Fred must cleverly convince and enlist key players, such as Louis, the head penguin; Alice, the number two bird; the intractable NoNo the weather expert; and a passle of school-age penguins if he is to save the colony. Their delightfully told journey illuminates in an unforgettable way how to manage the necessary change that surrounds us all. Simple explanatory material following the fable enhances the lasting value of these lessons. Our Iceberg Is Melting is at once charming, accessible and profound; a treat for virtually any reader.
