Delta Academic Objectives: Writing Skills has been written to prepare students for academic writing, placing emphasis not only on developing strong academic writing skills but also on continued language development through five main areas: Structure and organisation, Critical thinking, Using the text, Language focus and Evaluating writing. Structure and organisation activities develop students' skills in planning, organising, structuring and revising their essays. Critical thinking activities teach students to engage critically, constantly challenging and questioning the ideas of others. Using the text activities show students how to strengthen and support their opinions using their research and other sources. Language focus activities develop students' knowledge of the lexis typical of academic texts and enable them to transfer this knowledge into their writing. Evaluating writing activities help students to act upon and incorporate feedback into their future writing. The Teacher's book contains a range of valuable and helpful features which will greatly add to and enhance the teaching experience:

- includes full answers and suggested answers where appropriate
- sets out the aims of each exercise or activity so teachers can clearly see the intention and the objective of each exercise and plan their lessons accordingly
- provides unit-by-unit rationales for each of the four language development areas so teachers can maximize the teaching potential of these areas
- offers additional teaching ideas to help less experienced teachers of EAP, and suggestions how to extend and differentiate activities

"With hit books that support strategic reading through conferring, small groups, and assessment, Jen Serravallo gets emails almost daily asking, 'Isn't there a book of the strategies themselves?' Now there is. 'Strategies make the often invisible work of reading actionable and visible,' Jen writes. In The Reading Strategies Book, she collects 300 strategies to share with readers in support of thirteen goals -- everything from fluency to literary analysis. Each strategy is cross-linked to skills, genres, and Fountas & Pinnell reading levels to give you just-right teaching, just in time. With Jen's help you'll develop goals for every reader, give

students step-by-step strategies for skilled reading, guide readers with prompts aligned to the strategies, adjust instruction to meet individual needs with Jen's Teaching Tips, craft demonstrations and explanations with her Lesson Language, and learn more with Hat Tips to the work of influential teacher-authors. Whether you use readers workshop, Daily 5/CAFE, guided reading, balanced reading, a core reading program, whole-class novels, or any other approach, The Reading Strategies Book will complement and extend your teaching. Rely on it to plan and implement goal-directed, differentiated instruction for individuals, small groups, and whole classes. 'We offer strategies to readers to put the work in doable terms for those who are still practicing,' writes Jen Serravallo. 'The goal is not that they can do the steps of the strategy but that they become more comfortable and competent with a new skill.' With The Reading Strategies Book, you'll have ways to help your readers make progress every day"--Publisher.
