

Why The Walls Of Jericho Came Tumbling Down

Superbook takes Joy, Chris, and Gizmo to Jericho as Joshua and the Israelite army are preparing to attack the walled city. They meet Rahab, who risks her life to hide the Hebrew spies. The children discover that even the highest walls are no match for faith in God! CBN's Superbook team is made up of Emmy-winning artists and storytellers, whose credits include Mulan, The Lion King, and Beauty and the Beast. Together they are collaborating to completely reimagine the classic Superbook series using the latest 3D CGI technology. The new Superbook honors the life-changing legacy of the classic series and introduces the stories of the Bible to a new generation.

WOULD THE WALLS COME TUMBLING DOWN? After sixteen years of wedded bliss, Claire Jericho yearned to be more than just a housewife. God meant her to do something meaningful—but what? When a ministry to help unfortunate women started up at church, Claire knew this was the answer to her prayers. If only she could persuade her husband.... Ben Jericho still saw Claire as his helpless young bride. But the “sweet young thing” had grown up into a smart and capable woman. Convinced her ministry was just a crazy scheme, Ben was against the project from the start. Could Claire show him this was truly her heart’s desire?

When law professor Jefferson Trannon and journalist Ella Garrity discover long-hidden documents that could solve the 1960 murder of a civil rights leader, they are drawn into a deadly conspiracy.

Retells the Bible story of Joshua, who was called upon to lead the Israelites into the promised land, and describes how he sent spies into Jericho, and how he led the people across the Jordan and round and round the city

Joshua is the central figure in the Hebrew Bible's Book of Joshua. According to the books of Exodus, Numbers and Joshua, he was Moses' assistant and became the leader of the Israelite tribes after the death of Moses. The Battle of Jericho is an incident from the Book of Joshua, being the first battle fought by the Israelites in the course of the conquest of Canaan.

This true story was first introduced to the world stage on A & E's Cold Case Files. Now, Nancy Cherbeyla tells her emotional story of the tragic life she shared with her sister and her own story of survival, healing and hope since losing Sally. "On March 10, 1978, seven paragraphs in the Battle Creek Enquirer reported a six-year-old girl found dead in the

bathtub at her home. It appeared to Battle Creek police that Sally Ann Chesebro drowned while playing with a toy. Her mother and stepfather said it was a tragic accident. It was so much more. "A quarter of a century later, the horrific events in that house began to surface as the Calhoun County Cold Case Homicide Team was able to gather evidence that supported a story of abuse, rape and murder. That was the story Sally's sister, Nancy, told investigators. "Nancy was a year older, just seven at the time of her sister's death. She and Sally lived in a house where they were beaten and frequently placed in a tub of icy water as punishment. "It could be for anything, even looking at them wrong," Nancy said. It was punishment dispensed by the mother and stepfather of the girls. That cold-water punishment was sometimes five or six times a week. "Sally's final sadistic punishment was for opening a bottle of nail polish. She was beaten, forced into a tub of icy water, and held under by her parents until she died. Her stepfather and mother took Nancy to Sally's grave and told Nancy she was the reason Sally died. "While seven year old Nancy Chesebro could not save her sister's life, adult Nancy Spaulding did all she could to find justice for Sally's murder. Nancy confronted her nightmarish childhood, her mother, and stepfather, and told police, prosecutors, and a jury what happened inside the house at 54 Jericho Road the night her sister died. "This is the story of one woman's love for her sister, of her efforts to tell the world the truth about what happened, and why Sally Ann Chesebro died. It is a story of how one sister kept her promise and fought for justice." Trace Christenson

Ancient Israel did not emerge within a vacuum but rather came to exist alongside various peoples, including Canaanites, Egyptians, and Philistines. Indeed, Israel's very proximity to these groups has made it difficult—until now—to distinguish the archaeological traces of early Israel and other contemporary groups. Through an analysis of the results from recent excavations in light of relevant historical and later biblical texts, this book proposes that it is possible to identify these peoples and trace culturally or ethnically defined boundaries in the archaeological record. Features of late second-millennium B.C.E. culture are critically examined in their historical and biblical contexts in order to define the complex social boundaries of the early Iron Age and reconstruct the diverse material world of these four peoples. Of particular value to scholars, archaeologists, and historians, this volume will also be a standard reference and resource for students and other readers interested in the emergence of early Israel.

During his campaign for the presidency, one of Donald Trump's signature promises was that he would build a "great great wall" on the border between the US and Mexico, and Mexico was going to pay for it. A year and a half into his term, with only a few prototype segments erected, the wall is the 2,000-mile, multibillion-dollar elephant in the room of contemporary American life. In *The Great Great Wall*, architectural historian and critic Ian Volner takes a fascinating look at the barriers that we have built over millennia. Traveling far afield, to China, the Middle East, Europe, and along the U.S. Mexico border, Volner examines famous, contentious, and illuminating structures, and explores key questions: Why do we build walls? What do they reveal about human history? What happens after they go up? With special attention to Trump's wall and the walls that exist along the US border already, this is an absorbing, smart, and timely book on an incredibly contentious and newsworthy topic.

Kids really do say the darndest things. And in this humorous book by Carey Kinsolving and friends, the reader will be amused and sometimes amazed at the whimsical yet wise ways that children view God. With material taken from Kinsolving's weekly syndicated column, Kids Talk About God is a delightful collection of children's answers to questions like: How can God be everywhere at one time? What do angels look like? Who made God? Why do we die?

The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars. Only a few decades ago, biblical stories such as the Conquest were heralded as confirmed by archaeology. But in the 1970s, Thomas L. Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives. This reassessment gained momentum during the 1980s and 1990s; today, the mainstream opinion is that there was no Conquest, and the Israelites, if they can be identified as a national entity or as a people, did not arrive in Canaan by means of a military conquest. For three days in March 2004, a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism, a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel. To do so, the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence, as well as the contributions of archaeology, to describe as completely as possible what may be known about the early history of Israel. Critical Issues in Early Israelite History publishes the papers read at this conference in the hope that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence.

against the enemy's strongholds. Jesus even said that some evil spirits cannot be cast out except by prayer and fasting. That should tell us a lot about the power of this weapon—it's basically God's nuclear option. The Jericho Fast guides readers through a 7-day fast to achieve breakthrough for the stubborn areas of their lives. Minister and author Rhoda Faye Diehl expertly imparts wisdom and biblical truth throughout the book to help you overcome lies used by the enemy to erect walls in your life. She also provides strong encouragement and exhortation to help readers complete the fast and make it through to their victory. Are you ready for breakthrough? Are you ready for the walls to come down? Let's go!

*Includes pictures *Includes a bibliography for further reading People associate the story of ancient Jericho with walls, and for those who are Biblically inclined, they think of the walls that God brought tumbling down to the sound of trumpets. For historians who are more archaeologically oriented, it may suggest the prehistoric walls uncovered by Ernst Sellin and Carl Watzinger between 1907 and 1911. To modern societies, walls suggest the division between people and defenses erected out of hatred and mistrust. However, while the story of Jericho does indeed involve walls, they represented something far different than that. More than anything else, ancient Jericho was a point of convergence between cultures, kingdoms, religions, and societies. The reality of that ancient city, possibly the oldest city in human history, was nothing like the story presented in the Bible. *Jericho: The History and Legacy of One of the World's Oldest Cities* examines the knowns and unknowns about the ancient city, along with its long history over nearly 12,000 years. Along with pictures depicting important people, places, and events, you will learn about Jericho like never before.

Set in 1957, *Jericho Walls* is an unforgettable and inspiring novel about the power of friendship for a young girl growing up amid racism. "I woke early that first Sunday in Jericho. The sun was barely a stain in the sky, but the air was hot and clammy. My nightgown stuck to my skin. I padded to the bathroom and splashed my face with cold water. My stomach clenched in a queasy ball . . . I'd keep myself out of trouble in Jericho, I promised myself. I'd do all the right things and make lots of good friends and no one would care a whit about my being a preacher's daughter." Jo Clawson isn't the boy her father wanted, and she's not the "young lady" her neighbors expect of the preacher's daughter, either. But even though Jo doesn't always meet the expectations of the people around her, she still longs to fit in. When she and her family leave their northern home for the small southern town of Jericho, Alabama, Jo might finally stop picking fights and settle in right. But when Jo befriends a young black boy, she discovers that "fitting in" is about a lot more than proper manners or a smart outfit. Suddenly she's faced with a new set of questions that call up her own values. Maybe some fights are worth picking, after all.

Sixteen-year-old Jericho is awaiting initiation to the Warriors of Distinction, the oldest and most exclusive club in school—but how high a price will he have to pay to belong? Find out in this first novel in Sharon M. Draper's *Jericho Trilogy*. When Jericho is invited to pledge for the Warriors of Distinction, he thinks his life can't get any better. As the most exclusive club in school, the Warriors give the best parties, go out with the hottest girls, and great grades are a given. When Arielle, one of the finest girls in his class, starts coming on to him once the pledge announcements are made, Jericho is determined to do anything to become a member... But as the initiation week becomes progressively harrowing, Jericho is forced to make choices he's not entirely comfortable with. And one member seems to have it in for the sole female pledge in the group...a pledge who will stop at nothing to show she can handle the pressure. But when is she being pushed too far, and when should Jericho and his friends step in and risk losing their places in the pledging process? As Jericho becomes increasingly uneasy, his cousin Joshua breezes through the initiation, never thinking of the consequences, even when the fine line between fun and games, and life and death is crossed.

A highly original work that deals a shattering blow to all our preconceived notions about our past and human origins. Worldwide legends refer to giant flying lizards and dragons that came to this planet and founded the ancient civilizations of Mesopotamia, Egypt, India and China. Who were these reptilian creatures? What was the real reason for mans creation? Why did Adam lose his chance at immortality in the Garden of Eden? Who were the Nefilim who descended from heaven and mated with human women? Why did the serpent take such a bad rap in history? Why didnt Adam and Eve wear clothes? What were the crystals or stones that the gods fought over? Why did the ancient Sumerians call their major gods USHUMGAL, which means literally great fiery, flying serpent? What were the boats of heaven in ancient Egypt and the sky chariots of the Bible? This book tells it all.
