#1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the inventor of countless ideas that have made their way into mainstream business language, from Permission Marketing to Purple Cow to Tribes to The Dip. Now, for the first time, Godin offers the core of his marketing wisdom in one compact, accessible, timeless package. This is Marketing shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you: \* How to build trust and permission with your target market. \* The art of positioning--deciding not only who it's for, but who it's not for. \* Why the best way to achieve your goals is to help others become who they want to be. \* Why the old approaches to advertising and branding no longer work. \* The surprising role of tension in any decision to buy (or not). \* How marketing is at its core about the stories we tell ourselves about our social status. You can do work that matters for people who care. This book shows you the way.

In today's Internet era, the importance of having an online presence cannot be overstated and one of the Internet's biggest platforms is YouTube. The website sees roughly 15 billion visitors a month, which offers a lot of opportunity for anyone who can find a success concept. Whether

you are an individual looking to build a channel on YouTube to make a career for yourself out of it, or you are representing a business and want to grow a channel to support your company, finding a following on YouTube can be rewarding. It is difficult to achieve, and in this book, you will learn the many techniques available to grow your channel from the ground up on YouTube. The techniques in this book will mostly be those that will create sustained and not just temporary or fabricated success. Techniques like collaborating with fellow content creators and engaging with the community so that your videos can be found are the types of things focused on. It will cover the stuff that can be done with little or no money, as success on YouTube is not really dependent upon having a great amount of cash on hand to spend on your channel. It is understood that most people starting out on YouTube do not have a large budget to work with. You will learn what SEO means and how important it is to your channel and its growth. You will also learn how to use SEO correctly to help the people that want to watch your videos find them. You will see the importance of making thumbnails for your videos that really draw the attention of people browsing through different options on the website, so that you will get more clicks on your videos. You will understand the type of production quality necessary these days to gain a large following. People no longer accept low quality video production or bad audio clips from their YouTube videos. The topic of viral videos is covered and how to avoid being only a temporary success from one of your videos going viral. Recent changes to YouTube's policy about monetization on the website is covered in length, as well as what the new rules include and what you have to do before you can make money with your videos. In light of these new rules, the book explains the type of game plan that should be implemented for long-term success. Other things examined include the importance of consistency and how it matters to the growth of your channel. Also, you will find how each content creator on the platform has to decide if they want to make videos at the risk of losing quality, or spend a long time on each one to ensure a higher standard of content. Overall, in this book every pitfall that beginners to YouTube struggle with is pointed out as well as ways to avoid them are laid out in plain English such that anyone can understand. Every tactic that can help grow a YouTube channel is listed and examined in detail, while also noting any possible downsides to each. This book helps anyone wanting to get started on the video sharing platform and grow their channel from nothing to something incredible. This book is meant for both individuals or businesses, as the rules easily apply to everyone. It will help those who want to grow on a platform that is extremely populated with content creators, the way YouTube is now. As the website has grown to such a widely used platform, it also means that there is a lot of money to be made by putting videos on it. Because of this, there are more people than ever making videos on the YouTube site. This is why the book is so important, as it will give anyone who reads it a small advantage over everyone else with whom they will be competing for views; every little bit counts in a field of many.

Are you looking for a guide to learn how to use YouTube in an effective way? then keep reading... YouTube is the top social network to place your videos and grow your business. It's no wonder so many creators upload their content to YouTube. In any given minute, there's over 500 hours of video getting uploaded to YouTube. YouTube also has over 1 billion users ever since its humble beginning on April 23, 2005, when the first video was uploaded to YouTube. With so much popularity, some believe the platform has become oversaturated and success isn't possible for the new creator on the block. That's just not true, and the data and examples prove it. It's still possible to take your channel from 0 to 100,000 subscribers in a year. Is it hard? Oh yes, but there are people who do it to this day. While that's more of an exception than the rule, seeing some YouTubers achieve these results shows the platform is still filled with opportunity for new and seasoned creators alike. I understand how frustrating it can be to grow a YouTube channel. Before I became consistent on YouTube, I was on and off with the platform. If you don't know how to leverage the platform, growth will be slow, and the money won't be there. We will help you grow your channel and start making money from your YouTube videos. It's possible for any creator to make a big splash on YouTube. The question boils down to how much work you want to put in to make it happen. This book covers the following topics: Why you should be marketing on YouTube Creating and optimizing your channel Understand your audience How to produce a great YouTube video The tools you need How to write a great title and description How to upload and edit a video to YouTube YouTube SEO How to create videos that convert YouTube monetization How to promote your YouTube channel YouTube advertising Using social media to promote your channel Analyze and adapt ...And much more Whether you're a small business owner or a personal blogger YouTube can be an amazing advertising platform for you or your business. It can also be a means of earning passive online income if you're generating enough traffic. It's estimated that for every 1000 viewers to your channel you will get paid approximately \$2. That may not seem like much but start adding that that up with 1 million views and you're getting into the thousands of dollars. Do that week after week, and you've got a full-time income. There are plenty of people that have made a successful living just on

YouTube alone and that is still possible today. With YouTube, everyone starts with the same tools and everyone is given the same opportunity to connect with billions of people from around the world.
