Modelland - the FIERCE NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. Modelland—the exclusive, mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of Modelland, you'll see that Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in MODELLED. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

It is the third and final year of Fimbulvetr, the long and cold winter that precedes the end of the Nine Worlds. Midgard lies asleep under a thick layer of ice and snow. The city of men have fallen prey to ravenous wolf packs and bloodthirsty marauders. Gods, trolls and giants ready their weapons and magics for the last battle between Order and Chaos. All prepare for Ragnarok, the ultimate clash of the gods. All except Valhalla, whose tall walls are beset by deafening silence ... No singing or clash of swords can be heard. Sitting on his crumbling throne, Odin sleeps a long and dreamless sleep, waiting for the return of his memory from the inscrutable ocean of the universe and with it his strength to stand up to the Nine World and foster the flourishing of a new beginning. The book includes an essay on Norse mythology.

Agatha always saves the day in style! It's finally vacation time, and the Mistery cousins are enjoying a cruise on a luxurious transatlantic ship called the King Arthur. Unfortunately, crime never takes a rest! Agatha and her friends get caught up in a spy conspiracy, in which they must retrieve a top-secret document and capture an unstoppable killer. And they have to pull it off without Uncle Sam, Larry's nosy father, catching on!

Mother and child ponder the different ways a dinosaur can say goodnight, from slamming his tail and pouting to giving a big hug and kiss, in a picture book featuring ten sleepy dinosaurs which includes the names of each dinosaur on the end papers.

The fourth edition of this excellent identification guide to aquatic insects in New Zealand has been updated with the latest information, making it an essential resource as the demand for river surveys and water quality studies continues to grow. Since the third edition was published five years ago, there have been great advances in our knowledge of New Zealand's aquatic insects. This edition includes information from several new publications about the systematics of New Zealand aquatic insects. More than 80 new titles have been added to the reference list and cited in the text; this serves both to document taxonomic changes and to guide the reader to the expanding literature on the aquatic insects of NZ. The book provides keys to enable insects to be identified to the family or genus level. Notes on distribution, habitat, and problems likely to be encountered with identification are included, along with full references, glossary of terms, and an index of taxa, common names, and general subjects. This is a joint publication venture of the Entomological Society of New Zealand (Inc.) and the New Zealand Freshwater Sciences Society.

Many of the problems older people suffer from have, as their underlying cause, a fundamental loss of fitness. Others are caused by preventable diseases (with these even being preventable after the age of seventy) and, broadly speaking, from the wrong approach to life, influenced by negative social pressures. This book – uniquely targeted at the 60–75 demographic – tells you what steps you can take in late middle age to give you the best chance of living a long, healthy and fulfilling later life. Keep fit, keep the brain going, and with a spot of good fortune you can be living a rewarding, active life into your nineties and beyond. This book – part exercise book, part manifesto for a happier, healthier life – tells you how.

From the New York Times bestselling author Ann Brashares Best friends Lena, Tibby, Bridget and Carmen, all born within weeks of one another, are preparing to spend their first summer apart. When Carmen buys a pair of second-hand jeans, the girls discover that despite their different physiques, the jeans look great on all of them. They promise to rotate the magical jeans, dubbed 'the travelling pants', amongst them and at the summer's end record their favourite adventure while wearing the pants. The jeans travel the world with the girls, visiting grandparents in Greece, attending soccer camp in Mexico, spending summer with Dad in South Carolina and working at home. They tie together the four distinct characters, each individual and courageous young woman, as they find their own strength in the face of new love, unexpected friendships, a father's remarriage and a reckless relationship. The result is a true sisterhood of support and acceptance.

Fascinating and dream-like, this compelling tale for children by Per Olov Enquist tells the story of Mina, who wakes up one night to find that a crocodile has bitten her on the bottom. Her tired parents don't recognise the seriousness of the situation, but Mina's Grandpa knows what to do. He takes Mina, her sister and their cousins on a dangerous journey up Three Cave Mountain. What they find there will leave them changed forever. Offering a sweet and original glimpse into the mind of a perky and irrepressible child, Grandfather and the Wolves will thrill younger and older readers alike.

A New York Review Books Original Hav is like no place on earth. Rumored to be the site of Troy, captured during the crusades and recaptured by Saladin, visited by Tolstoy, Hitler, Grace Kelly, and Princess Diana, this Mediterranean city-state is home to several architectural marvels and an annual rooftop race that is a feat of athleticism and insanity. As Jan Morris guides us through the corridors and quarters of Hav, we hear the mingling of Italian, Russian, and Arabic in its markets, delight in its famous snow raspberries, and meet the denizens of its casinos and cafés. When Morris published Last Letters from Hav in 1985, it was short-listed for the Booker Prize. Here it is joined by Hav of the Myrmidons, a sequel that brings the story up-to-date. Twenty-first-century Hav is nearly unrecognizable. Sanitized and monetized, it is ruled by a group of fanatics who have rewritten its history to reflect their own blinkered view of the past. Morris's only novel is dazzlingly sui-generis, part erudite travel memoir, part speculative fiction, part cautionary political tale. It transports the reader to an extraordinary place that never was, but could well be.

Nine-year-old Tony loves ghosts and horror stories, but when he's left home alone one night, he gets quite the fright as Rudolph the little vampire flies in! Soon the two are firm friends (when Rudolph isn't trying to bite Tony). Tony even visits the little vampire's Family Vault in the graveyard where he narrowly escapes the clutches of Rudolph's fearsome Great-Aunt Dorothy. But what will happen when Tony's parents try to invite his new friend for dinner...?

«I vampiri, assumendo connotati diversi, ritornano, prima o poi. Anche i libri sui vampiri – così sperano i loro autori – hanno una qualche possibilità di ritornare, di non morire». Così Vito Teti introduce il ritorno di questo libro in una nuova edizione completamente rivisitata, a chiudere idealmente quel «trittico della melanconia» che comprende Il senso dei luoghi e Quel che resta. Ma ogni ritorno è anche una novità, e così è per questo saggio, che si arricchisce di un ampio capitolo e di un ricco apparato iconografico che segue l'immaginario del revenant nelle sue rappresentazioni antiche e declinazioni contemporanee. La figura del vampiro offre elementi di riflessione per approfondire il passaggio del mondo occidentale alla modernità. Se, nelle società tradizionali, il vampiro folklorico non può essere separato dalla paura del ritorno, perturbante e pericoloso, dei defunti, proprio l'Occidente colto e illuminato settecentesco è l'ambito in cui è

possibile cogliere l'origine del complesso fenomeno storico del «ritorno» dei vampiri. Nel momento in cui melanconia e rovine si apprestano a raccontare i contrasti del lento affermarsi del moderno – che esorcizza alterità, malattia, follia, morte –, il vampiro rinasce nella letteratura come metafora di figure ambivalenti, ponendo così le basi per «contagiare» gli aspetti culturali caratterizzanti la tradizione occidentale contemporanea, dalla psicoanalisi al cinema, ai fumetti e a internet. L'inedito capitolo finale riannoda il filo di una riflessione sul sentimento dei luoghi, addentrandosi nell'esplorazione delle recenti metafore, positive e negative, del vampiro all'inizio del nuovo millennio. Il vampiro che abita le rovine postmoderne – dal Muro di Berlino a Baghdad, dalle Torri Gemelle alle macerie dei terremoti – e incarna paure legate all'angoscia della fine del mondo ci ricorda la necessità di ristabilire un dialogo con i defunti, senza espellerli come vampiri distruttivi, ma riconoscendoli come parte integrante della comunità dei viventi. In questo senso, il libro afferma una filosofia «contro la morte», cogliendo spunti là dove la metafora del vampiro sembra aprire a un diverso rapporto con l'altro e a un riconoscimento della diversità.
