessary to be a

competent Foundation Doctor. The overall aim of The Situational Judgement Test at aGlance is not to spoon feed hundreds of practice questions orreams of guidelines, but to steer you towards a logical way ofapproaching best medical practice – and therefore the SJT– with many examples of doctors' personal experiences alongthe way. Challenging scenarios are analysed using guidelines from theGeneral Medical Council and research interviews with patients, labstaff and healthcare professionals. All examples in the book areworked in a test-style apparatus, with questions on one side anddetailed answers over the page so you can understand the reasoningbehind the material.

Situational Judgment Tests advances the science and practice of SJTs by promoting a theoretical framework, providing an understanding of best practices, and establishing a research agenda for years to come. Currently, there is no other source that provides such a comprehensive treatment of situational judgment testing. Key features of this book include: chapters rich with theoretical insights and future research possibilities; numerous implications for improving the practical applications of SJTs, which include not only SJT development and scoring, but also operational issues affecting test administration and interpretation; comprehensive summaries of published and unpublished SJT research; and chapters that address topics that are timely and current, such as issues involving the international application of SJTs and technological considerations. This text is relevant for academics, practitioners, and students of human resource management, organizational behavior, management, and industrial/organizational psychology. This book is new in SIOP's Organizational Frontiers Series, publications of the Society of Industrial and Organizational Psychology.

Mechanical comprehension tests are used widely during technical selection tests within the careers sector. Mechanical comprehension and reasoning tests combine many different elements. The test itself is usually formed of various pictures and diagrams that illustrate different mechanical concepts and principles. Elevator Industry Aptitude Test (EIAT) study guide, prepared by our dedicated team of exam experts, including practice test questions. Everything you need to pass the EIAT Entrance Test! This book will help you: · Increase your score with multiple choice strategies from exam experts · Practice with 2 complete practice question sets (over 200 questions) · Make an Elevator Industry Aptitude Test study plan and study schedule · Answer multiple choice questions strategically 2 Sets of practice test questions including: · Reading Comprehension · Basic Math · Mechanical Comprehension · Test tips · And a lot more! Hundreds of pages of review and tutorials on all EIAT Test topics Complete Test Preparation Inc. is not affiliated with the creators of the Elevator Industry Aptitude Test, who are not involved in the production of, and do not endorse this publication. Study Smarter, Not Harder! Like any test, your degree of success on the EIAT Test depends largely on knowing how to study for it. Now, I'm not talking about burning the candle at both ends. In fact, our goal is to have you studying less not more. Nor are we asking you to spend hundreds of dollars on study guides. Our material is available for a less than the cost of a good pair of running shoes ... more on that in a moment. Practice Makes Perfect The more questions you see, the more likely you are to pass the test. And between our study guide and practice tests, you'll have over 200 practice questions that cover every category. You can fine-tune your knowledge in areas where you feel comfortable and be more efficient in improving your problem areas. Our test has been developed by our dedicated team of experts. All the material in the study guide, including every practice question, is designed to engage the critical thinking skills that are needed to pass the EIATest. Maybe you have read this kind of thing before, and maybe feel you don't need it, and you are not sure if you are going to buy this book. Remember though, it only a few percentage points divide the PASS from the FAIL students. Even if our test tips increase

your score by a few percentage points, isn't that worth it? Why not do everything you can to get the best score on the Elevator Industry Aptitude Test?

As employers increase their use of psychometric tests to select staff - and more competition for jobs and placements - it has never been more important to excel in them. Almost every battery of psychometric tests will include a verbal reasoning subtest or series of questions. The Verbal Reasoning Test Workbook, will help you to prepare for these tests, offering you everything you need for a comprehensive programme of self-study, including advice on what to expect on the day, English usage questions, sentence sequences and 150 warm up questions.
