

## Spiritual Warfare Prayer Manual

The "Art of Spiritual Warfare: A Manual" explains how Believers in Christ must receive Divine strategies and tactics to defeat Satan when he comes to attack. This book covers: - the importance of knowing your identity in Christ - the importance of prayer in spiritual warfare - how to prepare for spiritual battle - the spiritual weapons that God provides - spiritual tactics to carry out to claim victory This book is written to help readers understand spiritual warfare and how to effectively use God's spiritual weapons to "fight the good fight of faith" through Jesus Christ.

The first Biblical prophecy in Genesis 3:15 simply reveals a salient truth: There is a spiritual hostility and conflict between the righteous and the devil, the ancient serpent. God wants us to engage the ancient serpent in a battle. He wants us to use the authority He has given to us to smash the serpent's head! Unfortunately, so many people of God are bound by demonic forces but do not know how to be free. The proliferation of python and snake spirits in this end time has resulted in an epidemic of people living in spiritual bondage. These python and snake spirits have an aggressive appetite for destinies to swallow! War Against Python And Snake Spirits is an attempt to address this problem using two powerful strategies: knowledge of how the enemy works and fighting them with acidic warfare prayers. Praying with knowledge of how the enemy operates gives a believer superior advantage over the enemy. As you pray with this book, you will see a great release of God's power as it blends the power of His Word with these two powerful strategies. The prayers in this book is a do-it-yourself kind of prayer, designed for you to see results. They are written to be simple, yet powerful. My dear, you can't wait to hunt down those python and snake spirits coiling and squeezing your life and family. Enough of that intimidation! Pick this Book and let's go-a-hunting!

In this exciting book, you learn God does not record prayer but responds to it. Perhaps God hasn't answered your prayers because you don't understand prayer. It's time to step up and follow his instructions. Setting up an efficient prayer strategy helps you to get complete clarity on your prayer priorities, organize your life, and get more out of your prayers than you ever have before. Prayer may look tough, yet I have made it simpler. Thanks to the wisdom included in this book. Some of the moving stories and personal experiences recounted in this book will strike a chord with you and serve as a source of encouragement and inspiration. Every redeemed child of God is obliged to read it. The most effective prayer strategies are shared in this practical manual. It is appropriate for both new and experienced Christians. You'll learn the truth about; What exactly is prayer? Fundamental guidelines for praying. Prayer that guarantees an answer. Your redemptive rights. When to release your faith. How to be led by the Holy Spirit? Prayer strategy in the war room. Prayer strategy for divine prosperity. Prayer strategy on healing and depression. Fola Ademolu, the author, draws on almost two decades of personal experience in this book. The author's source of inspiration is in the Bible, and he went to great lengths to clarify what the Lord teaches about prayer. This book will assist you in gathering essential information on prayer. It will widen your horizons and increase your knowledge of effective prayer techniques. If you follow the instructions in this prayer guide, you will become a prayer giant and a no-go zone for the devil's agents. As your prayer life improves, you will become a threat to the evil kingdom.

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair – Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The

book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In A Family Guide to Spiritual Warfare, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

It will show you how to bring down the walls of Jericho stifling and throttling your destiny.
